2. OUR PURCHASING PROCESS

A supplier must be registered in the ANZ Accounts Payable system prior to any procurement transaction. Obtaining a valid Purchase Order (PO) from ANZ before delivering goods or services is the best way for ANZ's suppliers to ensure prompt payment.

The lack of an accurate or valid Purchase Order from ANZ may result in a misunderstanding of requirements and may increase the risk of late payment. ANZ's official Purchase Orders will be sent by email from [ANZ Buy and Pay Helpdesk](#).

Tip: Please ensure you are able to receive emails from this address or check your spam/junk folder.

If you **haven't received a Purchase Order** from ANZ, please check with the [ANZ Buy and Pay Helpdesk](#) to see if one is needed before providing goods or services.

An ANZ Purchase Order will include:

- Purchase Order number. This **must be referenced** on all invoices and delivery notes
- Contract number (if applicable)
- Which ANZ legal entity and ANZ invoice contact is issuing the Purchase Order
- ANZ delivery address, where the goods are to be shipped/or services to be undertaken
- ANZ billing address
- Description of goods or services requested, and the agreed purchase price
- Shipping instructions (if applicable) which comply with our purchasing terms and conditions for health, safety and environment requirements
- The link to our Purchase Order terms and conditions provided below to refer to the [Sustainable Procurement | ANZ](#)
- Any other additional requirements to facilitate payments that have not already been stated in the contract.

When a Purchase Order is not required:

- Donations, sponsorships and charities.
- Insurances, Utilities, some Government departments.
