Claims Procedures

Please do not contact ANZ in the event of a claim. ANZ is not in any way involved in the provision of the insurance benefits.

1. Zurich does not hold or collect information about **cardholders** until a claim is made. Zurich will however need personal information about the **cardholder** to assess any claim. If the **cardholder** does not provide the requested information, the assessment of the claim may be delayed or Zurich may not accept the claim. In most cases, Zurich will give the **cardholder** access to their personal information on request.

2. In the event of theft of or loss or damage to **goods** giving rise to a claim under this Policy, the **cardholder** must:

 - disclose to Zurich details of any other insurance cover under which the **cardholder** is entitled to claim;

 - give to Zurich all necessary information and assistance they may reasonably require to institute proceedings against other parties for the purpose of enforcing any rights or remedies to which they shall or would become entitled or subrogated upon their making payment or making good any loss or damage under this Policy;
3. Zurich as a member of the Insurance Council of Australia Limited, subscribes to the General Insurance Code of Practice, which sets out standards of best practice. Therefore if a **cardholder** is unhappy with any service issue or the settlement of a claim, the **cardholder** may have the

matter referred to the internal dispute resolution committee of Zurich. This committee consists of senior managers who will review the decision. If the **cardholder** still disagrees with the final decision of Zurich, the **cardholder** can ask the Insurance Ombudsman Service Limited (IOS) ABN 23 062 284 888 (within their terms of reference) to review the decision of Zurich. This is a free service provided by an independent organisation. The **cardholder** is not bound by the IOS's decision. However Zurich is bound to act immediately on their decision.
