1. DEFINITIONS AND INTERPRETATION

- 1.1 (a) All references in the Trust Presents to principal and/or principal amount and/or interest in respect of the Covered Bonds or to any monies payable by the Issuer or the Covered Bond Guarantor under the Trust Presents shall, unless the context otherwise requires, be construed in accordance with Programme Condition 6(i) (Payments - Interpretation of principal and interest) or, as the case may be, Condition 4 (Interest) of the N Covered Bond Conditions.

- (c) in the case of any payment of principal which is not made to the Bond Trustee or the relevant Principal Paying Agent or (in the case of Australian Registered Covered Bonds) direct to the Covered Bondholders on or before the due date or which is made on or after accelerated maturity following an Issuer Event of Default or Covered Bond Guarantor Event of Default, interest shall continue to accrue on the Principal Amount Outstanding of the relevant Covered Bonds (except in the case of Zero Coupon Covered Bonds to which the provisions of Condition 5(j) (Redemption and Purchase - Late payment on Zero Coupon Covered Bonds) of the Programme Conditions shall apply) (both before and after any decree, judgment or other order of a court of competent jurisdiction) at the rates aforesaid up to and including the date on which the whole of such Principal Amount Outstanding, together with an amount equal to the interest which has accrued and is to accrue pursuant to this proviso up to and including that date, has been received by the Bond Trustee or the relevant Principal Paying Agent or (in the case of Australian Registered Covered Bonds) direct to the Covered Bondholders and notice to that effect has been given to the Covered Bondholders in accordance with Condition 14 (Notices) of the Programme Conditions or, in respect of N Covered Bonds, N Covered Bond Condition 13 (Notices) except to the extent that there is failure on its subsequent payment to relevant Covered Bondholders under the Conditions;

- (e) if any payments of interest or principal are required to be made by the Covered Bond Guarantor on a date that is also an Interest Payment Date, then the validity of the

7. **COVERED BOND GUARANTEE**

7.1 In consideration of the Term Advances and Demand Loan Advances to be made by the Issuer to the Covered Bond Guarantor pursuant to the Intercompany Loan Agreement and the Demand Loan Agreement, the Issuer's undertakings in clauses 7.4 and 7.5 of the Intercompany Loan Agreement and clause 9.4 of the Demand Loan Agreement and the payment of any Excess Proceeds to the Covered Bond Guarantor pursuant to clause 11.2 (Application of Monies) of this Bond Trust Deed, the Covered Bond Guarantor, as principal obligor irrevocably and unconditionally guarantees to the Bond Trustee, for the benefit of the Covered Bondholders, the prompt performance by the Issuer of its obligations to pay amounts equal to the Guaranteed Amounts, as and when the same become Due for Payment.

7.2 The Covered Bond Guarantor shall, as principal obligor:

- (a) following the occurrence of an Issuer Event of Default and the service by the Bond Trustee of: (i) an Issuer Acceleration Notice on the Issuer (copied to the Covered Bond Guarantor); and (ii) a Notice to Pay on the Covered Bond Guarantor (copied to the Trust Manager), pay or procure to be paid on each Scheduled Payment Date (or on such later date provided for in clause 8.2 (Payments under the Covered Bond Guarantee)) (in the manner described in clause 8.1 (Payments under the Covered Bond Guarantee)) irrevocably and unconditionally to or to the order of the Bond Trustee (for the benefit of the Covered Bondholders), an amount equal to those Guaranteed Amounts which shall have become Due for Payment in accordance with the terms of the Trust Presents (or which would have become Due for Payment but for any variation, release or discharge of the Guaranteed Amounts), but which have not been paid by the Issuer to the relevant Covered Bondholder, Receiptholders and/or Couponholders on the relevant date for payment provided that no Notice will be served on the Covered Bond Guarantor until an Issuer Acceleration Notice has been served by the Bond Trustee on the Issuer and
- (b) following the occurrence of a Covered Bond Guarantor Event of Default and the service by the Bond Trustee of a Covered Bond Guarantee Acceleration Notice on the Issuer and the Covered Bond Guarantor (copied to the Trust Manager and the Security Trustee), in respect of the Covered Bonds of each Series which shall have become immediately due and repayable (or which would have become immediately

due and payable but for any variation, release or discharge of the Guaranteed Amounts), pay or procure to be paid to or to the order of the Bond Trustee (for the benefit of itself and the Covered Bondholders) in the manner described in clause 8.1 (Payments under the Covered Bond Guarantee), the Guaranteed Amounts,

(the "**Covered Bond Guarantee**")

Notwithstanding any provision of any Programme Document (including without limitation this Bond Trust Deed) to the contrary, the Covered Bond Guarantor will only be required to make a payment or procure a payment to be made under the Covered Bond Guarantee to the extent that the Covered Bond Guarantor is required to make such payment in accordance with the Guarantee Allocations.

7.3 In relation to the Covered Bonds of each Series, the Covered Bond Guarantee:

- (a) is a continuing guarantee;
- (b) extends to the ultimate balance of the Guaranteed Amounts due to be paid or which would have been due to be paid by the Issuer on the relevant Original Due for Payment Date in accordance with the terms of the Trust Presents, the Covered Bonds, the Receipts or the Coupons, regardless of any intermediate payment or discharge in whole or in part of any Guaranteed Amounts due to be paid on the relevant Scheduled Payment Date;
- (c) shall not be discharged except by complete performance of the obligations in the Trust Presents, is additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of any person (whether from the Covered Bond Guarantor or otherwise);
- (d) shall remain in force until all monies payable by the Covered Bond Guarantor pursuant to the terms of the Covered Bond Guarantee shall have been paid; and
- (e) is a guarantee of payment not collection.

7.4 The Covered Bond Guarantor shall not in respect of any payment due to be made pursuant to the Trust Presents be released from its obligations under or pursuant to the Trust Presents in any circumstances (notwithstanding anything which but for this provision would release or the Covered Bond Guarantor or would affect their liability under or pursuant to the Trust Presents in respect of such payment) except upon the receipt by or for the account of the Bond Trustee of the full amount of such payment from the Issuer or the Covered Bond Guarantor, as applicable, in the currency, at the place and in the manner provided for in the Trust Presents provided that (except in the case of Excess Proceeds) every payment of principal, premium or interest in respect of the Covered Bonds, Receipts and/or Coupons made to the relevant Principal Paying Agent in the manner provided in the relevant Agency Agreement shall be in satisfaction *pro tanto* of the liability of the Covered Bond Guarantor under the Trust Presents and shall be deemed for the purpose of this clause 7.4 (Covered Bond Guarantee) to have been paid to the order of the Bond Trustee, except to the extent that the subsequent payment thereof to the Covered Bondholders, the Receiptholders or the Couponholders in accordance with the Conditions is not made.

7.5 If any discharge (whether in respect of the obligations of the Covered Bond Guarantor under the Covered Bond Guarantee or any security for those obligations or otherwise) or arrangement is made in whole or in part on the faith of any payment, security or other disposition received by the Bond Trustee, the relevant Principal Paying Agent or any Covered Bondholder, Receiptholder or Couponholder and such discharge or arrangement and such payment, security or other disposition (as the case may be) is avoided or set aside in whole or in part under any laws relating to the bankruptcy, sequestration, liquidation, insolvency, administration, corporate reorganisation or other such similar event of the Issuer or the

Covered Bond Guarantor, such payment or arrangement will not be considered as having discharged the relevant liability of the Covered Bond Guarantor under the Covered Bond Guarantee (or any corresponding obligation of the Issuer) in respect thereof and that liability or obligation will continue or be reinstated as if the discharge or arrangement had not occurred and the Covered Bond Guarantor shall indemnify the Bond Trustee and the Covered Bondholders, Receiptholders and/or Couponholders (as the case may be) in respect thereof.

- 7.6 Without prejudice to the generality of the foregoing provisions of this clause 7 (Covered Bond Guarantee), the Covered Bond Guarantor agrees that its obligations under the Trust Presents shall be as if it were principal debtor and not merely as surety or guarantor and shall be absolute and (following service of an Issuer Acceleration Notice and Notice to Pay or a Covered Bond Guarantee Acceleration Notice) unconditional, irrespective of, and unaffected by, any invalidity, irregularity, illegality or unenforceability of, or defect in, any provisions of the Trust Presents or any other Programme Document, or the absence of any action to enforce the same or the waiver, modification or consent by the Bond Trustee, any of the Covered Bondholders, Receiptholders or Couponholders in respect of any provisions of the same or the obtaining of any judgment or decree against the Issuer or any action to enforce the same or any other circumstances which might otherwise constitute a legal or equitable discharge or defence of a guarantor. Accordingly, the validity of the Covered Bond Guarantee shall not be affected by any invalidity, irregularity or unenforceability of all or any of the obligations of the Issuer under the Trust Presents or any other Programme Document and the Covered Bond Guarantee shall not be discharged nor shall the liability of the Covered Bond Guarantor under the Trust Presents be affected by any act, thing or omission or means whatsoever whereby its liability would not have been discharged if it had been the principal debtor.
- 7.7 The liability of the Covered Bond Guarantor under the Covered Bond Guarantee shall not be lessened, affected, impaired or discharged by:
- (a) any time, waiver or indulgence granted to the Issuer by the Bond Trustee, any of the Covered Bondholders, the Receiptholders or Couponholders;
 - (b) any dealings or transactions between the Issuer and the Bond Trustee, any of the Covered Bondholders, Receiptholders or Couponholders whether or not the Covered Bond Guarantor shall be a party to or cognisant of the same;
 - (c) the dissolution of the Issuer or any change in the status, functions, control or ownership of the Issuer or any consolidation, merger, conveyance or transfer by the Issuer;
 - (d) any composition or arrangement between the Issuer and its creditors or the release or variation of the obligations of the Issuer pursuant to such composition or arrangement;
 - (e) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, the Issuer or any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
 - (f) any incapacity or lack of powers, authority or legal personality of the Issuer or any other person;
 - (g) any variation (however fundamental) or replacement of the Trust Presents, the Covered Bonds, the Receipts or the Coupons;

- (h) any other guarantee or security now or subsequently held by any Secured Creditor, and the Covered Bond Guarantee is in addition to any such guarantee or security; or
- (i) any postponement, discharge, reduction, non-provability or other similar circumstance affecting any obligation of the Issuer under the Trust Presents or any other Programme Document resulting from any insolvency, liquidation or dissolution proceedings or from any law, regulation or order so that each such obligation shall for the purposes of the Covered Bond Guarantor's obligations under the Covered Bond Guarantee be construed as if there were no such circumstance.

7.8 Subject to its obligation to deliver a Notice to Pay to the Covered Bond Guarantor (copied to the Trust Manager) in respect of the Covered Bond Guarantee, the Bond Trustee may determine from time to time whether it will enforce the Covered Bond Guarantee, which it is entitled to enforce without making any demand or taking any proceedings against the Issuer. Subject to the provisions of this clause 7 (Covered Bond Guarantee) with regard to the service of a Notice to Pay on the Covered Bond Guarantor (copied to the Trust Manager), the Covered Bond Guarantor hereby waives any right to require proceedings first against the Issuer with respect to the Trust Presents, the Covered Bonds, Receipts or Coupons, diligence, presentment, demand of payment, filing of claims with a court in the event of dissolution, liquidation, merger or bankruptcy of the Issuer, protest or notice and all demands whatsoever.

7.9 To the extent that the Covered Bond Guarantor makes, or there is made on its behalf (without limiting its obligations at law), a payment under the Covered Bond Guarantee, the Issuer will on such payment being made, become indebted to the Covered Bond Guarantor for an amount equal to such payment in accordance with the Intercompany Loan Agreement. Until all amounts which may be or become payable by the Issuer under the Trust Presents, the Covered Bonds, Receipts or Coupons have been irrevocably paid in full, the Covered Bond Guarantor hereby waives (without limiting its obligations at law) irrevocably and unconditionally:

- (a) all rights of subrogation, indemnity, contribution or otherwise (arising under common law, equity, statute or otherwise whatsoever) which it might otherwise have against the Issuer by virtue of any payment made by the Covered Bond Guarantor pursuant to the Covered Bond Guarantee; and
- (b) all rights to claim, rank, prove or vote as creditor of the Issuer or its estate in competition with the Bond Trustee (on behalf of the Covered Bondholders) or to claim a right of set-off,

subject always to the rights of the Covered Bond Guarantor to set-off amounts owing by the Issuer to the Covered Bond Guarantor in respect of amounts paid by the Covered Bond Guarantor under the Covered Bond Guarantee against any amounts repayable by the Covered Bond Guarantor to the Issuer under the terms of the Intercompany Loan Agreement and the Demand Loan Agreement, which shall remain unaffected.

If notwithstanding the foregoing, upon the bankruptcy, insolvency, administration or liquidation of the Issuer, any payment or distribution of assets of the Issuer of any kind or character, whether in cash, property or securities, shall be received by the Covered Bond Guarantor or if the Covered Bond Guarantor is able to exercise any set-off rights against the Issuer (other than under the Intercompany Loan Agreement or the Demand Loan Agreement) before payment in full of all amounts payable under the Trust Presents shall have been made to the Covered Bondholders, the Receiptholders and the Couponholders, such payment and/or an amount equal to the amount so set-off shall be received by the Covered Bond Guarantor and shall be held by the Covered Bond Guarantor on trust to pay the same over immediately to the Bond Trustee for application in or towards the payment of all amounts which are due and payable but which remain unpaid by the Covered Bond Guarantor under the Trust Presents.

- 7.10 Any amounts from time to time received by the Bond Trustee under the Covered Bond Guarantee shall be applied by the Bond Trustee in accordance with the provisions of clauses 11.1 (Application of Monies) provided that any Excess Proceeds received by the Bond Trustee shall be applied by the Bond Trustee in accordance with the provisions of clause 11.2 (Application of Monies).

- 8.3 The Trust Manager shall instruct the Covered Bond Guarantor to pay (or to procure the payment of) all sums payable under the Covered Bond Guarantee to the relevant Principal Paying Agent subject always to the provisions of clause 2.3 (Bond Trustee's requirements regarding Paying Agents etc). purposes of determining the amounts to be paid by the Covered Bond Guarantor under the Covered Bond Guarantee.

- 8.4 At least one Business Day before the date on which the Covered Bond Guarantor is obliged to make a payment under the Covered Bond Guarantee, the Trust Manager shall notify or procure the notification of the relevant Principal Paying Agent of the irrevocable instructions to the Account Bank through which payment to the relevant Principal Paying Agent is to be made.

- 8.7 Except in relation to Excess Proceeds, any payment made by the Covered Bond Guarantor to the Covered Bondholders, Receiptholders or the Couponholders in respect of the Covered Bonds, Receipts or Coupons may be made in accordance with the Conditions and the Agency Agreements, and any payments so made shall be a good discharge *pro tanto* of the relative covenant by the Covered Bond Guarantor contained in clauses 7 (Covered Bond Guarantee) or 8 (Payments under the Covered Bond Guarantee) (as the case may be) save to the extent that there is default in the subsequent payment thereof in accordance with the Trust Presents to the relevant Covered Bondholders, Receiptholders or Couponholders (as the case may be).

9. **NON-PAYMENT**

- 9.1 Proof that as regards any specified Covered Bond, Receipt or Coupon, the Issuer or, as the case may be, the Covered Bond Guarantor has made default in paying any amount due in respect of such Covered Bond, Receipt or Coupon shall (unless the contrary be proved) be sufficient evidence that the same default has been made as regards all other Covered Bonds, Receipts or Coupons (as the case may be) in respect of which the relevant amount is due and payable.

10. **PROCEEDINGS, ACTION AND INDEMNIFICATION**

10.1 The Bond Trustee may:

- (a) at any time after the occurrence of an Issuer Event of Default and the service of an Issuer Acceleration Notice (in the case of the Issuer) or, if earlier, following the occurrence of a Covered Bond Guarantor Event of Default and the service of a Covered Bond Guarantee Acceleration Notice (in the case of the Covered Bond Guarantor), at its discretion and without further notice, take such proceedings or other action or step as it may think fit against or in relation to the Issuer or, as the case may be, the Covered Bond Guarantor and/or any other person as it may think fit to enforce the provisions of the Bond Trust Deed, the Covered Bonds, the Receipts and the Coupons or any other Programme Document; and
- (b) at any time after the service of a Covered Bond Guarantee Acceleration Notice on the Covered Bond Guarantor and the Issuer (copied to the Trust Manager and the Security Trustee), give a direction or instruction to the Security Trustee to take such actions, steps or proceedings against the Covered Bond Guarantor and/or any other person as it may think fit to enforce the provisions of the Deed of Charge or any other Programme Document and may, at any time after the Charge has become enforceable, direct the Security Trustee to take such steps as it may think fit to enforce the Charge. Following the service of a Covered Bond Guarantee Acceleration Notice on the Issuer and the Covered Bond Guarantor (with a copy to the Trust Manager and the Security Trustee), the Bond Trustee must provide a copy of such notice to the Security Trustee.

10.2 The Bond Trustee shall not be bound to take, or give any direction to the Security Trustee to take, any such proceedings, steps or actions in relation to this Bond Trust Deed, the Covered Bond Guarantee, the Covered Bonds, the Receipts, the Coupons or any other Programme Document as referred to in clause 10.1 or give any notice pursuant to Conditions 9(a) or 9(b) (Events of Default and Enforcement) of the Programme Conditions unless (a) directed to do so by an Extraordinary Resolution of the Covered Bondholders of all Series, then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate) or (b) requested to do so in writing by the holders of not less than 25 per cent of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate) and in either case then only if it shall be indemnified and/or secured and/or prefunded to its satisfaction.

10.3 Subject as provided in clauses 10.1 and 10.2 above and clauses 7.21 and 7.22 of the Security Trust Deed, the Bond Trustee shall not be bound to take, or to give any direction to the Security Trustee to take, any other action under or in connection with the Trust Presents, the Covered Bonds, the Receipt or the Coupons or any other Programme Document unless: (a) directed to do so by Extraordinary Resolution of the Covered Bondholders of the relevant one or more Series (as determined in accordance with the provisions of paragraph 22 of Schedule 4); or (b) requested to do so in writing by the holders of not less than 25 per cent of the Principal Amount Outstanding of the Covered Bonds then outstanding of the relevant one or more Series (as determined in accordance with the provisions of paragraph 22 of Schedule 4) and in either case then only if it shall be indemnified and/or secured and/or prefunded to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing.

10.4 Only the Bond Trustee may enforce the provisions of the Trust Presents. No Covered Bondholder, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer or the Covered Bond Guarantor to enforce the performance of any of the provisions of the Trust Presents or to directly enforce the provisions of any other Programme Document unless the Bond Trustee having become bound as aforesaid to so proceed fails to do so

within a reasonable time and such failure is continuing, in which event any Covered Bondholder, Receiptholder or Couponholder may, on giving an indemnity and/or prefunding and/or security satisfactory to the Bond Trustee, in the name of the Bond Trustee (but not otherwise) himself institute such proceedings and/or prove in the winding up, administration or liquidation of the Issuer or the Covered Bond Guarantor to the same extent and in the same jurisdiction (but not further or otherwise than the Bond Trustee would have been entitled to do so in respect of the Covered Bonds, Receipts and Coupons and/or the Bond Trust Deed).

- 10.5 In exercising any of its powers, trust authorities and discretions the Bond Trustee shall only have regard to the interests of the Covered Bondholders of all Series equally and shall not have regard to the interests of any other Secured Creditor.

11. APPLICATION OF MONIES

- 11.1 Subject to clause 11.2 below, all monies received by the Bond Trustee under the Trust Presents from the Issuer pursuant to clause 2.2 (Covenant to repay principal and to pay interest) in respect of a payment of principal or interest to the Covered Bondholders shall, unless and to the extent attributable to a particular Series of the Covered Bonds, be apportioned *pari passu* and rateably between each Series of the Covered Bonds, and to the extent attributable to a particular Series of the Covered Bonds or which are apportioned to such Series as aforesaid, shall be applied:

- (a) *First:* to the extent not already paid or provided for under the Pre-acceleration Revenue Allocations or the Guarantee Allocations, as applicable, in payment or satisfaction of all amounts then due and unpaid under clause 16 (Remuneration and Indemnification of Bond Trustee) to the Bond Trustee and/or any Appointee;
- (b) *Secondly:* in or towards payment *pari passu* and rateably of all principal and interest then due and unpaid in respect of the Covered Bonds of that Series;
- (c) *Thirdly:* in or towards payment *pari passu* and rateably of all principal and interest then due and unpaid in respect of the Covered Bonds of each other Series; and
- (d) *Fourthly:* in payment of the balance (if any) to the Issuer.

After service of Notice to Pay on the Covered Bond Guarantor (copied to the Trust Manager) or after the service of a Covered Bond Guarantee Acceleration Notice on the Issuer and the Covered Bond Guarantor (copied to the Trust Manager and the Security Trustee) or the enforcement of the Charge, all monies received by the Bond Trustee under the Trust Presents from (or on behalf of) the Covered Bond Guarantor pursuant to clause 7 (Covered Bond Guarantee) in respect of a payment of Guaranteed Amounts to the Covered Bondholders, shall be applied to make payments to the Covered Bondholders subject to and in accordance with the Guarantee Allocations or, as applicable, the Post-enforcement Allocations.

- 11.2 Following the occurrence of an Issuer Event of Default and the delivery of an Issuer Acceleration Notice and Notice to Pay, any Excess Proceeds which are received by the Bond Trustee from the Issuer or any receiver, liquidator, administrator, or other similar official appointed in relation to the Issuer, and are then held by it or under its control shall be paid by the Bond Trustee on behalf of the Covered Bondholders of the relevant Series to the Covered Bond Guarantor, as soon as practicable, and shall be held by the Covered Bond Guarantor in the GIC Account and the Excess Proceeds shall thereafter form part of the Secured Property and shall be used by the Covered Bond Guarantor in the same manner as all other monies from time to time standing to the credit of the GIC Account pursuant to the Deed of Charge and the Supplemental Deed. Any Excess Proceeds received by the Bond Trustee and held by it or under its control shall discharge *pro tanto* the obligations of the Issuer in respect of the Covered Bonds, Receipts and Coupons (as applicable and to the

extent of the amount so received and subject to restitution of the same if such Excess Proceeds shall be required to be repaid by the Covered Bond Guarantor) (but the Issuer shall be deemed not to have discharged such obligations for the purposes of subrogation rights of the Covered Bond Guarantor contemplated by clause 7.9 (Covered Bond Guarantee)). However, the obligations of the Covered Bond Guarantor under the Covered Bond Guarantee are (following service of an Issuer Acceleration Notice and Notice to Pay or if earlier, service of a Covered Bond Guarantee Acceleration Notice) unconditional and irrevocable and the receipt by, or on behalf of, the Bond Trustee of any Excess Proceeds shall not reduce or discharge any such obligations.

11.3 By subscribing for Covered Bond(s), each Covered Bondholder shall be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the Covered Bond Guarantor in the manner as described above.

11.4 For the avoidance of doubt, any payments by the Covered Bond Guarantor to the Covered Bondholders out of the Excess Proceeds, shall reduce the Guaranteed Amounts *pro tanto*.

12. NOTICE OF PAYMENTS

The Bond Trustee (at the expense and cost of the Issuer or the Covered Bond Guarantor) shall give notice to the relevant Covered Bondholders in accordance with Condition 14 (Notices) of the Programme Conditions (in the case of Covered Bonds which are not N Covered Bonds) and in accordance with Condition 13 (Notices) of the N Covered Bond Conditions (in the case of N Covered Bonds) of the day fixed for any payment to them under clauses 11.1 or 11.2 (Application of Monies). Such payment may be made in accordance with Condition 6 (Payments) of the Programme Conditions or, in the case of N Covered Bonds, Condition 5 (Payments) of the N Covered Bond Conditions and any payment so made shall be a good discharge to the Bond Trustee.

13. INVESTMENT BY BOND TRUSTEE

13.1 Except in relation to any Excess Proceeds, the Bond Trustee may at its absolute discretion and pending payment as provided for in the Trust Presents, invest monies at any time available for the payment of principal and interest on the Covered Bonds of any Series, in some or one of the Authorised Investments for such periods as it may consider expedient with power from time to time at the like discretion to vary such investments and to accumulate such investments and the resulting interest and other income derived therefrom. The accumulated investments shall be applied under clause 11 (Application of Monies). All interest and other income deriving from such investments shall be applied first in payment or satisfaction of all amounts then due and unpaid under clause 16 (Remuneration and Indemnification of Bond Trustee) to the Bond Trustee and/or any Appointee and otherwise held for the benefit of and paid to the Covered Bondholders of such Series or the related Receipholders and/or Couponholders, as the case may be.

13.2 For the purpose of clause 13.1, "**Authorised Investments**" means Australian Dollar demand or time deposits, certificates of deposit and short-term debt obligations (including commercial paper) (which may include deposits into any account which earns a rate of interest related to the Bank Bill Rate) provided that in all cases such investments have a maturity date of 30 days or less and mature on or before the next following Determination Date and the short-term unsecured, unguaranteed and unsubordinated debt obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposits are made (being a bank) are rated at least "P-1" by Moody's and "F1+" by Fitch or which are otherwise acceptable to the Designated Rating Agencies (if they are notified in advance) to maintain the then current rating of the Covered Bonds.

13.3 Except in relation to any Excess Proceeds, any monies which under the trusts of the Trust Presents may be invested by the Bond Trustee may be invested in the name or under the control of the Bond Trustee in any investments or other assets in any part of the world

whether or not they produce income or by placing the same on deposit in the name or under the control of the Bond Trustee at such bank or other financial institution and in such currency as the Bond Trustee may think fit. If that bank or institution is the Bond Trustee or a Subsidiary, holding or associated company of the Bond Trustee, it need only account for an amount of interest equal to the amount of interest which would, at then current rates, be payable by it on such a deposit to an independent customer. The Bond Trustee may at any time vary any such investments for or into other investments or convert any monies so deposited into any other currency and shall not be responsible for any loss resulting from any such investments or deposits, whether due to depreciation in value, fluctuations in exchange rates or otherwise.

- 13.4 Notwithstanding anything in this Bond Trust Deed to the contrary, the Bond Trustee may not do, or be authorised or required to do, anything which might constitute a regulated activity for the purpose of the FSMA, unless it is authorised under the FSMA to do so.

In respect of any of the duties and/or responsibilities to be performed by the Bond Trustee, the Bond Trustee shall have the discretion at any time (i) to delegate any of the functions which fall to be performed by an authorised person under the FSMA to any agent or person which has the necessary authorisations and licences and (ii) to apply for authorisation under the FSMA and perform any or all such functions itself if, in its absolute discretion, it considers it necessary, desirable or appropriate to do so.

14. **PARTIAL PAYMENTS**

- 14.1 Upon any payment under clauses 11.1 or 11.2 (Application of Monies) (other than payment in full against surrender of a Covered Bond, Receipt or Coupon) the Covered Bond, Receipt or Coupon in respect of which such payment is made shall be produced to the Bond Trustee, the relevant Registrar or the relevant Paying Agent by or through whom such payment is made and (except in the case of a NGCB) the Bond Trustee shall or shall cause the relevant Registrar or, as the case may be, the relevant Paying Agent to enface thereon a memorandum of the amount and the date of payment but the Bond Trustee may in any particular case or generally in relation to Registered Covered Bonds dispense with such production and enfacement upon such indemnity being given to the Bond Trustee and the Issuer as such parties shall think sufficient.

- 14.2 This clause 14 shall not apply to Australian Registered Covered Bonds.

- (b) for the purposes of conforming to any legal requirements, restrictions or conditions in any jurisdiction in which any particular act or acts is or are to be performed; or
- (c) for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions of the Trust Presents against the Issuer or the Covered Bond Guarantor.

Each of the Issuer and the Covered Bond Guarantor irrevocably appoints the Bond Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions of the Trust Presents) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Bond Trustee by the Trust Presents) and such duties and obligations as shall be conferred or imposed by the instrument of appointment. The Bond Trustee shall have power in like manner to remove any such person. Such remuneration as the Bond Trustee may pay to any such person, together with any attributable Liabilities incurred by it in performing its function as such separate bond trustee or co-bond trustee, shall for the purposes of the Trust Presents be treated as Liabilities incurred by the Bond Trustee.

29. BOND TRUSTEE'S RETIREMENT AND REMOVAL

A bond trustee of the Trust Presents may retire at any time on giving not less than three months' prior written notice to the Issuer, the Trust Manager, the Covered Bond Guarantor and the Security Trustee without giving any reason and without being responsible for any Liabilities incurred by reason of such retirement. The Covered Bondholders may by Extraordinary Resolution of the Covered Bondholders of all Series taken together as a single Series remove any bond trustee or bond trustees for the time being of the Trust Presents. Each of the Issuer and the Trust Manager undertakes that in the event of the only bond trustee of the Trust Presents which is a Trust Corporation giving notice under this clause 29 (Bond Trustee's Retirement and Removal) or being removed by Extraordinary Resolution it will use all reasonable endeavours to procure that a new bond trustee of the Trust Presents being a Trust Corporation is appointed by the Covered Bondholders in accordance with clause 27 (New Bond Trustee) as soon as reasonably practicable thereafter. The retirement or removal of any such bond trustee shall not become effective until a successor bond trustee being a Trust Corporation is appointed. If, in such circumstances, no appointment of such new bond trustee has become effective within 60 days of the date of such notice or Extraordinary Resolution, the Bond Trustee shall be entitled to appoint a Trust Corporation as bond trustee of the Trust Presents, but no such appointment shall take effect unless previously approved by an Extraordinary Resolution.

30. BOND TRUSTEE'S POWERS TO BE ADDITIONAL

The powers conferred upon the Bond Trustee by the Trust Presents shall be in addition to any powers which may from time to time be vested in the Bond Trustee by the general law or as a holder of any of the Covered Bonds, Receipts or Coupons.

32. **ELECTRONIC MEANS**

The Trustee may rely upon and comply with instructions and directions sent by electronic mail, facsimile and other similar unsecured electronic methods ("**Electronic Methods**") by persons believed by it in good faith to be authorised to give instructions and directions on behalf of the Issuer. The Trustee shall have no duty or obligation to verify or confirm that the person who sent such instructions or directions is, in fact, a person authorised to give instructions or directions on behalf of the Issuer (other than to verify that the signature on a facsimile or other electronically submitted document containing a signature is the signature of a person authorised to give instructions and directions on behalf of the Issuer) and shall have no liability for any losses, liabilities, costs or expenses incurred or sustained by the Issuer, the Covered Bondholders, or any other person as a result of such reliance upon or compliance with such instructions or directions. The Issuer agrees to assume all risks arising out of the use of Electronic Methods to submit, deliver or give communications, instructions and directions to any Agent, including without limitation the risk of any Agent acting on unauthorised communications, instructions or directions, and the risk of interception and misuse by third parties with the foregoing at all times being subject to clause 18 (Bond Trustee's Liability) with the effect that the Trustee shall remain liable for any loss suffered by the Issuer as a result of the gross negligence, wilful misconduct or fraud of the relevant Trustee.

33. **LIMITED RECOURSE**

33.1 **Limited recourse on the Covered Bond Guarantor's liability**

The Covered Bond Guarantor enters into these Trust Presents only in its capacity as trustee of the Trust and in no other capacity. A liability arising under or in connection with these Trust Presents is limited to and can be enforced against the Covered Bond Guarantor only to the extent to which it can be satisfied out of the Assets of the relevant Trust out of which the Covered Bond Guarantor is actually indemnified for the liability. This limitation of the Covered Bond Guarantor's liability applies despite any other provision of these Trust Presents (other than clause 32.3) and extends to all liabilities and obligations of the Covered Bond Guarantor in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to these Trust Presents.

33.2 **Claims against the Covered Bond Guarantor**

The parties other than the Covered Bond Guarantor (including any Secured Creditor) may not sue the Covered Bond Guarantor in any capacity other than trustee of the Assets of that Trust, including seeking the appointment of a receiver (except in relation to the Assets of that Trust), or a liquidator, an administrator or any similar person to the Covered Bond Guarantor or prove in any liquidation, administration or arrangements of or affecting the Covered Bond Guarantor (except in relation to the Asset of that Trust).

33.3 **Breach of trust**

The provisions of this clause 32 limiting the Covered Bond Guarantor's liability will not apply to any obligation or liability of the Covered Bond Guarantor to the extent that it is not

satisfied because under these Trust Presents or by operation of law there is a reduction in the extent of the Covered Bond Guarantor's indemnification out of the Assets of that Trust, as a result of the Covered Bond Guarantor's fraud, gross negligence or wilful default.

33.4 **Acts or omissions**

It is acknowledged that the Relevant Parties are responsible under the Trust Presents and the other Programme Documents in relation to a Trust for performing a variety of obligations relating to the Trust. No act or omission of the Covered Bond Guarantor (including any related failure to satisfy its obligations or breach of representation or warranty under the Trust Presents) will be considered fraud, gross negligence or wilful default of the Covered Bond Guarantor for the purpose of clause 32.3 if and to the extent the act or omission was caused or contributed to by any failure by any Relevant Party or any other person appointed by the Covered Bond Guarantor under any Programme Document (other than a person whose acts or omission the Covered Bond Guarantor is liable for in accordance with any Programme Document) to fulfil its obligations relating to the Trust or by any other act or omission of any Relevant Party or any other such person regardless of whether or not the act or omission is purported to be done on behalf of the Covered Bond Guarantor.

33.5 **No obligation**

- (a) No attorney, agent, receiver or receiver and manager appointed in accordance with the Trust Presents or any other Programme Document has authority to act on behalf of the Covered Bond Guarantor in a way that exposes the Covered Bond Guarantor to any personal liability, and no act or omission of any such person will be considered fraud, gross negligence or wilful default of the Covered Bond Guarantor for the purpose of clause 32.3.
- (b) The Covered Bond Guarantor is not obliged to do anything or refrain from doing anything under or in connection with these Trust Presents (including incur a liability) unless the Covered Bond Guarantor's liability is limited in the same manner as set out in this clause 32.

34. **LIMITATION OF LIABILITY OF THE TRUST MANAGER**

Neither the Trust Manager nor any of its directors, officers, employees, agents, attorneys or Related Entities is responsible or liable to any person:

- (a) because any person does not perform its obligations under the Programme Documents;
- (b) for the financial condition of any person;
- (c) because any statement, representation or warranty in a Programme Document given by a person is incorrect or misleading;
- (d) for the effectiveness, genuineness, validity, enforceability, admissibility in evidence or sufficiency of the Programme Documents or any document signed or delivered in connection with the Programme Documents;
- (e) for acting or not acting in accordance with the Bond Trustee's directions; or
- (f) for anything done or not done in accordance with the Programme Documents,

except to the extent that the act or omission results from the fraud, negligence or wilful misconduct by the Trust Manager or a wilful breach by it of its obligations under the Programme Documents

35. **GOVERNING LAW**

Save for Conditions which are governed by a law other than English law, the Trust Presents and any non-contractual obligations arising out of or in connection with them shall be governed by, and shall be construed in accordance with, English law.

36. **SUBMISSION TO JURISDICTION**

(a) Each party to this Bond Trust Deed hereby irrevocably submits to the exclusive jurisdiction of the English courts in any action or proceeding arising out of or relating to this Bond Trust Deed (including a dispute relating to any non-contractual obligations arising out of or in connection with this Bond Trust Deed), and hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined by such courts. Each party to this Bond Trust Deed hereby irrevocably waives, to the fullest extent it may possibly do so, any defence or claim that the English courts are an inconvenient forum for the maintenance or hearing of such action or proceeding. The Bond Trustee, the Covered Bondholders, the Receiptholders and the Couponholders may take any suit, action or proceeding arising out of or in connection with this Bond Trust Deed (including any proceedings relating to any non-contractual obligations arising out of or in connection with this Bond Trust Deed) against the Issuer or the Covered Bond Guarantor in any other court of competent jurisdiction and concurrent proceedings in any number of jurisdictions.

(b) Each of the Issuer, the Covered Bond Guarantor, the Trust Manager and the Bond Trustee irrevocably and unconditionally appoints:

(c) Each of the Issuer, the Covered Bond Guarantor, the Trust Manager and the Bond Trustee:

(i) agrees to procure that, so long as any of the Covered Bonds issued by it remains liable to prescription, there shall be in force an appointment of such a person approved by the Bond Trustee (or, in the case of the Bond Trustee, the Issuer) with an office in London with authority to accept service as aforesaid;

- (ii) agrees that a failure by any such person to give notice of such service or process to the Issuer shall not impair the validity of such service or of any judgment based thereon;
 - (iii) consents to the service of process in respect of any proceedings in accordance with clause 31 (Notices); and
 - (iv) agrees that nothing in the Trust Presents shall affect the right to serve process in any other manner permitted by law.
- (d) Each of the Issuer, the Covered Bond Guarantor, the Trust Manager and the Bond Trustee agree that:

37. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

A person who is not a party to the Trust Presents has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Trust Presents.

38. COUNTERPARTS

This Bond Trust Deed and any trust deed supplemental hereto may be executed and delivered in any number of counterparts (manually or by facsimile), all of which, taken together, shall constitute one and the same deed and any party to this Bond Trust Deed or any trust deed supplemental hereto may enter into the same by executing and delivering a counterpart.

IN WITNESS whereof this Bond Trust Deed has been executed as a deed by each of the parties hereto and delivered on the date first stated on page 1.

SCHEDULE 1

Terms and Conditions of the Covered Bonds

The following are the Terms and Conditions of the Covered Bonds (other than N Covered Bonds) which will apply to each Global Covered Bond (as defined below) and each Definitive Covered Bond. The Terms and Conditions of the Covered Bonds will be incorporated by reference into each Registered Global Covered Bond and each Definitive Covered Bond, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the Issuer and the Relevant Dealer(s) at the time of issue but, if not so permitted and agreed, such Definitive Covered Bond will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Final Terms or Pricing Supplement or, as the case may be, the Drawdown Prospectus (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Covered Bond and Definitive Covered Bond. The following Terms and Conditions, together with applicable Final Terms or Pricing Supplement or, as the case may be, the Drawdown Prospectus (or relevant provisions thereof), will also apply in accordance with the Deed Poll to each Australian Registered Covered Bond. The Terms and Conditions and Final Terms or Pricing Supplement or, as the case may be, the Drawdown Prospectus, applicable to Australian Registered Covered Bonds are not endorsed on or evidenced by any physical covered bond or document of title and are not recorded in the Australian Register.

The applicable Pricing Supplement in relation to any Tranche of Exempt Covered Bonds may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Covered Bonds.

In relation to the N Covered Bonds and any Series thereof, the terms and conditions of such N Covered Bonds shall be as set out in the N Covered Bond Certificate and the N Covered Bond Conditions attached thereto, together with the N Covered Bond Agreement.

This Covered Bond is one of a Series (as defined below) of Covered Bonds issued by Australia and New Zealand Banking Group Limited, whether acting through its head office or a branch (the "**Issuer**") constituted, other than in the case of an Australian Registered Covered Bond, by a bond trust deed (such trust deed as modified and/or supplemented and/or restated from time to time, the "**Bond Trust Deed**") dated 14 November 2011 and amended and supplemented on 22 November 2012 and as further amended and restated on 15 November 2013 and as further supplemented on 10 November 2014 and as further amended and supplemented on 8 November 2016 and as further amended and restated on 9 November 2018 and as further amended and restated on 13 November 2019 and as further amended on 14 May 2021 and as further amended on 13 May 2022 and as further amended on or around 23 May 2023 made between, among others, the Issuer, Perpetual Corporate Trust Limited (as trustee of the ANZ Residential Covered Bond Trust) as covered bond guarantor (the "**Covered Bond Guarantor**") and DB Trustees (Hong Kong) Limited as bond trustee (in such capacity, the "**Bond Trustee**", which expression shall include any successor as Bond Trustee) and in the case of an Australian Registered Covered Bond pursuant to a deed poll made by the Issuer and dated the 14 November 2011 (the "**Deed Poll**").

Save as provided for in Conditions 9 (*Events of Default and Enforcement*) and 11 (*Meetings of Covered Bondholders, Modification, Waiver and Substitution*), references herein to the Covered Bonds shall be references to the Covered Bonds of this Series and shall mean:

- (i) in relation to any Covered Bonds represented by a global covered bond in bearer form (a "**Bearer Global Covered Bond**") or a "**Registered Global Covered Bond**" (each of them a "**Global Covered Bond**") units of the lowest Specified Denomination in the Specified Currency;
- (ii) any Global Covered Bond;

- (iii) any Definitive Covered Bonds in bearer form ("**Bearer Definitive Covered Bonds**") issued in exchange for a Bearer Global Covered Bond;
- (iv) any Definitive Covered Bonds in registered form ("**Registered Definitive Covered Bonds**") (whether or not issued in exchange for a Registered Global Covered Bond); and
- (v) any Australian Registered Covered Bond.

For avoidance of doubt, where Conditions 9 (*Events of Default and Enforcement*) and 11 (*Meetings of Covered Bondholders, Modification, Waiver and Substitution*) include references to "any Series", "all Series" or "each Series" or otherwise to a Series other than this Series, such references include Series of N Covered Bonds.

The Covered Bonds (other than the Australian Registered Covered Bonds), the Receipts (as defined below) and the Coupons (as defined below) have the benefit of a principal agency agreement (such principal agency agreement as amended and/or supplemented and/or restated from time to time the "**Principal Agency Agreement**") dated the Programme Date and made between, among others, the Issuer, the Covered Bond Guarantor, the Bond Trustee and Deutsche Bank AG, Hong Kong Branch as issuing and covered bond paying agent and agent bank (in such capacity, the "**Covered Bond Paying Agent**", which expression shall include any successor covered bond paying agent and together with the Australian Paying Agent (as defined below) the "**Principal Paying Agents**") and the other paying agents appointed pursuant to the Principal Agency Agreement (together with the Principal Paying Agents, the "**Paying Agents**", which expression shall include any additional or successor paying agents), Deutsche Bank AG, Hong Kong Branch as exchange agent (in such capacity, the "**Exchange Agent**", which expression shall include any additional or successor exchange agent) and as transfer agent (in such capacity, the "**Transfer Agent**") and Deutsche Bank Luxembourg S.A. as Luxembourg registrar (in such capacity, the "**Luxembourg Registrar**", which expression shall include any successor registrar and together with the Australian Registrar (as defined below), the "**Registrars**" and together with the Paying Agents, the Exchange Agent and the Transfer Agent, the "**Agents**", which expression shall include any additional or successor agents).

References herein to "**Exempt Covered Bonds**" are to Covered Bonds which are neither admitted to trading on a regulated market in the United Kingdom nor offered in the United Kingdom in circumstances where a prospectus is required to be published under the UK Prospectus Regulation.

Australian Registered Covered Bonds also have the benefit of an Australian ASX Austraclear registry and IPA Services agreement (such registry and agency agreement as amended and/or supplemented and/or restated from time to time, the "**Australian Agency Agreement**" and, together with the Principal Agency Agreement, the "**Agency Agreements**") dated the Programme Date and made between the Issuer, the Covered Bond Guarantor, the Security Trustee, the Bond Trustee, the Trust Manager and Austraclear Services Limited as Australian registrar (the "**Australian Registrar**"). Prior to service of a Notice to Pay, the Issuer shall act as Australian paying agent (in respect of Australian Registered Covered Bonds) (the "**Australian Paying Agent**") and following service of a Notice to Pay, the Covered Bond Guarantor shall effect the relevant payments specified to Covered Bondholders in accordance with the Australian Agency Agreement, and shall act as Australian Paying Agent if requested to do so by the Bond Trustee (in respect of Australian Registered Covered Bonds). For the avoidance of doubt, the obligations of the Australian Paying Agent set out in these Terms and Conditions will be carried out by the Covered Bond Guarantor, following the service of a Notice to Pay.

Interest-bearing Bearer Definitive Covered Bonds have interest coupons ("**Coupons**") and talons for further Coupons ("**Talons**") attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Bearer Definitive Covered Bonds repayable in instalments have receipts ("**Receipts**") for the payment of the instalments of principal (other than the final instalment) attached on issue. Registered Covered Bonds (which include Registered Global Covered Bonds and/or Registered Definitive Covered Bonds as the case may be) and Global Covered Bonds do not have Receipts, Coupons or Talons attached on issue. Australian

Registered Covered Bonds will be issued in dematerialised registered form only by inscription in the register maintained by the Australian Registrar ("**Australian Register**") and no Receipts, Coupons or Talons or any certificates or other evidence of title will be issued in respect of Australian Registered Covered Bonds.

The Final Terms for this Covered Bond (the "**applicable Final Terms**") or the Pricing Supplement, for this Covered Bond, as the case may be (the "**applicable Pricing Supplement**"), or, as the case may be, the applicable Drawdown Prospectus (the "**applicable Drawdown Prospectus**") (or the relevant provisions thereof) is (except in relation to an Australian Registered Covered Bond) entered in the Register or attached to or endorsed on this Covered Bond. The Final Terms or Pricing Supplement as the case may be, for an Australian Registered Covered Bond apply in respect of that Australian Registered Covered Bond in accordance with the Deed Poll and the Bond Trust Deed. In the case of Covered Bonds, other than Exempt Covered Bonds, the Final Terms in relation to a Covered Bond supplement these terms and conditions and in the case of Exempt Covered Bonds, the Pricing Supplement in relation to an Exempt Covered Bond supplements, amends, modifies and replaces these Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Conditions, amend, modify or replace the Conditions for the purposes of such Exempt Covered Bonds (the "**Conditions**"). References to the "applicable Final Terms" shall be construed as references to the applicable Final Terms or the applicable Drawdown Prospectus, as the case may be. References to the "applicable Final Terms" are to the Final Terms (or the relevant provisions thereof) entered in the Register, or the Australian Register, as applicable or attached to or endorsed on this Covered Bond or (in the case of Australian Registered Covered Bonds) delivered by the Issuer to the Bond Trustee in accordance with the Bond Trust Deed. If this Covered Bond is an Exempt Covered Bond, any reference in the Conditions to "applicable Final Terms" shall be deemed to be a reference to "applicable Pricing Supplement" where relevant. All persons from time to time entitled to the benefit of obligations under any Australian Registered Covered Bond are deemed to have notice of, and shall be bound by, all the Conditions, as supplemented by the applicable Final Terms or Pricing Supplement as the case may be.

The Bond Trustee acts as trustee in accordance with the provisions of the Bond Trust Deed (and in the case of the Australian Registered Covered Bonds, the provisions of the Deed Poll) for the holders for the time being of the Covered Bonds (the "**Covered Bondholders**", which expression shall, in relation to any Covered Bonds represented by a Global Covered Bond, be construed as provided below), the holders of the Receipts (the "**Receiptholders**") and the holders of the Coupons (the "**Couponholders**", which expression shall, unless the context otherwise requires, include the holders of the Talons), and for holders of each other Series of Covered Bonds in accordance with the provisions of the Bond Trust Deed.

As used herein, "**Tranche**" means Covered Bonds which are identical in all respects (including as to listing or admission to trading, if applicable) and Series means a Tranche of Covered Bonds together with any further Tranche or Tranches of Covered Bonds which are: (i) expressed to be consolidated and form a single series; and (ii) identical in all respects (including as to listing or admission to trading, if applicable) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

The Covered Bond Guarantor has, in the Bond Trust Deed, irrevocably and unconditionally guaranteed the prompt performance by the Issuer of its obligations to pay the Guaranteed Amounts in respect of the Covered Bonds as and when the same shall become due for payment on certain dates in accordance with the Bond Trust Deed ("**Due for Payment**"), but only after the occurrence of (A) an Issuer Event of Default and service by the Bond Trustee of (i) an Issuer Acceleration Notice on the Issuer (copied to the Covered Bond Guarantor), and (ii) a Notice to Pay on the Covered Bond Guarantor (copied to the Trust Manager), and/or (B) a Covered Bond Guarantor Event of Default and service by the Bond Trustee of a Covered Bond Guarantee Acceleration Notice on each of the Issuer and the Covered Bond Guarantor (copied to the Trust Manager and the Security Trustee).

The security for the obligations of the Covered Bond Guarantor under the Covered Bond Guarantee and the other Programme Documents to which it is a party has been created in and pursuant to, and on the

terms set out in, a deed of charge governed by the laws of State of Victoria, Australia (such document as amended and/or supplemented and/or restated from time to time, the "**Deed of Charge**") dated the Programme Date and made between the Covered Bond Guarantor, the Bond Trustee, P.T. Limited (the "**Security Trustee**") and Institutional Securitisation Services Limited ABN 30 004 768 807 (the "**Trust Manager**") and a security trust deed between the same parties and governed by the laws of State of Victoria, Australia (such document as amended and/or supplemented and/or restated from time to time, the "**Security Trust Deed**"). These Conditions include summaries of, and are subject to, the provisions of the Bond Trust Deed, the Security Trust Deed, the Deed of Charge and the Agency Agreements (as applicable).

Copies of the Bond Trust Deed, the Security Trust Deed, the Definitions Schedule (as defined below), the Agency Agreements and each of the other Programme Documents are available during normal business hours from the specified office of the Covered Bond Paying Agent and the Luxembourg Registrar or may be supplied to such Covered Bondholder via electronic means from the Principal Paying Agent. Copies of the applicable Final Terms or Pricing Supplement as the case may be for all Covered Bonds of each Series (including in relation to Exempt Covered Bonds of any Series) are obtainable during normal business hours from the specified office of the Covered Bond Paying Agent or may be supplied to such Covered Bondholder via electronic means from the Principal Paying Agent. A copy of the Deed Poll in relation to the Australian Registered Covered Bonds is obtainable during normal business hours at the specified office of the Australian Paying Agent. Any Covered Bondholder must produce evidence satisfactory to the Issuer and the Bond Trustee or, as the case may be, the relevant Paying Agent or Registrar as to its holding of Covered Bonds and identity. The N Covered Bonds (including the N Covered Bonds Conditions attached as Schedule 1 thereto and the Form of Assignment Agreement attached as Schedule 2 thereto) will only be available to a holder of such N Covered Bond provided that such holder produces evidence satisfactory to the Issuer and the Paying Agent as to its holding of such N Covered Bond and its identity. The Covered Bondholders, the Receiptholders and the Couponholders are deemed to have notice of, are bound by, and are entitled to the benefit of, all the provisions of, and definitions contained in, the Bond Trust Deed, the Deed of Charge, the Definitions Schedule, the relevant Agency Agreement, the Deed Poll (in the case of Australian Registered Covered Bonds) and each of the other Programme Documents and the applicable Final Terms or Pricing Supplement which are applicable to them and to have notice of each set of Final Terms or Pricing Supplement relating to each other Series.

Except where the context otherwise requires, capitalised terms used and not otherwise defined in these Conditions shall bear the meanings given to them in the Bond Trust Deed, the applicable Final Terms and/or the Issuer's covered bond trust definitions schedule made between the parties to the Programme Documents dated 31 October 2011 as amended and restated on 14 November 2011 and as further amended on 27 June 2012 and as further amended and restated on 15 November 2013, 8 November 2016, 9 November 2018 and 23 May 2023 (the "**Definitions Schedule**") (as the same may be amended and/or supplemented and/or restated from time to time), a copy of each of which may be obtained as described above. In the event of inconsistency between the Bond Trust Deed and the Definitions Schedule, the Bond Trust Deed will prevail and in the event of inconsistency between the Bond Trust Deed and the applicable Final Terms, the applicable Final Terms will prevail, provided in relation to Australian Registered Covered Bonds that in the event of any inconsistency between the Bond Trust Deed and the Deed Poll, the Deed Poll will prevail and in the event of any inconsistency between the Deed Poll and the applicable Final Terms, the applicable Final Terms will prevail.

1. **Form, Denomination and Title**

The Covered Bonds are in bearer form or in registered form as specified in the applicable Final Terms and, in the case of Definitive Covered Bonds (being Bearer Definitive Covered Bond(s) and/or, as the context may require, Registered Definitive Covered Bond(s)), serially numbered, in the Specified Currency and the denomination specified in the applicable Final Terms (the "**Specified Denomination**"). Covered Bonds of one Specified Denomination may not be exchanged for Covered Bonds of another Specified Denomination and Bearer Covered Bonds may not be exchanged for Registered Covered Bonds and vice versa.

This Covered Bond may be a Fixed Rate Covered Bond, a Floating Rate Covered Bond, a Zero Coupon Covered Bond or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms, and subject, in each case, to confirmation from the Designated Rating Agencies that the then current ratings of any outstanding Series of Covered Bonds will not be adversely affected by the issuance of this Covered Bond.

This Covered Bond may be an Instalment Covered Bond depending upon the Redemption/Payment Basis shown in the applicable Final Terms and subject, in each case, to confirmation from the Designated Rating Agencies that the then current rating of any outstanding Series of Covered Bonds will not be adversely affected by the issuance of this Covered Bond.

Bearer Definitive Covered Bonds are issued with Coupons attached, unless they are Zero Coupon Covered Bonds in which case references to Coupons and Couponholders in these Conditions are not applicable.

Bearer Definitive Covered Bonds are issued with Receipts, unless they are not Instalment Covered Bonds in which case references to Receipts and Receiptholders in these Conditions are not applicable.

Australian Registered Covered Bonds are issued in uncertificated registered form and take the form of entries in a register maintained by the Australian Registrar. Each entry in the Registrar in respect of an Australian Registered Covered Bond constitutes a separate and individual acknowledgement to the relevant Covered Bondholder of the indebtedness of the Issuer to the relevant Covered Bondholder. Australian Registered Covered Bonds will not be serially numbered.

Subject as set out below, title to the Bearer Covered Bonds, Receipts and Coupons will pass by delivery and title to the Registered Covered Bonds and Australian Registered Covered Bonds will pass upon registration of transfers in the relevant Registrar in accordance with the provisions of the relevant Agency Agreements. The Issuer, the Covered Bond Guarantor, the Paying Agents, the Registrars, the Exchange Agent, the Transfer Agent, the Security Trustee and the Bond Trustee will (except as ordered by a court of competent jurisdiction or as required by law) deem and treat the bearer of any Bearer Covered Bond, Receipt, Coupon or Talon and the registered holder of any Registered Definitive Covered Bond, Registered Global Covered Bond or Australian Registered Covered Bond as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Covered Bond, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Covered Bonds is represented by a Global Covered Bond held on behalf of, or, as the case may be, registered in the name of a common depository (in the case of a CGCB) or common safekeeper (in the case of a NGCB) for Euroclear Bank SA/NV ("**Euroclear**") and/or Clearstream Banking S.A. - (1) where the BBSW Rate is the Applicable Benchmark Rate, if a Temporary Disruption Trigger has occurred with respect to the BBSW Rate, in the following order of precedence:
 - (a) first, the Administrator Recommended Rate;
 - (b) then the Supervisor Recommended Rate; and
 - (c) lastly, the Final Fallback Rate;
- (2) where AONIA is the Applicable Benchmark Rate or a determination of the AONIA Rate is required for the purposes of paragraph (1) above, if a Temporary Disruption Trigger has occurred with respect to AONIA, the rate for any day for which AONIA is required will be the last provided or published level of AONIA;
- (3) where a determination of the RBA Recommended Rate is required for the purposes of paragraph (1) or (2) above, if a Temporary Disruption Trigger has occurred with respect to the RBA Recommended Rate, the rate for any day for which the RBA Recommended Rate is required will be the last rate provided or published by the Administrator of the RBA Recommended Rate (or if no such rate has been so provided or published, the last provided or published level of AONIA);

 - (a) first, if at the time of the BBSW Rate Permanent Fallback Effective Date, no AONIA Permanent Fallback Effective Date has occurred, the AONIA Rate;
 - (b) then, if at the time of the BBSW Rate Permanent Fallback Effective Date, an AONIA Permanent Fallback Effective Date has occurred, an RBA Recommended Rate has been created but no RBA Recommended Rate Permanent Fallback Effective Date has occurred, the RBA Recommended Fallback Rate; and

- (5) where AONIA is the Applicable Benchmark Rate or a determination of the AONIA Rate is required for the purposes of paragraph (4)(a) above, if a Permanent Discontinuation Trigger has occurred with respect to AONIA, the rate for any day for which AONIA is required on or after the AONIA Permanent Fallback Effective Date will be the first rate available in the following order of precedence:

- (a) first, if at the time of the AONIA Permanent Fallback Effective Date, an RBA Recommended Rate has been created but no RBA Recommended Rate Permanent Fallback Effective Date has occurred, the RBA Recommended Rate; and

- (6) where a determination of the RBA Recommended Rate is required for the purposes of paragraph (4) or (5) above, respectively, if a Permanent Discontinuation Trigger has occurred with respect to the RBA Recommended Rate, the rate for any day for which the RBA Recommended Rate is required on or after that Permanent Fallback Effective Date will be the Final Fallback Rate.

When calculating an amount of interest in circumstances where a Fallback Rate other than the Final Fallback Rate applies, that interest will be calculated as if references to the BBSW Rate or AONIA Rate (as applicable) were references to that Fallback Rate. When calculating interest in circumstances where the Final Fallback Rate applies, the amount of interest will be calculated on the same basis as if the Applicable Benchmark Rate in effect immediately prior to the application of that Final Fallback Rate remained in effect but with necessary adjustments to substitute all references to that Applicable Benchmark Rate with corresponding references to the Final Fallback Rate.

If at any time a Permanent Discontinuation Trigger occurs with respect to an Applicable Benchmark Rate, the Issuer will have the right to make A\$ Benchmark Amendments from time to time. Notwithstanding any other provision of this Condition 4(b)(ii)(I), the Calculation Agent, the Principal Paying Agent and/or each other party to an applicable agreement shall not be obliged to concur in respect of any A\$ Benchmark Amendments if in their sole opinion doing so would impose more onerous obligations on them or expose them to any additional duties, responsibilities or liabilities or reduce or amend their rights and/or the protective provisions afforded to them in these Conditions or in any other document to which they are a party in any way. For the avoidance of doubt, no consent of the Covered Bondholders of the relevant Series shall be required in connection with effecting the A\$ Benchmark Amendments or such other changes, including for the execution of any documents or the taking of other steps by the Issuer or any of the parties to the Principal Agency Agreement (if required).

As used in this Condition:

For the avoidance of doubt, no consent of the Covered Bondholders of the relevant Series shall be required in connection with effecting the A\$ Benchmark Amendments or such other changes, including for the execution of any documents or the taking of other steps by the Issuer or any of the parties to the Principal Agency Agreement (if required).

"Adjustment Spread" means the adjustment spread as at the Adjustment Spread Fixing Date (which may be a positive or negative value or zero and determined pursuant to a formula or methodology) that is:

- (a) determined as the median of the historical differences between the BBSW Rate and AONIA over a five calendar year period prior to the Adjustment Spread Fixing Date using practices based on those used for the determination of the Bloomberg Adjustment Spread as at 23 May 2023, provided that for so long as the Bloomberg Adjustment Spread is published and determined based on the five year median of the historical differences between the BBSW Rate and AONIA, that adjustment spread will be deemed to be acceptable for the purposes of this paragraph (a); or
- (b) no such median can be determined in accordance with paragraph (a), set using the method for calculating or determining such adjustment spread determined by the Calculation Agent (after consultation with the Issuer where practicable) to be appropriate.

- (iii) *Business Day Convention*: If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then that date will be adjusted in accordance with the Business Day Convention specified in the applicable Final Terms.

(c) ***Zero Coupon Covered Bonds***

Where a Covered Bond, the Interest Basis of which is specified in the applicable Final Terms to be Zero Coupon (a "**Zero Coupon Covered Bond**"), is repayable prior to the Final Maturity Date and is not paid when due, the amount due and payable prior to the Final Maturity Date shall be the Early Redemption Amount of such Covered Bond. As from the Final Maturity Date, the Rate of Interest for any overdue principal of such a Covered Bond shall be a rate per annum (expressed as a percentage) equal to the Accrual Yield.

(d) ***Accrual of Interest***

Interest shall cease to accrue on each Covered Bond on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (after, as well as before, judgment) at the Rate of Interest in the manner provided in this Condition 4 to the Relevant Date.

(e) ***Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding***

- (i) If any Margin is specified in the applicable Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 4(b) above, by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph;
- (ii) If any Maximum or Minimum Interest Rate, Instalment Amount or Redemption Amount is specified in the applicable Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be. Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero;
- (iii) Subject to the requirements of applicable law, for the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven decimal places (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(g) ***Determination and Publication of Rate of Interest, Interest Amounts, Final Redemption Amounts and Instalment Amounts***

As soon as practicable after the Relevant Time on each Interest Determination Date or such other time on such date as the Principal Paying Agent may be required to calculate any rate or amount or Instalment Amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Covered Bonds for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date, and if required to be calculated, the Final Redemption Amount,

Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Bond Trustee, the Issuer, each of the Paying Agents, the Covered Bondholders in accordance with Condition 14 (*Notices*), the Registrar, any other Calculation Agent appointed in respect of the Covered Bonds that is to make a further calculation upon receipt of such information and if the Covered Bonds are listed on a stock exchange (and/or admitted to listing, trading and/or quotation on any other listing authority, stock exchange and/or quotation system) and the rules of such listing authority, stock exchange and/or quotation system so require, such listing authority, stock exchange and/or quotation system as soon as possible after their determination but in no event later than (y) the commencement of the relevant Interest Accrual Period, if determined prior to such time in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (z) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Accrual Period is subject to adjustment pursuant to Condition 4(a)(iv) (*Interest on Fixed Rate Covered Bonds*) or 4(b)(ii) (*Interest on Floating Rate Covered Bonds*), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Accrual Period. If the Calculation Amount is less than the minimum Specified Denomination, the Principal Paying Agent shall not be obligated to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Covered Bond having the minimum Specified Denomination. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Principal Paying Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(h) ***Reference Banks***

The Issuer shall procure that there shall at all times be four Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre if provision is made for them in the applicable Final Terms and for so long as any Covered Bond is outstanding (as defined in the Definitions Schedule). If any Reference Bank (acting through its relevant offices) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place.

(i) ***Benchmark Replacement***

This Condition 4(i) (*Benchmark Replacement*) applies where the relevant Reference Rate specified in the applicable Final Terms is a rate other than SOFR (Non-Index Determination) or SOFR (Index Determination) and does not apply in respect of BBSW Covered Bonds. Notwithstanding the provisions above in Conditions 4(b)(ii)(B), (b)(ii)(C), (b)(ii)(D), (b)(ii)(G), (b)(ii)(H), (b)(ii)(G), 4(f) and 4(g), if the Issuer (in consultation with the person specified in the applicable Final Terms as the party responsible for calculating the Rate of Interest) determines that a Benchmark Disruption Event has occurred when any Rate of Interest (or the relevant component part thereof) remains to be determined by reference to such Reference Rate affected by the Benchmark Disruption Event, then the following provisions shall apply:

(i) ***Independent Adviser***

The Issuer shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, with a view to the Independent Adviser determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4(i)(ii)) and, in either case, an Adjustment Spread if any (in accordance with Condition 4(i)(iv)) and any Benchmark Amendments (in accordance with Condition 4(i)(v)).

(ii) ***Successor Rate or Alternative Rate***

If the Independent Adviser, following consultation with the Issuer and acting in good faith and in a commercially reasonable manner, determines, no later than the IA Determination Cut-off Date that: (A) there is a Successor Rate, then it shall notify the Calculation Agent and the Calculation Agent shall use such Successor Rate (subject to adjustment as provided in Condition 4(i)(iv)) in place of the Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Covered Bonds (subject to the subsequent operation of this Condition 4(i)); or (B) there is no Successor Rate but that there is an Alternative Rate, then it shall notify the Calculation Agent and the Calculation Agent shall use such Alternative Rate (subject to adjustment as provided in Condition 4(i)(iv)) in place of the Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Covered Bonds (subject to the subsequent operation of this Condition 4(i)).

(iii) ***Issuer Determination***

If the Issuer is unable to appoint an Independent Adviser, or if the Independent Adviser appointed by it fails to determine a Successor Rate or Alternative Rate prior to the IA Determination Cut-off Date, then, if it elects to do so, the Issuer (acting in good faith and in a commercially reasonable manner) may determine a Successor Rate or Alternative Rate for the purposes of Condition 4(i)(ii);

(iv) ***Adjustment Spread***

If the Independent Adviser, following consultation with the Issuer (or the Issuer as the case may be) and acting in good faith and in a commercially reasonable manner, determines (i) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then the Independent Adviser (or the Issuer as the case may be) shall notify the Calculation Agent of such Adjustment Spread and the Calculation Agent shall apply it to the Successor Rate or the Alternative Rate (as the case may be).

(v) ***Benchmark Amendments***

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4(i) and the Independent Adviser, following consultation with the Issuer (or the Issuer as the case may be), acting in good faith and in a commercially reasonable manner, determines (i) that amendments to these Conditions and/or any other agreement or document relating to the Covered Bonds are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the "**Benchmark Amendments**") and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4(i)(vi), without any requirement for the consent or approval of Covered Bondholders, at the Issuer's expense, vary these Conditions and/or any other agreement or document relating to the Covered Bonds as is necessary to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the written request of the Issuer, but subject to receipt by the Bond Trustee of a certificate signed by an Authorised Signatory of the Issuer pursuant to Condition 4(i)(vii), the Bond Trustee shall (at the expense of the Issuer), without any requirement for the consent or approval of the Covered Bondholders, be obliged to concur with the Issuer in effecting any Benchmark Amendments (including, inter alia, by the execution of a deed supplemental to or amending the Bond Trust Deed), provided that the Bond Trustee shall not be obliged so to concur if in the opinion of the Bond Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or

liabilities or reduce or amend the protective provisions afforded to the Bond Trustee in these Conditions or the Bond Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

Notwithstanding any other provision of this Condition 4(i), the Calculation Agent, the Principal Paying Agent and/or each other party to an applicable agreement shall not be obliged to concur in respect of any Benchmark Amendments if in their sole opinion doing so would (i) (in the case of the Bond Trustee) expose it to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction, or (ii) impose more onerous obligations on them or expose them to any additional duties, responsibilities or liabilities or reduce or amend their rights and/or the protective provisions afforded to them in these Conditions or in any other document to which they are a party in any way. For the avoidance of doubt, no consent of the Covered Bondholders of the relevant Series shall be required in connection with effecting the Benchmark Amendments or such other changes, including for the execution of any documents or the taking of other steps by the Issuer or any of the parties to the Principal Agency Agreement (if required). In connection with any such variation in accordance with this Condition 4(i)(v), the Issuer shall comply with the rules of any stock exchange on which the Covered Bonds are for the time being listed or admitted to trading.

(vi) *Notices, etc.*

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4(i) will be notified promptly, and in any event not later than the fifth Business Day prior to the Interest Determination Date by the Issuer to the Principal Paying Agent, the Calculation Agent, and each other party to the Principal Agency Agreement and the Covered Bondholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any, and will be binding on the Issuer, the Fiscal Agent, the Calculation Agent and each other party to the Agency Agreement and the Covered Bondholders.

No later than notifying the Covered Bondholders of the same, the Issuer shall deliver to the Bond Trustee, the Calculation Agent and the Paying Agents a certificate signed by an Authorised Signatory of the Issuer:

- (A) confirming (I) that a Benchmark Disruption Event has occurred, (II) the Successor Rate or, as the case may be, the Alternative Rate, (III) the applicable Adjustment Spread and (IV) the specific terms of the Benchmark Amendments (if any), in each case as determined in accordance with the provisions of this Condition 4(i); and
- (B) certifying that the Benchmark Amendments (if any) are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread.

Each of the Bond Trustee, the Calculation Agent and the Paying Agents shall be entitled to accept without verification or investigation and to rely conclusively on such certificate (without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) and without prejudice to the Bond Trustee's or the Calculation Agent's or the Paying Agents' ability to rely on such certificate as aforesaid) be binding on the Issuer, the Bond Trustee, the Calculation Agent, the Paying Agents and the Covered Bondholders. The Bond Trustee shall be protected and shall have no liability to any Covered Bondholder, the Issuer, the Covered Bond Guarantor or any other person for so accepting and relying on any such certificate and/or opinion.

Notwithstanding any other provision of this Condition 4(i), if in the Calculation Agent's opinion there is any uncertainty between two or more alternative courses of action in making any determination or calculation under this Condition 4(i), the Calculation Agent shall promptly notify the Issuer thereof and the Issuer shall direct the Calculation Agent in writing as to which alternative course of action to adopt. If the Calculation Agent is not promptly provided with such direction, or is otherwise unable (other than due to its own gross negligence, wilful default or fraud) to make such calculation or determination for any reason, it shall notify the Issuer thereof and the Calculation Agent shall be under no obligation to make such calculation or determination and (in the absence of such gross negligence, wilful default or fraud) shall not incur any liability to any person for not doing so.

(vii) ***Survival of Reference Rate***

Without prejudice to the provisions of this Condition 4(i), the Reference Rate and the fallback provisions provided for in Condition 4(b)(iii)(B) will continue to apply unless and until the Calculation Agent has been notified of the Successor Rate or the Alternative Rate (as the case may be), and any Adjustment Spread and Benchmark Amendments, in accordance with Condition 4(i)(v).

For the avoidance of doubt and notwithstanding any other provision of this Condition 4(i), in determining any Adjustment Spread or other relevant methodology for the purposes of Condition 4(i)(iii), the Issuer shall not and shall not be obliged to apply and may discount any Adjustment Spread or methodology the application of which may constitute it an administrator for the purposes of Regulation (EU) 2016/1011 or Regulation (EU) 2016/1011 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018, as amended.

For the purposes of this Condition 4(i) (*Benchmark Replacement*):

"**Adjustment Spread**" means either a spread (which may be positive or negative), or the formula or methodology for calculating a spread, in either case, which the Independent Adviser, following consultation with the Issuer (or the Issuer as the case may be) and acting in good faith and in a commercially reasonable manner, determines is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Covered Bondholders as a result of the replacement of the Reference Rate with the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Reference Rate with the Successor Rate by any Relevant Nominating Body; or (if no such recommendation has been made, or in the case of an Alternative Rate);
- (ii) the Independent Adviser, following consultation with the Issuer (or the Issuer as the case may be), acting in good faith and in a commercially reasonable manner, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions or is in customary market usage in the debt capital market for transactions which reference the Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be) (or if the Independent Adviser (or the Issuer as the case may be) determines that no such industry standard is recognised or acknowledged); or
- (iii) the Independent Adviser, following consultation with the Issuer (or the Issuer as the case may be), in its discretion, and acting in good faith and in a commercially reasonable manner, determines to be appropriate.

"Alternative Rate" means an alternative benchmark or screen rate which the Independent Adviser (or the Issuer as the case may be) determines in accordance with Condition 4(i)(ii) has replaced the Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for the same interest period and in the same Specified Currency as the Covered Bonds.

"Benchmark Amendments" has the meaning given to it in Condition 4(i)(v).

"IA Determination Cut-Off Date" means no later than five Business Days prior to the relevant Interest Determination Date relating to the next relevant Interest Period.

- (i) the relevant Reference Rate specified in the relevant Final Terms has ceased to be published on the Relevant Screen Page as a result of such benchmark ceasing to be calculated or administered; or
- (ii) the Issuer determines after consulting with the Independent Adviser (if so appointed) that, a change in the generally accepted market practice in the international debt capital markets to refer to a Reference Rate is endorsed in a public statement by a Relevant Nominating Body, despite the continued existence of the applicable Reference Rate,

provided that, the occurrence of a Benchmark Disruption Event shall be determined by the Issuer and promptly notified to the Bond Trustee, the Calculation Agent and the Paying Agents. For the avoidance of doubt, none of the Bond Trustee, the Calculation Agent or the Paying Agents shall have any responsibility or liability for making such determination and shall have no obligation to monitor whether any Benchmark Disruption Event has occurred.

"Reference Rate" means the originally-specified benchmark or screen rate (as applicable) used to determine the Rate of Interest (or any component part thereof) on the Covered Bonds or any Successor Rate or Alternative Rate which has been determined in relation to such benchmark or screen rate (as applicable) pursuant to the operation of this Condition.

"Relevant Nominating Body" means, in respect of a Reference Rate:

- (i) the central bank for the currency to which the Reference Rate relates, or any central bank or other supervisory authority which is responsible for administering or supervising the administrator of the Reference Rate;
- (ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank for the currency to which the Reference Rate relates, (b) any central bank or other supervisory authority which is responsible for administering or supervising the administrator of the Reference Rate, (c) a group of the aforementioned central banks or other supervisory authorities, or (d) the Financial Stability Board or any part thereof; or

"**Successor Rate**" means a successor to or replacement of the Reference Rate which is formally recommended by any Relevant Nominating Body.

(i) **Benchmark Replacement**

If the Issuer or its designee determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the Benchmark on any date, the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Covered Bonds in respect of such determination on such date and all determinations on all subsequent dates.

(ii) **Benchmark Replacement Conforming Changes**

In connection with the implementation of a Benchmark Replacement, the Issuer or its designee will have the right to make Benchmark Replacement Conforming Changes from time to time.

(iii) **Decisions and Determinations**

Any determination, decision or election that may be made by the Issuer or its designee pursuant to this Condition 4(j) (*Effect of Benchmark Transition Event*), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, (x) will be conclusive and binding absent manifest error, (y) will be made in the Issuer or its designee's sole discretion, and, (z) notwithstanding anything to the contrary in the in these Conditions or any other documentation relating to the Covered Bonds, shall become effective without consent from the Covered Bondholders or any other party.

For the avoidance of doubt and notwithstanding any other provision of this Condition 4(j), in determining any Benchmark Replacement, Benchmark Replacement Conforming Changes or Benchmark Replacement Adjustment or for the purposes of making any other determination for the purposes of this Condition, the Issuer shall not and shall not be obliged to apply and may discount any factor or methodology the application of which may constitute it an administrator for the purposes of Regulation (EU) 2016/1011 or Regulation (EU) 2016/1011 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018, as amended.

For the purposes of this Condition 4(j) (*Effect of Benchmark Transition Event*):

"**Benchmark**" means, initially, the relevant Reference Rate specified in the applicable Final Terms where such Reference Rate is specified to be SOFR (Index Determination) or SOFR (Non-Index Determination); provided that if the Issuer or its designee determines on or prior to the Reference Time that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to SOFR (Index Determination) or SOFR (Non-Index Determination) (or the published daily SOFR or SOFR Index used in the calculation thereof), as applicable, or the then-current Benchmark, then "Benchmark" means the applicable Benchmark Replacement.

"Benchmark Replacement" means the first alternative set forth in the order below that can be determined by the Issuer or its designee as of the Benchmark Replacement Date:

- (i) the sum of: (a) the alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark for the applicable Corresponding Tenor and (b) the Benchmark Replacement Adjustment;
- (ii) the sum of: (a) the ISDA Fallback Rate and (b) the Benchmark Replacement Adjustment; or
- (iii) the sum of: (a) the alternate rate of interest that has been selected by the Issuer or its designee as the replacement for the then-current Benchmark (for the applicable Corresponding Tenor, if any) giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for U.S. dollar-denominated floating rate covered bonds at such time and (b) the Benchmark Replacement Adjustment.

"Benchmark Replacement Adjustment" means the first alternative set forth in the order below that can be determined by the Issuer or its designee as of the Benchmark Replacement Date:

"Benchmark Replacement Conforming Changes" means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of "Interest Period," timing and frequency of determining rates and making payments of interest, changes to the definition of "Corresponding Tenor" (defined below) solely when such tenor is longer than the Interest Period and other administrative matters) that the Issuer or its designee decides may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Issuer or its designee decides that adoption of any portion of such market practice is not administratively feasible or if the Issuer or its designee determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Issuer or its designee determines is reasonably necessary).

"Benchmark Replacement Date" means the earliest to occur of the following events with respect to the then-current Benchmark (including the daily published component used in the calculation thereof):

For the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination.

"Benchmark Transition Event" means the occurrence of one or more of the following events with respect to the then-current Benchmark (including the daily published component used in the calculation thereof):

- (i) a public statement or publication of information by or on behalf of the administrator of the Benchmark (or such component) announcing that such administrator has ceased or will cease to provide the Benchmark (or such component), permanently or indefinitely, *provided* that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component);

(c) ***Redemption at the option of the Issuer (Issuer Call)***

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having (unless otherwise specified, in the applicable Final Terms) given not less than 30 nor more than 60 days' notice to the Bond Trustee, the Principal Paying Agent, (in the case of the redemption of Registered

Covered Bonds) the relevant Registrar and, in accordance with Condition 14 (*Notices*), the Covered Bondholders (which notice shall be irrevocable) redeem all or some only (as specified in the applicable Final Terms) of the Covered Bonds then outstanding on any Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if applicable, with interest accrued to (but excluding) the relevant Optional Redemption Date(s). Upon expiry of such notice, the Issuer shall be bound to redeem the Covered Bonds accordingly. In the event of a redemption of only some of the Covered Bonds, such redemption must be for an amount being the Minimum Redemption Amount or a Maximum Redemption Amount. In the case of a partial redemption of Covered Bonds, the Covered Bonds to be redeemed (the "**Redeemed Covered Bonds**") will be selected:

- (i) individually by lot, in the case of Redeemed Covered Bonds represented by Definitive Covered Bonds;
- (ii) in accordance with the rules of Euroclear and Clearstream, Austraclear and/or DTC (to be reflected in the records of Euroclear and Clearstream, Austraclear and/or DTC as either a pool factor or a reduction in nominal amount, at their discretion) (or any alternative or additional clearing system as may be specified in the Final Terms), in the case of Redeemed Covered Bonds represented by a Global Covered Bond, and
- (iii) as determined by the Issuer in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices and subject to compliance with all applicable laws, in the case of Redeemed Covered Bonds represented by Australian Registered Covered Bonds,

in each case, not more than 60 days prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**").

In the case of Redeemed Covered Bonds represented by Definitive Covered Bonds, a list of the serial numbers of such Redeemed Covered Bonds will be published in accordance with Condition 14 (*Notices*) not less than 30 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Covered Bonds represented by Definitive Covered Bonds shall bear the same proportion to the aggregate nominal amount of all Redeemed Covered Bonds as the aggregate nominal amount of Definitive Covered Bonds outstanding bears to the aggregate nominal amount of the Covered Bonds outstanding, in each case on the Selection Dates, provided that such first mentioned nominal amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination, and the aggregate nominal amount of Redeemed Covered Bonds represented by a Global Covered Bond shall be equal to the balance of the Redeemed Covered Bonds. No exchange of the relevant Global Covered Bond will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 5(c) and notice to that effect shall be given by the Issuer to the Covered Bondholders in accordance with Condition 14 (*Notices*) at least 30 days prior to the Selection Date.

(d) ***Redemption at the option of the Covered Bondholders***

If Put Option is specified in the applicable Final Terms, upon the holder of any Covered Bond giving the Issuer not less than 30 nor more than 60 days' written notice the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, such Covered Bond on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of a Covered Bond the holder thereof must, if the Covered Bond is in definitive form and held outside Euroclear and Clearstream, or Austraclear, deliver, at the specified office of either (i) in the case of Australian Registered Covered Bonds,

the Australian Paying Agent, or (ii) in any other case, any Paying Agent other than the Australian Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of the relevant Paying Agent (a "**Put Notice**") and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition 5(d) accompanied by the Covered Bond. If the Covered Bond is represented by a Global Covered Bond held through Euroclear or Clearstream or Austraclear to exercise the right to require redemption of the Covered Bond the holder of the Covered Bond must, within the notice period, give notice to the Principal Paying Agent of such exercise in accordance with the standard procedures of Euroclear or Clearstream or Austraclear, (which may include notice being given on his instruction by Euroclear or Clearstream or Austraclear or any common depository or common safekeeper, as the case may be, for them to the Principal Paying Agent by electronic means) in a form acceptable to Euroclear or Clearstream or Austraclear from time to time and if the Covered Bond is represented by a Bearer Global Covered Bond, at the same time present or procure the presentation of the relevant Bearer Global Covered Bond to the Principal Paying Agent for notation accordingly.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream or Austraclear, given by a holder of any Covered Bond pursuant to this Condition 5(d) shall be irrevocable except where, prior to the due date of redemption, an Issuer Event of Default or a Covered Bond Guarantor Event of Default has occurred and is continuing and the Bond Trustee has declared the Covered Bonds to be due and payable pursuant to Condition 9 (*Events of Default and Enforcement*), in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this Condition 5(d) and instead request or direct the Bond Trustee to declare such Covered Bond forthwith due and payable pursuant to Condition 9 (*Events of Default and Enforcement*).

(e) ***Redemption due to illegality***

The Covered Bonds of all Series may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Bond Trustee, the Principal Paying Agent, the Australian Paying Agent, the Registrars and, in accordance with Condition 14 (*Notices*), all the Covered Bondholders (which notice shall be irrevocable), if the Issuer satisfies the Bond Trustee immediately before the giving of such notice that it has, or will before the next Interest Payment Date of any Covered Bond of any Series, become unlawful for the Intercompany Loan Provider and/or the Demand Loan Provider to make, fund or allow to remain outstanding any Term Advance and/or the Demand Loan (or, in either case, any part thereof) made by the Intercompany Loan Provider or the Demand Loan Provider, as the case may be to the Covered Bond Guarantor pursuant to the Intercompany Loan Agreement or the Demand Loan Agreement, as the case may be, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

Covered Bonds redeemed pursuant to this Condition 5(e) will be redeemed at their Early Redemption Amount referred to in Condition 5(f) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

Prior to the publication of any notice of redemption pursuant to this Condition 5(e), the Issuer shall deliver to the Bond Trustee a certificate signed by an Authorised Officer of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Bond Trustee shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on all holders of the Covered Bonds.

(f) **Early Redemption Amounts**

For the purpose of Conditions 5(b) (*Redemption for taxation reasons*) and 5(e) (*Redemption due to illegality*) above and Condition 9 (*Events of Default and Enforcement*) below, each Covered Bond will be redeemed at its Early Redemption Amount calculated as follows:

- (i) in the case of a Covered Bond with a Final Redemption Amount equal to the Issue Price (expressed as an amount per Calculation Amount), at the Final Redemption Amount thereof;
- (ii) in the case of a Covered Bond (other than a Zero Coupon Covered Bond but including an Instalment Covered Bond) with a Final Redemption Amount which is or may be less or greater than the Issue Price (expressed as an amount per Calculation Amount) or which is payable in a Specified Currency other than that in which the Covered Bond is denominated, at the amount specified in the applicable Final Terms or, if no such amount is so specified in the applicable Final Terms, at its nominal amount; or
- (iii) in the case of a Zero Coupon Covered Bond, at an amount (the Amortised Face Amount) equal to the sum of:
 - (A) the Issue Price; and
 - (B) the product of the Accrual Yield (compounded annually) being applied to the Issue Price from (and including) the Issue Date of the first Tranche of the Covered Bonds to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Covered Bond becomes due and repayable.

Where such calculation is to be made for a period which is not a whole number of years, it shall be made (i) in the case of a Zero Coupon Covered Bond payable in a Specified Currency other than euro, on the basis of a 360-day year consisting of 12 months of 30 days each or (ii) in the case of a Zero Coupon Covered Bond payable in euro, on the basis of the actual number of days elapsed divided by 365 (or, if any of the days elapsed falls in a leap year, the sum of (x) the number of those days falling in a leap year divided by 366 and (y) the number of those days falling in a non-leap year divided by 365).

(g) **Instalments**

Instalment Covered Bonds will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to Condition 5(f) above.

(h) **Purchases**

The Issuer is taken to represent as at the date of issue of this Covered Bond, that it does not know, or have any reasonable grounds to suspect, that this Covered Bond or any interest in this Covered Bond is being or will later be, acquired either directly or indirectly by an Offshore Associate of the Issuer (acting other than in the capacity of a dealer, manager or underwriter in relation to the placement of this Covered Bond or a clearing house, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Australian Corporations Act).

"Offshore Associate" means an associate (as defined in section 128F of the Australian Tax Act) of the Issuer that is either a non-resident of the Commonwealth of Australia which does not acquire the Covered Bonds in carrying on a business at or through a permanent establishment in Australia or, alternatively, a resident of Australia that acquires the Covered Bonds in carrying on business at or through a permanent establishment outside of Australia.

The Issuer or any of its subsidiaries or the Covered Bond Guarantor (acting at the direction of the Trust Manager) may, to the extent permitted by applicable laws and regulations, at any time purchase or otherwise acquire Covered Bonds (provided that, in the case of Bearer Definitive Covered Bonds, all unmatured Receipts, Coupons and Talons appertaining thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price and in any manner. If purchases are made by tender, tenders must be available to all the Covered Bondholders alike. Such Covered Bonds may be held, reissued, resold or, at the option of the Issuer or the relevant subsidiary, surrendered to the relevant Registrar and/or either (i) in the case of Australian Registered Covered Bonds, to the Australian Paying Agent, or (ii) in any other case, to any Paying Agent other than the Australian Paying Agent, for cancellation (except that any Covered Bonds purchased or otherwise acquired by the Covered Bond Guarantor must immediately be surrendered to the relevant Registrar and/or either (i) in the case of Australian Registered Covered Bonds, to the Australian Paying Agent, or (ii) in any other case, to any Paying Agent for cancellation).

(i) ***Cancellation***

All Covered Bonds which are redeemed, all Global Covered Bonds which are exchanged in full, all Registered Covered Bonds which have been transferred, all Receipts and Coupons which are paid and all Talons which are exchanged shall be cancelled (together with, in the case of Bearer Definitive Covered Bonds, all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption) by the Agent by whom they are redeemed, exchanged, transferred or paid. All Covered Bonds so cancelled and any Covered Bonds purchased and surrendered for cancellation pursuant to Condition 5(h) above and cancelled (together with, in the case of Bearer Definitive Covered Bonds, all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Principal Paying Agent or as the Principal Paying Agent may specify and cannot be held, reissued or resold.

(j) ***Late payment on Zero Coupon Covered Bonds***

If the amount payable in respect of any Zero Coupon Covered Bond upon redemption of such Zero Coupon Covered Bond pursuant to Condition 5(a), (b), (c), (d) or (e) above or upon its becoming due and repayable as provided in Condition 9 (*Events of Default and Enforcement*) is improperly withheld or refused or default is otherwise made in the payment thereof, the amount due and repayable in respect of such Zero Coupon Covered Bond shall be the amount calculated as provided in Condition 5(f)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Covered Bond becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Covered Bond have been paid; and
- (ii) the date on which the full amount of the monies payable in respect of such Zero Coupon Covered Bonds has been received by the Principal Paying Agent or the Bond Trustee or the relevant Registrar and notice to that effect has been given to the Covered Bondholders either in accordance with Condition 14 (*Notices*) or individually.

6. **Payments**

(a) ***Method of payment***

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or electronic transfer to an account in the relevant Specified Currency maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the

Specified Currency is Australian dollars or New Zealand dollars, shall be (i) Sydney or (ii) Auckland and Wellington, respectively); and

- (ii) payments in euro will be made by credit or electronic transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.
- (b) Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment but without prejudice to the provisions of Condition 7 (*Taxation*). For the avoidance of doubt, any amounts to be paid on the Covered Bonds will be paid net of any deduction or withholding imposed or required pursuant to FATCA and no additional amounts will be required to be paid on account of any such deduction or withholding. References to Specified Currency will include any successor currency under applicable law.
- (c) ***Presentation of Bearer Definitive Covered Bonds, Receipts and Coupons***

Payments of principal and interest (if any) in respect of Bearer Definitive Covered Bonds will (subject as provided below) be made in the manner provided in Condition 6(a) (*Method of payment*) above only against presentation and surrender of Bearer Definitive Covered Bonds or Coupons, as the case may be, at any specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments (if any) of principal in respect of Bearer Definitive Covered Bonds other than the final instalment, will (subject as provided below) be made in the manner provided in Condition 6(a) (*Method of payment*) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in Condition 6(a) (*Method of payment*) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Bearer Covered Bond in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Bearer Definitive Covered Bond to which it appertains. If any Bearer Definitive Covered Bond is redeemed or becomes repayable prior to the stated maturity thereof, principal will be payable only on surrender of such Bearer Definitive Covered Bond together with all unmatured Receipts appertaining thereto. Receipts presented without the Bearer Definitive Covered Bond to which they appertain and unmatured Receipts do not constitute valid obligations of the Issuer or the Covered Bond Guarantor. Upon the date on which any Bearer Definitive Covered Bond becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Covered Bonds in definitive bearer form (other than Long Maturity Covered Bonds) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall include Coupons falling to be issued on exchange of matured Talons), failing which an amount equal to the face value of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the total amount due) will be deducted from the amount due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7 (*Taxation*)) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8 (*Prescription*)) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon amounts in respect of any Fixed Rate Covered Bond in definitive bearer form becoming due and repayable by the Issuer (in the absence of a Notice to Pay) or the Covered Bond Guarantor under the Covered Bond Guarantee prior to its Final Maturity Date (or, as the case may be, Extended Due for Payment Date), all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the due date for redemption of any Floating Rate Covered Bond or Long Maturity Covered Bond in definitive bearer form, all unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A "**Long Maturity Covered Bond**" is a Fixed Rate Covered Bond (other than a Fixed Rate Covered Bond which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Covered Bond shall cease to be a Long Maturity Covered Bond on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the Principal Amount Outstanding of such Covered Bond. If the date for redemption of any Bearer Definitive Covered Bond is not an Interest Payment Date, interest (if any) accrued in respect of such Covered Bond from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Bearer Definitive Covered Bond.

(d) ***Payments in respect of Bearer Global Covered Bonds***

Payments of principal and interest (if any) in respect of Covered Bonds represented by any Bearer Global Covered Bond will (subject as provided below) be made in the manner specified above in relation to Bearer Definitive Covered Bonds and otherwise in the manner specified in the relevant Global Covered Bond (against presentation or surrender, as the case may be, of such Bearer Global Covered Bond if the Bearer Global Covered Bond is not intended to be issued in NGCB form at the specified office of any Paying Agent outside the United States). On the occasion of each payment, (i) in the case of any Bearer Global Covered Bond which is not issued in NGCB form, a record of such payment made on such Bearer Global Covered Bond, distinguishing between any payment of principal and any payment of interest, will be made on such Bearer Global Covered Bond by the Paying Agent and such record shall be *prima facie* evidence that the payment in question has been made and (ii) in the case of any Bearer Global Covered Bond which is issued in NGCB form, the Paying Agent shall instruct Euroclear and Clearstream to make appropriate entries in their records to reflect such payment.

(e) ***Payments in respect of Registered Covered Bonds (other than Australian Registered Covered Bonds)***

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Covered Bond (whether or not in global form) other than each Australian Registered Covered Bond will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Covered Bond at the specified office of the relevant Registrar or any of the Paying Agents (other than the Australian Paying Agent). Such payments will be made by electronic transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Covered Bond appearing in the register of holders of the Registered Covered Bonds maintained by the Registrar (the "**Register**") at the close of business on the third Business Day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. Notwithstanding the previous sentence, if (i) a holder does not have a Designated Account or (ii) the principal amount of the Covered Bonds held by a holder is less than US\$250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, "**Designated Account**" means the account maintained by a holder with a Designated Bank and identified as such in the Register and "**Designated Bank**" means (in the case of payment in a Specified Currency other than euro)

a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland and Wellington, respectively) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Covered Bond (whether or not in global form) other than each Australian Registered Covered Bond will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the Business Day in the city where the specified office of the relevant Registrar is located on the relevant due date to the holder (or the first named of joint holders) of the Registered Covered Bond appearing in the Register:

- (i) where the Registered Covered Bond is in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream are open for business) before the relevant due date; and
- (ii) where in definitive form, at the close of business on the 15th day (whether or not such 15th day is a Business Day) before the relevant due date,

(in either case, the "**Record Date**" in relation to such Covered Bonds) at the holder's address shown in the Register on the Record Date and at the holder's risk. Upon application of the holder to the specified office of the relevant Registrar not less than three Business Days in the city where the specified office of the relevant Registrar is located before the due date for any payment of interest in respect of a Registered Covered Bond, the payment may be made by electronic transfer on the due date in the manner provided in the preceding paragraph. Any such application for electronic transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Covered Bonds which become payable to the holder who has made the initial application until such time as the relevant Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Covered Bond on redemption and the final instalment of principal will be made in the same manner as payment of the principal in respect of such Registered Covered Bond.

(f) ***Payments in respect of Australian Registered Covered Bonds***

Payments of interest and principal (other than instalments of principal prior to the final instalment) in respect of each Australian Registered Covered Bond (whether or not in global form) will be made in Australian Dollars by the Australian Paying Agent on behalf of the Issuer to the persons registered at the close of business on the relevant Record Date (as defined below) as follows:

- (i) if the Australian Registered Covered Bond is in Austraclear, by crediting on the relevant due date the amount then due to the account (held with a bank in Australia) of Austraclear in accordance with the Austraclear Regulations;
- (ii) if the Australian Registered Covered Bond is not in Austraclear, by crediting on the relevant due date the amount then due to an account (held with a bank in Australia) previously notified in writing by the holder of the Australian Registered Covered Bond to the Issuer and the Australian Paying Agent; and
- (iii) if a holder has not notified the Issuer and the Australian Paying Agent of an account to which payments to it must be made by the close of business on the applicable Record Date, by cheque drawn on an Australian bank dispatched by post on the relevant payment date, at the risk of the holder, to the holder (or, in the case of joint holders, to the first named) at its address appearing in the Australian Register at the close of business on the Record Date or in any other manner in Australia which the Australian Paying Agent and the holder agree.

In the case of payments made by electronic transfer, payments will for all purposes be taken to be made when the Australian Paying Agent gives irrevocable instructions for the making of the relevant payment by electronic transfer, being instructions which would be reasonably expected to result, in the ordinary course of banking business, in the funds transferred reaching the account of the Covered Bondholder and in the case of accounts maintained in Australia, reaching the account on the same day as the day on which the instructions are given.

For the purposes of this Condition, "**Record Date**" means:

- (A) in the case of payments of principal, 10.00 a.m. (Sydney) on the due date of the relevant payment of principal; and
- (B) in the case of payments of interest, close of business of the eighth calendar day before the due date for the relevant payment of interest.

(g) ***General provisions applicable to payments***

Where payments in respect of a Registered Covered Bond are to be made by cheque, holders of Registered Covered Bonds will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Covered Bond as a result of a cheque posted in accordance with these Conditions arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the relevant Registrar in respect of any payments of principal or interest in respect of the Registered Covered Bonds.

All amounts payable to DTC or its nominee as registered holder of a Registered Global Covered Bond in respect of Covered Bonds denominated in a Specified Currency other than U.S. dollars shall be paid by electronic transfer by the Luxembourg Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for conversion into and payment in U.S. dollars in accordance with the provisions of the Principal Agency Agreement.

None of the Issuer, the Covered Bond Guarantor, the Bond Trustee and the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Covered Bonds or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

The holder of a Global Covered Bond (or, as provided in the Bond Trust Deed, the Bond Trustee) shall be the only person entitled to receive payments in respect of Covered Bonds represented by such Global Covered Bond and the Issuer or, as the case may be, the Covered Bond Guarantor will be discharged by payment to, or to the order of, the holder of such Global Covered Bond (or the Bond Trustee, as the case may be) in respect of each amount so paid. Each of the persons shown in the records of Euroclear, Clearstream, Austraclear or DTC, as the case may be, as the beneficial holder of a particular nominal amount of Covered Bonds represented by such Global Covered Bond must look solely to Euroclear, Clearstream, Austraclear or DTC, as the case may be, for his share of each payment so made by the Issuer or the Covered Bond Guarantor to, or to the order of, the holder of such Global Covered Bond (or the Bond Trustee, as the case may be). No person other than the holder of the relevant Global Covered Bond (or, as provided in the Bond Trust Deed, the Bond Trustee) shall have any claim against the Issuer or the Covered Bond Guarantor in respect of any payments due on that Global Covered Bond.

Notwithstanding the foregoing provisions of this Condition, payments of principal and/or interest in U.S. Dollars in respect of the Bearer Covered Bonds will only be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. Dollars at such specified offices outside the United States of the full amount of interest on the Bearer Covered Bonds in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. Dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer and the Covered Bond Guarantor, adverse Tax consequences to the Issuer or the Covered Bond Guarantor.

(h) ***Payment Business Day***

If the date for payment of any amount in respect of any Covered Bond, Receipt or Coupon is not a Payment Business Day (as defined below), the holder thereof shall not be entitled to payment of the relevant amount due until the next following Payment Business Day and shall not be entitled to any interest or other sum in respect of any such delay. In this Condition, "**Payment Business Day**" means any day (other than a Saturday or a Sunday) on which (subject to Condition 8 (*Prescription*)):

- (i) commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) in the case of Covered Bonds in definitive form, the relevant place of presentation; and
 - (B) in the case of Australian Registered Covered Bonds, Sydney; and
 - (C) any Additional Financial Centre specified in the applicable Final Terms; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the Principal Financial Centre of the country of the relevant Specified Currency (if other than the places specified in Condition 6(h)(i) and which if the Specified Currency is Australian dollars shall be Sydney) or (2) in relation to any sum payable in euro, the T2 System is open;
- (iii) in the case of any payment in respect of a Registered Global Covered Bond denominated in a Specified Currency other than U.S. dollars and registered in the name of DTC or its nominee and in respect of which an accountholder of DTC (with an interest in such Registered Global Covered Bond) has elected to receive any part of such payment in U.S. dollars, a day on which commercial banks are not authorised or required by law or regulation to be closed in New York City;
- (iv) in respect any payment in respect of a Covered Bond for which the Reference Rate specified in the applicable Final Terms is SOFR (Index Determination) or SOFR (Non-Index Determination), any weekday that is a U.S. Government Securities Business Day and is not a legal holiday in New York and each (if any) Additional Financial Centre(s) and is not a date on which banking institutions in those cities are authorised or required by law or regulation to be closed.

(i) ***Interpretation of principal and interest***

Any reference in these Conditions to principal in respect of the Covered Bonds shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7 (*Taxation*) or under any undertakings or covenants given in addition thereto, or in substitution therefor, pursuant to the Bond Trust Deed;
- (ii) the Final Redemption Amount of the Covered Bonds;
- (iii) the Early Redemption Amount of the Covered Bonds;
- (iv) the Optional Redemption Amount(s) (if any) of the Covered Bonds;
- (v) in relation to Covered Bonds redeemable in instalments, the Instalment Amounts;
- (vi) in relation to Zero Coupon Covered Bonds, the Amortised Face Amount (as defined in Condition 5(f) (*Early Redemption Amounts*));
- (vii) any premium and any other amounts (other than interest) which may be payable under or in respect of the Covered Bonds;
- (viii) any Excess Proceeds which may be payable by the Bond Trustee under or in respect of the Covered Bonds.

Any reference in these Conditions to interest in respect of the Covered Bonds shall be deemed to include, as applicable, any additional amounts which may be payable by the Issuer with respect to interest under Condition 7 (*Taxation*) or under any undertakings given in addition thereto, or in substitution therefor, pursuant to the Bond Trust Deed.

(j) ***Redenomination***

Where redenomination is specified in the applicable Final Terms as being applicable, the Issuer may, without the consent of the Covered Bondholders, the Receiptholders and the Couponholders, on giving prior written notice to the Bond Trustee, the Security Trustee, the Covered Bond Paying Agent, the Luxembourg Registrar (in the case of Registered Covered Bonds), Euroclear and Clearstream and at least 30 days' prior notice to the Covered Bondholders in accordance with Condition 14 (*Notices*), elect that, with effect from the Redenomination Date specified in the notice, the Covered Bonds shall be redenominated in euro. In relation to any Covered Bonds where the applicable Final Terms provides for a minimum Specified Denomination in the Specified Currency which is equivalent to at least euro 100,000 and which are admitted to trading on a regulated market in the European Economic Area or on the main market of the London Stock Exchange, it shall be a term of any such redenomination that the holder of any Covered Bonds held through Euroclear and/or Clearstream and/or DTC must have credited to its securities account with the relevant clearing system a minimum balance of Covered Bonds of at least euro 100,000. Australian Registered Covered Bonds may not be redenominated.

The election will have effect as follows:

- (i) the Covered Bonds and any Receipts shall be deemed to be redenominated in euro in the denomination of euro 0.01 with a nominal amount for each Covered Bond and Receipt equal to the nominal amount of that Covered Bond or Receipt in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, in consultation with the Principal Paying Agent and the Bond Trustee, that the then market practice in respect of the redenomination in euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify

the Covered Bondholders, the competent listing authority, stock exchange or market (if any) on or by which the Covered Bonds may be listed or admitted to trading and the Paying Agents of such deemed amendments;

- (ii) save to the extent that an Exchange Notice has been given in accordance with paragraph (iv) below, the amount of interest due in respect of the Covered Bonds will be calculated by reference to the aggregate nominal amount of Covered Bonds presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01;
- (iii) if Definitive Covered Bonds are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of euro 100,000 and/or such higher amounts as the Principal Paying Agent may determine and notify to the Covered Bondholders and any remaining amounts less than euro 100,000 shall be redeemed by the Issuer and paid to the Covered Bondholders in euro in accordance with Condition 5 (*Redemption and Purchase*);
- (iv) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Covered Bonds) will become void with effect from the date on which the Issuer gives notice (the "**Exchange Notice**") that replacement euro-denominated Covered Bonds, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Covered Bonds, Receipts and Coupons so issued will also become void on that date although those Covered Bonds, Receipts and Coupons will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Covered Bonds, Receipts and Coupons will be issued in exchange for Covered Bonds, Receipts and Coupons denominated in the Specified Currency in such manner as the Principal Paying Agent may specify and as shall be notified to the Covered Bondholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Covered Bonds;
- (v) after the Redenomination Date, all payments in respect of the Covered Bonds, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Covered Bonds to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque;
- (vi) if the Covered Bonds are Fixed Rate Covered Bonds and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated:
 - (A) in the case of Covered Bonds represented by a Global Covered Bond, by applying the Rate of Interest to the aggregate outstanding nominal amount of the Covered Bonds represented by such Global Covered Bonds; and
 - (B) in the case of Definitive Covered Bonds, by applying the Rate of Interest to the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Covered Bond in definitive form is a multiple of the Calculation Amount, the amount of

interest payable in respect of such Fixed Rate Covered Bond shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding;

- (vii) if the Covered Bonds are Floating Rate Covered Bonds, the applicable Final Terms will specify any relevant changes to the provisions relating to interest; and
- (viii) such other changes shall be made to this Condition (and the Programme Documents) as the Issuer may decide, after consultation with the Principal Paying Agent and the Bond Trustee, and as may be specified in the notice, to conform it to conventions then applicable to instruments denominated in euro.

(k) **Definitions**

In these Conditions, the following expressions have the following meanings:

"Established Rate" means the rate for the conversion of the relevant Specified Currency (including compliance with rules relating to roundings in accordance with applicable European Community regulations) into euro established by the Council of the European Union pursuant to Article 123 of the Treaty.

"euro" means the lawful currency for the time being of the member states of the European Union that adopt the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty.

"Rate of Interest" means the rate of interest payable from time to time in respect of a Series of Covered Bonds, as determined in the applicable Final Terms.

"Redenomination Date" means (in the case of interest bearing Covered Bonds) any date for payment of interest under the Covered Bonds or (in the case of Zero Coupon Covered Bonds) any date, in each case specified by the Issuer in the notice given to the Covered Bondholders pursuant to Condition 6(j) and which falls on or after the date on which the country of the relevant Specified Currency first participates in the third stage of European economic and monetary union.

"Treaty" means the Treaty establishing the European Community, as amended.

7. **Taxation**

Subject as provided below, all payments of principal and interest (if any) in respect of the Covered Bonds, Receipts and Coupons by or on behalf of the Issuer and all payments of Guaranteed Amounts by or on behalf of the Covered Bond Guarantor, as the case may be, will be made without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of any Tax Jurisdiction (together, "**Taxes**") unless such withholding or deduction is required by law. For the avoidance of doubt, any amounts withheld in connection with sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, any current or future regulations or official interpretations thereof, any agreement entered into pursuant to section 1471(b) of the U.S. Internal Revenue Code of 1986, or any intergovernmental agreement between the United States and another jurisdiction facilitating the implementation of such sections of the U.S. Internal Revenue Code of 1986, including any fiscal or regulatory legislation, rules or practices adopted pursuant to any such intergovernmental agreement ("**FATCA**") will be treated as having been withheld as required by law. In that event, the Issuer (but not the Covered Bond Guarantor) will pay such additional amounts as shall be necessary in order that the net amounts received by the Covered Bondholders, Receiptholders or Couponholders after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise

have been receivable in respect of the Covered Bonds, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that the foregoing obligation to pay additional amounts shall not apply with respect to any Covered Bond, Receipt or Coupon:

- (a) presented for payment or held by or on behalf of a holder which is liable to such Taxes, duties, assessments or governmental charges in respect of such Covered Bond, Receipt or Coupon by reason of its having some connection with the jurisdiction of incorporation of the Issuer or, where the Issuer is acting through its branch, the jurisdiction, country or territory in which the branch through which the Issuer is acting, other than the mere holding of such Covered Bond, Receipt or Coupon or the receipt of the relevant payment in respect thereof; or;
- (b) presented for payment or held by or on behalf of a holder who is an Australian resident or a non-resident who is engaged in carrying on business in Australia at or through a permanent establishment of that non-resident in Australia, if that person has not supplied an appropriate tax file number, Australian business number or other exemption details; or
- (c) presented (or in respect of which the Registered Definitive Covered Bond representing it is presented) for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day; or
- (d) in respect of which the holder thereof is an Offshore Associate of the Issuer, (acting other than in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Australian Corporations Act); or
- (e) in respect of which the Taxes have been imposed or levied as a result of the holder of such Covered Bond, Receipt or Coupon being party to or participating in a scheme to avoid such Taxes, being a scheme which the Issuer was neither a party to nor participated in; or
- (f) in respect of Bearer Covered Bonds only, if the holder of such Covered Bond, Receipt or Coupon or any entity which directly or indirectly has an interest in or right in respect of such Covered Bond, Receipt or Coupon is a resident of Australia, or a non-resident who is engaged in carrying on business in Australia at or through a permanent establishment of that non-resident in Australia (the expressions "resident of Australia", "non-resident" and "permanent establishment" having the meanings given to them by the Australian Tax Act) if, and to the extent that, Section 126 of the Australian Tax Act (or any equivalent provisions) requires the Issuer to pay income tax in respect of interest payable on such Covered Bond, Receipt or Coupon and the income tax would not be payable were the holder or such entity not such a resident of Australia or non-resident; or
- (g) where the holder or beneficial owner thereof is able to avoid such deduction or withholding by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority.

For the avoidance of doubt and notwithstanding anything contrary in the Conditions, any amounts to be paid with respect to any Covered Bond, Receipt or Coupon will be paid net of any deduction or withholding imposed or required pursuant to FATCA, and no additional amounts will be required to be paid on account of any such deduction or withholding.

If any payments made by the Covered Bond Guarantor under the Covered Bond Guarantee are or become subject to any withholding or deduction, on account of any taxes, duties or other charges of whatever nature, imposed or levied by or on behalf of

Australia or by any other authority having power to tax, the Covered Bond Guarantor will not be obliged to pay any additional amount as a consequence. For the purposes of the preceding sentence, any deduction or withholding imposed or required pursuant to FATCA shall be deemed a tax imposed by an authority having power to tax.

As used herein:

- (i) "**Tax Jurisdiction**" means Australia and/or, where the Issuer is acting through its branch, the jurisdiction, country or territory in which the branch through which the Issuer is acting is located or, in each case, any political sub-division thereof or by any authority therein or thereof having power to tax;
- (ii) the "**Relevant Date**" means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Bond Trustee or the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Covered Bondholders in accordance with Condition 14 (*Notices*).

8. **Prescription**

The Covered Bonds (whether in bearer or registered form), Receipts and Coupons will become void unless presented for payment within 10 years (in the case of principal) and five years (in the case of interest) in each case from the Relevant Date (as defined in Condition 7 (*Taxation*)) therefor, subject in each case to the provisions of Condition 6 (*Payments*).

There shall not be included in any Coupon sheet issued on exchange of a Talon, any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 6 (*Payments*) or any Talon which would be void pursuant to Condition 6 (*Payments*).

9. **Events of Default and Enforcement**

(a) ***Issuer Events of Default***

The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose or the purpose of any Extraordinary Resolution referred to in this Condition 9(a) means the Covered Bonds of this Series together with the Covered Bonds of any other Series) then outstanding, as if they were a single Series (with the Principal Amount Outstanding of Covered Bonds not denominated in Australian Dollars converted into Australian Dollars at the relevant Swap Rate) or if so directed by an Extraordinary Resolution of the Covered Bondholders shall, (but in the case of the happening of any of the events mentioned in subparagraph (ii) or (vi) below, only if the Bond Trustee shall have certified in writing to the Issuer that such event is, in its opinion, materially prejudicial to the interests of the Covered Bondholders of any Series) (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction) give notice (an "**Issuer Acceleration Notice**") in writing to the Issuer (copied to the Covered Bond Guarantor) that as against the Issuer (but not, for the avoidance of doubt, as against the Covered Bond Guarantor under the Covered Bond Guarantee) each Covered Bond of each Series is and each such Covered Bond shall, unless such event shall have been cured by the Issuer prior to the Issuer's receipt of the notice in writing from the Bond Trustee, thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest as provided in the Bond Trust Deed if any of the following events (each an "**Issuer Event of Default**") shall occur:

- (i) default is made in the payment of any principal or interest when due, in respect of any Covered Bonds and such default continues for a period of 14 days; or

- (ii) the Issuer fails to perform or observe any of its obligations under any Covered Bonds (other than those specified in paragraph (i) above and other than the obligation of the Issuer to comply with the Asset Coverage Test) and in such case (except where such failure is incapable of remedy) such failure continues for the period of 30 days next following the service by the Bond Trustee on the Issuer of written notice requiring the same to be remedied; or
- (iii) otherwise than for the purpose of an amalgamation or reconstruction or merger within the meaning of these words under the laws of Australia or, where the Issuer is acting through its branch, of the jurisdiction, country or territory in which the branch through which the Issuer is acting is located, a resolution is passed that the Issuer be wound up or dissolved; or
- (iv) the Issuer stops payment (within the meaning of Australian or any other applicable bankruptcy law) of its obligations; or
- (v) an encumbrancer takes possession of or a receiver is appointed of the whole or a substantial part of the undertaking and assets of the Issuer and any such event is continuing for 45 days after its occurrence and would materially prejudice the performance by the Issuer of its obligations under the Covered Bonds or a distress or execution is levied or enforced upon or sued out against the whole or a substantial part of the undertaking and assets of the Issuer which would materially prejudice the performance of the Issuer of its obligations under the Covered Bonds and is not discharged within 60 days thereof; or
- (vi) proceedings shall have been initiated against the Issuer under any applicable bankruptcy, reorganisation or other similar law and such proceedings shall not have been discharged or stayed within a period of 60 days; or
- (vii) the Issuer shall initiate or consent to proceedings relating to itself under any applicable bankruptcy, insolvency, composition or other similar law (otherwise than for the purpose of amalgamation, reconstruction or merger (within the meaning of those words under the laws of Australia or, where the Issuer is acting through its branch, of the jurisdiction, country or territory in which the branch through which the Issuer is acting is located) and such proceedings would materially prejudice the performance by the Issuer of its obligations under the Covered Bonds; or
- (viii) if an Asset Coverage Test Breach Notice is served and not revoked (or deemed to be revoked) in accordance with the terms of the Supplemental Deed on or before the next Determination Date to occur following the service of such Asset Coverage Test Breach Notice; or
- (ix) if the Pre-Maturity Test in respect of any Series of Hard Bullet Covered Bonds is breached during the Pre-Maturity Test Period and the amount standing to the credit of the Pre-Maturity Ledger of the GIC Account is less than the Australian Dollar Equivalent of the Required Redemption Amount for each Series of Hard Bullet Covered Bonds in respect of which the Pre-Maturity Test has been breached on the earlier to occur of:
 - (A) the later of (i) the date that is ten Local Business Days from the date that the Seller is notified of that breach; and (ii) the date that is ten Local Business Days from the date that is twelve months prior to the Final Maturity Date of the relevant series of Hard Bullet Covered Bonds; and
 - (B) the Final Maturity Date of that Series of Hard Bullet Covered Bonds.

Upon the Covered Bonds becoming immediately due and repayable against the Issuer pursuant to this Condition 9(a), the Bond Trustee shall forthwith serve a notice to pay (the "**Notice to**

Pay") on the Covered Bond Guarantor (copied to the Trust Manager) pursuant to the Covered Bond Guarantee and the Covered Bond Guarantor shall be required to make payments of Guaranteed Amounts when the same shall become Due for Payment in accordance with the terms of the Covered Bond Guarantee.

Following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, the Bond Trustee may or shall take such proceedings or other action or step against the Issuer in accordance with Condition 9(c) (*Enforcement*).

The Bond Trust Deed provides that all monies received by the Bond Trustee, following the occurrence of an Issuer Event of Default and the delivery of an Issuer Acceleration Notice and a Notice to Pay, from the Issuer or any receiver, liquidator, administrator or other similar official appointed in relation to the Issuer (the "**Excess Proceeds**") and are then held by it or under its control, shall be paid by the Bond Trustee on behalf of the Covered Bondholders of the relevant Series to the Covered Bond Guarantor for its own account, as soon as practicable, and shall be held by the Covered Bond Guarantor in the GIC Account and the Excess Proceeds shall thereafter be subject to the Charge and shall be used by the Covered Bond Guarantor in the same manner as all other monies from time to time standing to the credit of the GIC Account pursuant to the Deed of Charge and the Supplemental Deed. Any Excess Proceeds received by the Bond Trustee shall discharge *pro tanto* the obligations of the Issuer in respect of the payment of the amount of such Excess Proceeds under the Covered Bonds, Receipts and Coupons (as applicable and to the extent of the amount so received and subject to restitution of the same if such Excess Proceeds shall be required to be repaid by the Covered Bond Guarantor) (but the Issuer shall be deemed not to have discharged such obligations for the purposes of subrogation rights of the Covered Bond Guarantor contemplated by the Bond Trust Deed). However, the obligations of the Covered Bond Guarantor under the Covered Bond Guarantee are (following service of an Issuer Acceleration Notice and a Notice to Pay or if earlier, service of a Covered Bond Guarantee Acceleration Notice) unconditional and irrevocable and the receipt by, or on behalf of, the Bond Trustee of any Excess Proceeds and payment to the Covered Bond Guarantor of such Excess Proceeds shall not reduce or discharge any of such obligations.

By subscribing for Covered Bond(s), each Covered Bondholder shall be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the Covered Bond Guarantor in the manner as described above.

(b) ***Covered Bond Guarantor Events of Default***

The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose and the purpose of any Extraordinary Resolution referred to in this Condition 9(b) means the Covered Bonds of this Series together with the Covered Bonds of any other Series) then outstanding as if they were a single Series (with the Principal Amount Outstanding of Covered Bonds not denominated in Australian Dollars converted into Australian Dollars at the relevant Swap Rate) or if so directed by an Extraordinary Resolution of all the Covered Bondholders shall, (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction), but in the case of the happening of any of the events described in paragraph (ii) or (v) below, only if the Bond Trustee shall have certified in writing to the Issuer and the Covered Bond Guarantor that such event is, in its opinion, materially prejudicial to the interests of the Covered Bondholders of any Series, give notice (the "**Covered Bond Guarantee Acceleration Notice**") in writing to the Issuer and to the Covered Bond Guarantor (copied to the Trust Manager and Security Trustee), that (x) each Covered Bond of each Series is and each Covered Bond of each Series shall as against the Issuer (if not already due and repayable against it following the service of an Issuer Acceleration Notice in accordance with Condition 9(a)), thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest and (y) all amounts payable by the Covered Bond Guarantor under the Covered Bond Guarantee shall thereupon immediately become due and payable at the

Guaranteed Amount corresponding to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest, in each case as provided in the Bond Trust Deed and thereafter the Charge shall become enforceable if any of the following events (each a "**Covered Bond Guarantor Event of Default**") shall occur and be continuing:

- (i) default is made by the Covered Bond Guarantor for a period of 14 days or more in the payment of any Guaranteed Amounts when Due for Payment in respect of the Covered Bonds of any Series except in the case of the payments of a Guaranteed Amount when Due for Payment on the Extended Due for Payment Date under Condition 5(a) (*Final redemption*) where the Covered Bond Guarantor shall be required to make payments of Guaranteed Amounts which relate to the Final Redemption Amount and which are Due for Payment on the Extended Due for Payment Date; or
- (ii) if default is made by the Covered Bond Guarantor in the performance or observance of any other obligation, condition or provision binding on it (other than any obligation for the payment of Guaranteed Amounts in respect of the Covered Bonds of any Series) under the Bond Trust Deed, the Deed of Charge or any other Programme Document to which the Covered Bond Guarantor is a party (other than the Programme Agreement, or as the case may be, the Distribution Agreement) or any Subscription Agreement) and except where such default is or the effects of such default are, in the opinion of the Bond Trustee, not capable of remedy when no such continuation and notice as is hereinafter mentioned will be required, such default continues for 30 days (or such longer period as the Bond Trustee may permit) after written notice thereof has been given by the Bond Trustee to the Covered Bond Guarantor (with a copy to the Trust Manager) requiring the same to be remedied; or
- (iii) if the Covered Bond Guarantor ceases or threatens to cease to carry on its business or substantially the whole of its business; or
- (iv) the Covered Bond Guarantor shall stop payment or shall be unable, or shall admit inability, to pay its debts generally as they fall due or shall be adjudicated or found bankrupt or insolvent; or
- (v) proceedings are initiated against the Covered Bond Guarantor under any applicable liquidation, winding up, insolvency, bankruptcy, composition, reorganisation or other similar laws (including, but not limited to, presentation of a petition or the filing of documents with a court or any registrar for its winding-up, administration or dissolution or the giving notice of the intention to appoint an administrator (whether out of court or otherwise)); or a receiver and/or manager, administrative receiver, administrator, trustee or other similar official shall be appointed (whether out of court or otherwise) in relation to the Covered Bond Guarantor or in relation to the whole or any part of its assets, or a distress, diligence or execution or other process shall be levied or enforced upon or sued out against the whole or any part of its assets, or if the Covered Bond Guarantor shall initiate or consent to judicial proceedings relating to itself under any applicable liquidation, winding up, insolvency, bankruptcy, composition, reorganisation or other similar laws or shall make a conveyance, assignment or assignation for the benefit of, or shall enter into any composition with, its creditors generally; or
- (vi) a failure to satisfy the Amortisation Test (as set out in the Supplemental Deed) on any Determination Date following service of a Notice to Pay on the Covered Bond Guarantor (copied to the Trust Manager); or
- (vii) the Covered Bond Guarantee is not, or is claimed by the Covered Bond Guarantor not to be, in full force and effect.

Following the occurrence of a Covered Bond Guarantor Event of Default and service of a Covered Bond Guarantee Acceleration Notice on the Covered Bond Guarantor and the Issuer (copied to the Trust Manager and the Security Trustee), each of the Bond Trustee and the Security Trustee may or in the case of the Security Trustee, if so directed by the Bond Trustee shall take such proceedings or steps in accordance with the first and third paragraphs, respectively, of Condition 9(c) (*Enforcement*) and the Covered Bondholders shall have a claim against the Covered Bond Guarantor, under the Covered Bond Guarantee, for an amount equal to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest and any other amount due under the Covered Bonds (other than additional amounts payable under Condition 7 (*Taxation*)) as provided in the Bond Trust Deed in respect of each Covered Bond.

(c) ***Enforcement***

The Bond Trustee may at any time, at its discretion and without further notice, following service of an Issuer Acceleration Notice (in the case of the Issuer) or, if earlier, following service of a Covered Bond Guarantee Acceleration Notice (in the case of the Issuer and the Covered Bond Guarantor) take such proceedings or other action or step as it may think fit against or in relation to the Issuer and/or the Covered Bond Guarantor, as the case may be, and/or any other person as it may think fit to enforce the provisions of the Bond Trust Deed, the Covered Bonds, the Receipts and the Coupons or any other Programme Document and may, at any time after the Charge has become enforceable, direct the Bond Trustee to take such steps as it may think fit to enforce the Charge, but it shall not be bound to take any such enforcement proceedings or other action or step in relation to the Bond Trust Deed, the Covered Bonds, the Receipts or the Coupons or any other Programme Document unless (i) it shall have been so directed by an Extraordinary Resolution of the Covered Bondholders of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) or so requested in writing by the holders of not less than 25 per cent of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) and (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.

In exercising any of its powers, trusts, authorities and discretions the Bond Trustee shall only have regard to the interests of the Covered Bondholders of all Series equally and shall not have regard to the interests of any other Secured Creditors.

The Bond Trustee may at any time, following service of a Covered Bond Guarantee Acceleration Notice at its discretion and without further notice, direct or instruct the Security Trustee to take such steps or proceedings against the Covered Bond Guarantor and/or any other person as it may think fit to enforce the provisions of the Deed of Charge or any other Programme Document, but the Bond Trustee shall not be bound to take, or to give any direction to the Security Trustee to take any such steps, proceedings or actions in relation to the Bond Trust Deed, the Covered Bond Guarantee, the Covered Bonds, the Receipts, the Coupons or any other Programme Document referred to in clause 10.1 of the Bond Trust Deed or give notice pursuant to Condition 9(a) or (b) unless (i) the Bond Trustee shall have been so directed by an Extraordinary Resolution of the Covered Bondholders of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) or so requested in writing by the holders of not less than 25 per cent of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid); and (ii) the Bond Trustee shall have been indemnified and/or secured and/or prefunded to its satisfaction. In exercising any of its powers, trusts, authorities and discretions under this paragraph the Bond Trustee shall only have regard to the interests of the Covered Bondholders of all Series equally and shall not have regard to the interests of any other Secured Creditors.

No Covered Bondholder, Receiptholder or Couponholder shall be entitled to institute proceedings directly against the Issuer or the Covered Bond Guarantor to enforce performance of any of the provisions of the Trust Presents or to directly enforce the provisions of any other Programme Documents unless the Bond Trustee, having become bound so to proceed, fails so to do within a reasonable time and such failure is continuing in which event any Covered Bondholder, Receiptholder or Couponholder may, on giving an indemnity and/or pre-funding and/or security satisfactory to the Bond Trustee, in the name of the Bond Trust (but not otherwise) himself institute such proceedings and/or prove in the winding up, administration or liquidation of the Issuer or the Covered Bond Guarantor to the same extent and in the same jurisdiction (but not further or otherwise than the Bond Trustee would have been entitled to do so in respect of the Covered Bonds, Receipts and Coupons and/or the Bond Trust Deed).

In exercising any of its powers, trust authorities and discretions the Bond Trustee shall only have regard to the interests of the Covered Bondholders of all Series equally and shall not have regard to the interests of any other Secured Creditor.

10. **Covered Bond Paying Agent, Australian Paying Agent, Paying Agents, Luxembourg Registrar, Australian Registrar, Transfer Agent and Exchange Agent**

The names of the initial Covered Bond Paying Agent, Australian Paying Agent, the other initial Paying Agents, the initial Luxembourg Registrar, the Australian Registrar, the initial Transfer Agent, the initial Exchange Agent and their initial specified offices are set out below.

In the event of the appointed office of any such bank being unable or unwilling to continue to act as the Covered Bond Paying Agent, or failing duly to determine the Rate of Interest, if applicable, or to calculate the Interest Amounts for any Interest Period, the Issuer shall appoint the London office of such other bank as may be approved by the Bond Trustee to act as such in its place. The Covered Bond Paying Agent may not resign its duties or be removed from office without a successor having been appointed as aforesaid.

In the event of the appointed Australian Paying Agent and/or Australian Registrar being unable or unwilling to continue to act as the Australian Paying Agent and/or Australian Registrar, or, in the case of the Australian Paying Agent, failing duly to determine the Interest Rate, if applicable, or to calculate the Interest Amounts for any Interest Period, the Issuer shall appoint such other paying agent and/or registrar as may be approved by the Bond Trustee to act as such in its place.

The Issuer and the Covered Bond Guarantor are entitled, with the prior written approval of the Bond Trustee (such approval not to be unreasonably withheld or delayed), to vary or terminate the appointment of any Paying Agent or Registrar and/or appoint additional or other Paying Agents or Registrars and/or approve any change in the specified office through which any Paying Agent or Registrar acts, provided that:

- (a) there will at all times be a Covered Bond Paying Agent and a Luxembourg Registrar and so long as any Australian Registered Covered Bonds are outstanding, an Australian Paying Agent and an Australian Registrar and, in the cases of issuances through DTC, a U.S. Paying Agent and a U.S. Registrar;
- (b) so long as any of the Covered Bonds are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent (in the case of Bearer Covered Bonds) and a Transfer Agent (in the case of Registered Covered Bonds) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or as the case may be, other relevant authority; and

- (c) so long as any of the Registered Global Covered Bonds payable in a Specified Currency other than U.S. dollars are held through DTC or its nominee, there will at all times be an Exchange Agent;

In addition, the Issuer shall, when necessary appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 6(g) (*General provisions applicable to payments*). Notice of any such variation, termination, appointment or change will be given by the Issuer to the Covered Bondholders as soon as reasonably practicable in accordance with Condition 14 (*Notices*).

In acting under the Agency Agreements, the Agents act solely as agents of the Issuer and the Covered Bond Guarantor and do not assume any obligation to, or relationship of agency or trust with, any Covered Bondholders, Receiptholders or Couponholders. Each Agency Agreement contains provisions permitting any entity into which any Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

11. **Meetings of Covered Bondholders, Modification, Waiver and Substitution**

Covered Bondholders, Receiptholders, Couponholders and other Secured Creditors should note that the Issuer and the Covered Bond Guarantor (acting at the direction of the Trust Manager) may concur with any party (including any Paying Agent) without the consent of the Covered Bondholders, Receiptholders, Couponholders and other Secured Creditors or the consent of the Bond Trustee or the Security Trustee and agree to modify any provision of any Final Terms which is of a formal, minor or technical nature or is made to correct a manifest error or proven error or to comply with any mandatory provisions of law or in the circumstances described below.

(a) **Meetings**

The Bond Trust Deed contains provisions for convening meetings of the Covered Bondholders of any Series to consider any matter affecting their interests, including the modification by Extraordinary Resolution of these Conditions, the N Covered Bond Conditions applicable to a Series of N Covered Bonds or the provisions of the Bond Trust Deed. The quorum at any such meeting in respect of the Covered Bonds of any Series for passing an Extraordinary Resolution (other than in respect of a Series Reserved Matter) is two or more persons present holding Definitive Covered Bonds or voting certificates or being proxies or representatives and holding or representing more than 50 per cent of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or at any adjourned meeting two or more persons present holding Bearer Definitive Covered Bonds or voting certificates or being proxies or representatives (whatever the Principal Amount Outstanding of the Covered Bonds then outstanding so held or represented by them) of such Series, except that at any meeting the business of which comprises of any Series Reserved Matter, the quorum for any adjourned meeting shall be two or more persons holding or representing not less than one-third of the aggregate Principal Amount Outstanding of the Covered Bonds of the relevant Series (in the case of an Extraordinary Resolution not in relation to a Programme Resolution) for the time being outstanding. The expression Extraordinary Resolution when used in these Conditions means: (i) a resolution passed at a meeting of the Covered Bondholders duly convened and held in accordance with the Bond Trust Deed by a majority consisting of not less than seventy five per cent. of the persons voting thereat upon a show of hands or if a poll is duly demanded by a majority consisting of not less than three fourths of the votes cast on such poll; or (ii) a resolution in writing signed by or on behalf of Covered Bondholders holding not less than seventy five per cent. in Principal Amount Outstanding of the Covered Bonds then outstanding, which resolution in writing may be contained in one document or in several documents in like form each

Pursuant to the Bond Trust Deed, the Bond Trustee may convene a single meeting of the holders of Covered Bonds of more than one Series if in the opinion of the Bond Trustee there is no conflict between the respective interests of such Covered Bondholders, in which event the provisions of this paragraph shall apply thereto *mutatis mutandis*.

Any such meeting to consider a Programme Resolution may be convened by the Issuer, the Covered Bond Guarantor acting at the direction of the Trust Manager or the Bond Trustee or by the Covered Bondholders of any Series. The quorum at any such meeting for passing a Programme Resolution is two or more persons holding or representing more than two-thirds of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series for the time being outstanding or at any adjourned such meeting two or more persons holding or representing in the aggregate not less than one-third of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series for the time being outstanding. A Programme Resolution passed at any meeting of the Covered Bondholders of all Series shall be binding on all the Covered Bondholders of all Series, whether or not they are present at the meeting and on all related Receiptholders and Couponholders.

In connection with any meeting of the holders of Covered Bonds of more than one Series where such Covered Bonds are not denominated in Australian Dollars, the Principal Amount Outstanding of the Covered Bonds of any Series not denominated in Australian Dollars shall be converted into Australian Dollars at the relevant Swap Rate.

The Bond Trustee may (and in the case of any modification contemplated by (c) below the Bond Trustee must), without the consent or sanction of any of the Covered Bondholders of any Series, the related Receiptholders and/or the Couponholders and without the consent or sanction of the other Secured Creditors (other than any Secured Creditor who is party to the relevant documents), at any time and from time to time, concur with the Issuer, the Covered Bond Guarantor (acting at the direction of the Trust Manager) and any other party and/or direct the Security Trustee to concur with the Issuer, the Covered Bond Guarantor (acting at the direction of the Trust Manager) and any other party in making:

- (a) any modification (other than in relation to a Series Reserved Matter) to the Covered Bonds of one or more Series, the related Receipts and/or Coupons or any Programme Document provided that in the opinion of the Bond Trustee such modification is not materially prejudicial to the interests of the Covered

Bondholders of any Series but such power does not extend to any such modification referred to in the definition of Series Reserved Matter; or

- (b) any modification to the Covered Bonds of any one or more Series, the related Receipts and/or coupons or any Programme Document which is in the opinion of the Bond Trustee of a formal, minor or technical nature, or in the opinion of the Bond Trustee made to correct a manifest error or error proven as such to the satisfaction of the Bond Trustee or is made to comply with mandatory provisions of law (and for this purpose the Bond Trustee may disregard whether any such modification relates to a Series Reserved Matter); or
- (c) any modification contemplated by Clause 21.4 and/or Clause 21.5 of the Bond Trust Deed.

Notwithstanding the above, or any provision of any Programme Document the Bond Trustee shall not be obliged to agree to any amendment, which, in the sole opinion of the Bond Trustee or the Security Trustee (as applicable), would have the effect of (x) exposing the Bond Trustee or the Security Trustee (as applicable) to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction or (y) increasing the obligations or duties, or decreasing the protections, of the Bond Trustee or the Security Trustee (as applicable) in the Bond Trust Deed, the other Programme Documents and/or the Conditions.

The Bond Trustee may without the consent of any of the Covered Bondholders of any Series, the related Receiptholders and/or Couponholders and without the consent of any other Secured Creditor and without prejudice to its rights in respect of any subsequent breach, Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default from time to time and at any time but only if in so far as in its opinion the interests of the Covered Bondholders of any Series shall not be materially prejudiced thereby, waive or authorise, or direct the Security Trustee to waive or authorise, any breach or proposed breach by the Issuer or the Covered Bond Guarantor or any other person of any of the covenants or provisions contained in the Trust Presents, the other Programme Documents or the Conditions or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default shall not be treated as such for the purposes of the Trust Presents, PROVIDED ALWAYS THAT the Bond Trustee shall not exercise any powers conferred on it by this Condition 11 in contravention of any express direction given by Extraordinary Resolution or by a request under Condition 9(a) or (b) (*Events of Default and Enforcement*) but so that no such direction or request shall affect any waiver, authorisation or determination previously given or made. Any such waiver, authorisation or determination may be given or made on such terms and subject to such conditions (if any) as the Bond Trustee may determine, shall be binding on the Covered Bondholders, the related Receiptholders and/or the Couponholders and if, but only if, the Bond Trustee will so require by writing to the Issuer, shall be notified by the Issuer or Covered Bond Guarantor (at the direction of the Trust Manager) (as the case may be) to the Covered Bondholders in accordance with Condition 14 (*Notices*) as soon as practicable thereafter.

Subject to as provided below, the Bond Trustee shall be bound to waive or authorise, or direct the Security Trustee to waive or authorise, any breach or proposed breach by an Issuer or the Covered Bond Guarantor or any other person of any of the covenants or provisions contained in the Trust Presents, the other Programme Documents or the Conditions or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default shall not be treated as such for the purposes of the Bond Trust Deed if it is: (i) in the case of such waiver or authorisation, (a) so directed by Extraordinary

Resolution of the Covered Bondholders of the relevant one or more Series (with the Covered Bonds of all such Series taken together as a single Series in the circumstances provided in the Bond Trust Deed and if applicable, converted into Australian Dollars at the relevant Swap Rate) or (b) requested to do so in writing by the holders of not less than 25 per cent of the Principal Amount Outstanding of the Covered Bonds of the relevant one or more Series (with the Covered Bonds of all such Series taken together as a single Series in the circumstances provided in the Bond Trust Deed and if applicable, converted into Australian Dollars at the relevant Swap Rate) or (ii), in the case of any such determination, (a) so directed by an Extraordinary Resolution of the Covered Bondholders of all Series then outstanding with the Covered Bonds of all Series taken together as a single Series and if applicable, converted into Australian Dollars at the relevant Swap Rate) or (b) requested to do so in writing by the holders of not less than 25 per cent of the Principal Amount Outstanding of the Covered Bonds of all Series then outstanding with the Covered Bonds of all Series taken together as a single Series and if applicable, converted into Australian Dollars as aforesaid) and at all times then only if it shall be indemnified and/or secured and/or prefunded to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing.

The Security Trustee may, without the consent of the Covered Bondholders, Receipholders or Couponholders of any Series and without the consent of any other secured creditors and without prejudice to their rights in respect of any subsequent breach, Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default from time to time and at any time, but only if instructed to do so by a resolution of Voting Secured Creditors (where the Bond Trustee is not the voting secured creditor) or by a direction from the Bond Trustee (where the Bond Trustee is the voting secured creditor), authorise or waive any proposed or actual breach of any of the covenants or provisions contained in the Covered Bonds of any Series, any Programme Document or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default, or Potential Covered Bond Guarantor Event of Default shall not be treated as such for the purposes of the Security Trust Deed. Any such authorisation or waiver or determination shall be binding on the Secured Creditors and if, but only if, the resolution or direction (as the case may be) shall so require, shall be notified by the Bond Trustee to the Covered Bondholders in accordance with Condition 14 (*Notices*).

In connection with the exercise by it of any of its trusts, powers, authorities and discretions under the Programme Documents, (including, without limitation, any modification, waiver, authorisation or determination), the Bond Trustee and the Security Trustee shall have regard to the general interests of the Covered Bondholders (of each Series) as a class (but shall not have regard to any interests arising from circumstances particular to individual Covered Bondholders, Receipholders or Couponholders whatever their number) and in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Covered Bondholders, the related Receipholders, Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Bond Trustee and the Security Trustee shall not be entitled to require, nor shall any Covered Bondholder, Receipholder or Couponholder be entitled to claim, from the Issuer, the Covered Bond Guarantor, the Bond Trustee, the Security Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Covered Bondholders, Receipholders and/or Couponholders, except to the extent already provided for in Condition 7 (*Taxation*) of the Conditions or Condition 7 (*Taxation*) of any N Covered Bond Conditions and/or in any undertaking or covenant given in addition to, or in substitution for Condition 7 (*Taxation*) of the Conditions or

Condition 7 (*Taxation*) of any N Covered Bond Conditions pursuant to the Trust Presents.

(b) Substitution

The Bond Trust Deed provides that in connection with any scheme of amalgamation or reconstruction of the Issuer and (A) where the Issuer does not survive the amalgamation or reconstruction or (B) where all or substantially all of the assets and business of the Issuer will be disposed of to, or succeeded to, by another entity (whether by operation of law or otherwise), the Bond Trustee shall, if requested by the Issuer, be obliged, without the consent of the Covered Bondholders, Receiptholders or Couponholders, at any time to agree with the Issuer to the substitution in the place of the Issuer (or the previous substitute under this Condition) as principal debtor under the Trust Presents of another company (the Substituted Debtor) being the entity with and into which the Issuer amalgamates or the entity to which all or substantially all of the business and assets of the Issuer is transferred, or succeeded to, pursuant to such scheme of amalgamation or reconstruction (whether by operation of law or otherwise), subject to, *inter alia*:

- (i) the Substituted Debtor entering into a supplemental trust deed or some other form of undertaking in form and manner satisfactory to the Bond Trustee agreeing to be bound by the Trust Presents with any consequential amendments which the Bond Trustee may deem appropriate as fully as if the Substituted Debtor had been named in the Trust Presents as principal debtor in place of the Issuer (or the previous substitute under this Condition);
- (ii) the Substituted Debtor acquiring or succeeding to pursuant to such scheme of amalgamation or reconstruction all or substantially all of the assets and business of the Issuer; and
- (iii) confirmations being received by the Bond Trustee from each Designated Rating Agency that the substitution will not adversely affect the rating of the Covered Bonds.

Any such supplemental trust deed or undertaking shall, if so expressed, operate to release the Issuer the previous substitute as aforesaid from all of its obligations as principal debtor under the Trust Presents.

In addition, subject as further provided in the Bond Trust Deed, the Bond Trustee may without the consent of the Covered Bondholders, Receiptholders or Couponholders at any time agree with the Issuer to the substitution in place of the Issuer (or any previous substitute under this Condition) as the principal debtor under the Covered Bonds, Receipts, Coupons and the Bond Trust Deed of any Subsidiary of the Issuer (each substituted company being hereinafter called the New Company) subject to (a) the Bond Trustee being satisfied that the interests of the Covered Bondholders will not be materially prejudiced by the substitution and (b) certain other conditions set out in the Bond Trust Deed being complied with.

Any substitution pursuant to this Condition 11(b) shall be binding on the Covered Bondholders, the Receiptholders and the Couponholders and unless the Bond Trustee agrees otherwise, shall be notified by the New Company to the Covered Bondholders not later than 14 days after any such substitution in accordance with Condition 14 (*Notices*).

It shall be a condition of any substitution pursuant to this Condition 11(b) that the Covered Bond Guarantee shall remain in place or be modified to apply *mutatis mutandis* and continue in full force and effect in relation to the obligations of the New Company.

(c) Designated Rating Agencies

To the extent that:

- (i) a confirmation or affirmation of rating or other response by a Designated Rating Agency is a condition to any action or step under any Programme Document; and
- (ii) the Trust Manager has delivered to the Covered Bond Guarantor (copied to the Seller, the Bond Trustee and each Designated Rating Agency) written confirmation that it has notified the Designated Rating Agencies of the action or step and that the Trust Manager is satisfied, following discussions with the Designated Rating Agencies, that the action or step, as applicable, will not result in a reduction, qualification or withdrawal of the ratings then assigned by the Designated Rating Agencies and the Designated Rating Agency does not consider such confirmation necessary.

the parties to the Programme Documents shall be entitled to assume that the then current rating of the Covered Bonds from that Designated Rating Agency will not be downgraded or withdrawn by such Designated Rating Agency as a result of such action or step.

The Bond Trustee shall be entitled to treat as conclusive a certificate signed by an Authorised Officer of the Issuer or the Trust Manager that the Trust Manager has notified the Designated Rating Agencies of an action or step under any Programme Document and that the Trust Manager is satisfied, following discussions with the Designated Rating Agencies, that the action or step, as applicable, will not result in a reduction, qualification or withdrawal of the ratings then assigned by the Designated Rating Agencies to the Covered Bonds and the Bond Trustee shall not be responsible for any Liabilities that may be caused as a result.

15. **Indemnification of the Bond Trustee and the Security Trustee and the Bond Trustee and Security Trustee contracting with the Issuer and/or the Covered Bond Guarantor**

If, in connection with the exercise of its powers, trusts, authorities or discretions the Bond Trustee is of the opinion that the interests of the Covered Bondholders of any one or more series would be materially prejudiced thereby, the Bond Trustee shall not exercise such power, trust, authority or discretion without the approval of such Covered Bondholders of the relevant Series by Extraordinary Resolution or by a direction in writing of such Covered Bondholders of at least 25 per cent of the Principal Amount Outstanding of Covered Bonds of the relevant Series then outstanding or as otherwise required under the Programme Documents.

The Bond Trust Deed and the Security Trust Deed contain provisions for the indemnification of the Bond Trustee and the Security Trustee and for their relief from responsibility, including provisions relieving them from taking any action unless indemnified and/or secured and/or prefunded to their satisfaction.

The Bond Trust Deed and the Security Trust Deed also contain provisions pursuant to which each of the Bond Trustee and Security Trustee, respectively, is entitled, *inter alia*: (i) to enter into business transactions with the Issuer, the Covered Bond Guarantor and/or any of their respective Subsidiaries and affiliates and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer, the Covered Bond Guarantor and/or any of their respective Subsidiaries and affiliates; (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Covered Bondholders, Receiptholders or Couponholders or the other Secured Creditors and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

The Bond Trustee will not be responsible for any loss, expense or liability which may be suffered as a result of any Purchased Receivables or Related Security, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by clearing organisations or their operators or by intermediaries such as banks, brokers or other similar persons whether or not on behalf of the Bond Trustee and/or the Security Trustee. The Bond Trustee will not be responsible for *inter alia*: (i) supervising the performance by the Issuer or any other party to the Programme Documents of their respective obligations under the Programme Documents and the Bond Trustee will be entitled to assume, until it has written notice to the contrary, that all such persons are properly performing their duties; (ii) considering the basis on which approvals or consents are granted by the Issuer or any other party to the Programme Documents under the Programme Documents; (iii) monitoring the Purchased Receivables, including, without limitation, whether the Purchased Receivables are in compliance with the Asset Coverage Test, the Pre-Maturity Test or the Amortisation Test; or (iv) monitoring whether Receivables are Qualifying Receivables. The Bond Trustee will not be liable to any Covered Bondholder or other Secured Creditor for any failure to make or to cause

to be made on their behalf the searches, investigations and enquiries which would normally be made by a prudent secured creditor in relation to the Charge and have no responsibility in relation to the legality, validity, sufficiency and enforceability of the Charge and the Programme Documents. In addition, each Covered Bondholder shall, by virtue of purchasing and/or holding Covered Bonds, be deemed to have acknowledged and agreed that that the Security Trustee is not required *inter alia*, (i) to provide it with any information concerning the business or financial condition of any party to any Programme Document; (ii) to investigate the accuracy, adequacy or completeness of any information provided by any party in connection with a Programme Document; (iii) to assess or keep under review the business, financial condition, status or affairs of any party to any Programme Document; (iv) to investigate whether an Issuer Event of Default, or Covered Bond Guarantor Event of Default has occurred, or (v) to investigate or keep itself informed as to the performance by any other party of that party's obligations under any document.

The Bond Trustee may refrain from taking any action or exercising any right, power, authority or discretion vested in it relating to the transactions contemplated in the Programme Documents until it has been indemnified and/or secured and/or prefunded to its satisfaction against any and all actions, charges, claims, costs, damages, demands, expenses, liabilities, losses and proceedings which might be sustained by it as a result and will not be required to do anything which may cause it to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties or in the exercise of any of its rights, powers, authorities or discretions if it has reasonable grounds for believing that repayment of such funds or adequate indemnity, security or prefunding against such liability is not assured to it.

16. Limited Recourse and non-petition

The Covered Bondholders shall, by virtue of purchasing and/or holding Covered Bonds, be deemed to have agreed with the Covered Bond Guarantor and the Security Trustee as follows:

- (a) The Covered Bond Guarantor enters into the Programme Documents only in its capacity as Covered Bond Guarantor of the Trust and in no other capacity. - (c) The provisions of Condition 16(a) and Condition 16(b) limiting the Covered Bond Guarantor's liability will not apply to any obligation or liability of the Covered Bond Guarantor to the extent that it is not satisfied because under any Programme Document in relation to the Trust or by operation of law there is a reduction in the extent of the Covered Bond Guarantor's indemnification out of the Assets of the Trust, as a result of the Covered Bond Guarantor's fraud, gross negligence or wilful default.
- (d) The Transaction Parties are responsible under the Programme Documents in relation to the Trust for performing a variety of obligations relating to the Trust. No act or omission

of the Covered Bond Guarantor (including any related failure to satisfy its obligations or breach of representation or warranty under these Conditions will be considered fraud, gross negligence or wilful default for the purpose of Condition 16(c) if and to the extent the act or omission was caused or contributed to by any failure by any Transaction Party or any other person appointed by the Covered Bond Guarantor under any Programme Document (other than a person whose acts or omissions the Covered Bond Guarantor is liable for in accordance with any Programme Document) to fulfil its obligations relating to the Trust or by any other act or omission of any Transaction Party or any other such person regardless of whether or not the act or omission is purported to be done on behalf of the Covered Bond Guarantor.

- (e) No attorney, agent, receiver or receiver and manager appointed in accordance with the Programme Documents has authority to act on behalf of the Covered Bond Guarantor in a way that exposes the Covered Bond Guarantor to any personal liability, and no act or omission of any such person will be considered fraud, gross negligence or wilful default of the Covered Bond Guarantor for the purpose of this Condition 16.
- (f) The Covered Bond Guarantor is not obliged to do anything or refrain from doing anything under or in connection with the Programme Documents (including incur a liability) unless the Covered Bond Guarantor's liability is limited in the same manner as set out in this Condition 16.

- (h) Except to the extent expressly provided in the Programme Documents:
 - (i) none of the Covered Bondholders (nor any person on their behalf, other than the Security Trustee where appropriate and the Bond Trustee in relation to the Covered Bond Guarantee) is entitled to direct the Security Trustee to enforce the Charge or take any proceedings against the Covered Bond Guarantor to enforce the Charge;
 - (ii) none of the Covered Bondholders (other than the Covered Bond Guarantor in relation to the Covered Bond Guarantee) shall have the right to take or join any person in taking any steps against the Covered Bond Guarantor for the purpose of obtaining payment of any amount due from the Covered Bond Guarantor to the Covered Bondholders;
 - (iii) until the date falling two years after the Vesting Date none of the Covered Bondholders nor any person on their behalf shall initiate or join any person in initiating an Insolvency Event in relation to the Trust other than a Receiver appointed pursuant to the Security Trust Deed; and
 - (iv) none of the Covered Bondholders shall be entitled to take or join in the taking of any corporate action, legal proceedings or other procedure or step which would result in the Cashflow Allocation Methodology not being complied with.

For value received, the Issuer, subject as hereinafter provided and subject to and in accordance with the Conditions and the Bond Trust Deed, promises to pay to the bearer hereof on each Instalment Date (if the Covered Bonds are repayable in instalments) and on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Temporary Bearer Global Covered Bond may become due and repayable in accordance with the Conditions and the Bond Trust Deed, the amount payable under the Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Temporary Bearer Global Covered Bond calculated and payable as provided in the Conditions and the Bond Trust Deed together with any other sums payable under the Conditions and the Bond Trust Deed, upon presentation and, at maturity, surrender of this Temporary Bearer Global Covered Bond to or to the order of the relevant Principal Paying Agent or any of the other Paying Agents located outside the United States and its territories and possessions (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Covered Bonds.

Words and expressions defined in the Conditions shall bear the same meanings when used in this Permanent Bearer Global Covered Bond.

This Permanent Bearer Global Covered Bond is issued subject to, and with the benefit of, the Conditions and a bond trust deed (such bond trust deed as modified and/or supplemented and/or restated from time to time, the "**Bond Trust Deed**") dated 14 November 2011 and made between the Issuer, the Covered Bond Guarantor and Institutional Securitisation Services Limited as Trust Manager and DB Trustees (Hong Kong) Limited.

For value received, the Issuer, subject as hereinafter provided and subject to and in accordance with the Conditions and the Bond Trust Deed, promises (i) to pay to the bearer hereof on each Instalment Date (if the Covered Bonds are repayable in instalments) and on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Permanent Bearer Global Covered Bond may become due and repayable in accordance with the Conditions and the Bond Trust Deed, the amount payable under the Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Permanent Bearer Global Covered Bond calculated and payable as provided in the Conditions and the Bond Trust Deed together with any other sums payable under the Conditions and the Bond Trust Deed, upon presentation and (ii) to perform all of its obligations to deliver Asset Amounts under the Conditions on such date(s) as such Asset Amounts become deliverable and, at maturity, surrender of this Permanent Bearer Global Covered Bond to or to the order of the relevant Principal Paying Agent or any of the other Paying Agents located outside the United States, its territories and possessions (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Covered Bonds.

If the Final Terms indicates that this Permanent Bearer Global Covered Bond is intended to be a New Global Covered Bond, the Principal Amount Outstanding of Covered Bonds represented by this Permanent Bearer Global Covered Bond shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./N.V. ("**Euroclear**") and Clearstream Banking S.A. ("**Clearstream**" and together with Euroclear, the "**relevant Clearing Systems**"). The records of the relevant Clearing Systems (which expression in this Permanent Bearer Global Covered Bond means the records that each relevant Clearing System holds for its customers which reflect the amount of each such customer's interest in the Covered Bonds) shall be conclusive evidence of the Principal Amount Outstanding of Covered Bonds represented by this Permanent Bearer Global

Covered Bond and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the Principal Amount Outstanding of Covered Bonds represented by this Permanent Bearer Global Covered Bond at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicates that this Permanent Bearer Global Covered Bond is not intended to be a New Global Covered Bond, the Principal Amount Outstanding of the Covered Bonds represented by this Permanent Bearer Global Covered Bond shall be the amount stated in the Final Terms or, if lower, the Principal Amount Outstanding most recently entered by or on behalf of the Issuer in the relevant column in Part II, III, or IV of Schedule One hereto or in Schedule Two hereto.

On any redemption of, or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Permanent Bearer Global Covered Bond the Issuer shall procure that:

- (a) if the Final Terms indicates that this Permanent Bearer Global Covered Bond is intended to be a New Global Covered Bond, details of such redemption, payment, or purchase and cancellation (as the case may be) shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the Principal Amount Outstanding of the Covered Bonds recorded in the records of the relevant Clearing Systems and represented by this Permanent Bearer Global Covered Bond shall be reduced by the aggregate nominal amount of the Covered Bonds so redeemed or purchased and cancelled or by the aggregate amount of such instalment so paid; or
- (b) if the Final Terms indicates that this Permanent Bearer Global Covered Bond is not intended to be a New Global Covered Bond, details of such redemption, payment, or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such redemption, payment, or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer, whereupon the Principal Amount Outstanding of this Permanent Bearer Global Covered Bond and the Covered Bonds represented by this Permanent Bearer Global Covered Bond shall be reduced by the nominal amount of such Covered Bonds so redeemed or purchased and cancelled or the amount of such instalment so paid.

Payments due in respect of Covered Bonds for the time being represented by this Permanent Bearer Global Covered Bond shall be made to the bearer of this Permanent Bearer Global Covered Bond and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

If the Covered Bonds represented by this Permanent Bearer Global Covered Bond were, on issue, represented by a Temporary Bearer Global Covered Bond then on any exchange of such Temporary Bearer Global Covered Bond for this Permanent Bearer Global Covered Bond or any part hereof, the Issuer shall procure that:

- (a) if the Final Terms indicate that this Permanent Bearer Global Covered Bond is intended to be a New Global Covered Bond, details of such exchange shall be entered *pro rata* in the records of the relevant Clearing Systems such that the nominal amount of the Covered Bonds recorded in the records of the relevant Clearing Systems and represented by this Permanent Bearer Global Covered Bond shall be increased by the nominal amount of the Temporary Bearer Global Covered Bond so exchanged; or
- (b) if the Final Terms indicate that this Permanent Bearer Global Covered Bond is not intended to be a New Global Covered Bond, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange shall be signed by or on behalf of the

Issuer, whereupon the Principal Amount Outstanding of this Permanent Bearer Global Covered Bond and the Covered Bonds represented by this Bearer Global Covered Bond shall be increased by the nominal amount of the Temporary Bearer Global Covered Bond so exchanged.

This Permanent Bearer Global Covered Bond may be exchanged (free of charge) in whole, but not in part, for Bearer Definitive Covered Bonds and (if applicable) Receipts, Coupons and/or Talons in or substantially in the forms set out in Part 3 (*Form of Bearer Definitive Covered Bond*), Part 4 (*Form of Receipt*), Part 5 (*Form of Coupon*) and Part 6 (*Form of Talon*) of Schedule 2 (*Forms of Global and Definitive Covered Bonds, Receipts, Coupons and Talons*) to the Bond Trust Deed (on the basis that all the appropriate details have been included on the face of such Bearer Definitive Covered Bonds and (if applicable) Receipts, Coupons and/or Talons and the relevant information supplementing, replacing or modifying the Conditions appearing in the Final Terms has been endorsed on or attached to such Bearer Definitive Covered Bonds) either, as specified in the applicable Final Terms:

- (a) upon not less than 60 days' written notice being given to the relevant Principal Paying Agent by Euroclear and/or Clearstream (acting on the instructions of any holder of an interest in this Permanent Bearer Global Covered Bond); or
- (b) upon the occurrence of an Exchange Event.

An "**Exchange Event**" means the Issuer has been notified that both Euroclear and Clearstream have been closed for business for a continuous period of 14 days (other than by reason of holiday, whether statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available.

If this Permanent Bearer Global Covered Bond is exchangeable following the occurrence of an Exchange Event:

- (a) the Issuer will promptly give notice to Covered Bondholders in accordance with Condition 14 (Notices) upon the occurrence of such Exchange Event; and
- (b) Euroclear and/or Clearstream (acting on the instructions of any holder of an interest in this Permanent Bearer Global Covered Bond) or the Bond Trustee may give notice to the relevant Principal Paying Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (b) above, the Issuer may also give notice to the relevant Principal Paying Agent requesting exchange.

Any such exchange shall occur on a date specified in the notice not more than 45 days after the date of receipt of the first relevant notice by the relevant Principal Paying Agent.

The first notice requesting exchange in accordance with the above provisions shall give rise to the issue of Bearer Definitive Covered Bonds for the Principal Amount Outstanding of Covered Bonds represented by this Permanent Bearer Global Covered Bond.

Any such exchange as aforesaid will be made upon presentation of this Permanent Bearer Global Covered Bond by the bearer hereof on any Business Day in London at the office of the relevant Principal Paying Agent specified above.

The aggregate Principal Amount Outstanding of Bearer Definitive Covered Bonds issued upon an exchange of this Permanent Bearer Global Covered Bond will be equal to the aggregate Principal Amount Outstanding of this Permanent Bearer Global Covered Bond. Upon exchange of this Permanent Bearer Global Covered Bond for Bearer Definitive Covered Bonds, the relevant Principal Paying Agent shall cancel it or procure that it is cancelled.

Until the exchange of the whole of this Permanent Bearer Global Covered Bond as aforesaid, the bearer hereof shall (subject as provided in the next paragraph) in all respects be entitled to the same benefits as if he were the bearer of Bearer Definitive Covered Bonds and the relative Receipts, Coupons and/or Talons (if any) in the form(s) set out in Part 3 (*Form of Bearer Definitive Covered*

Bond), Part 4 (*Form of Receipt*), Part 5 (*Form of Coupon*) and Part 6 (*Form of Talon*) (as applicable) of Schedule 2 (*Forms of Global and Definitive Covered Bonds, Receipts, Coupons and Talons*) to the Bond Trust Deed.

Each person (other than Euroclear or Clearstream) who is for the time being shown in the records of Euroclear or Clearstream as the holder of a particular principal amount of the Covered Bonds represented by this Permanent Bearer Global Covered Bond (each an "**Accountholder**") (in which regard any certificate or other document issued by Euroclear or Clearstream as to the principal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Covered Bond Guarantor, the Bond Trustee, the Security Trustee, the relevant Principal Paying Agent and any other Paying Agent as the holder of such principal amount of such Covered Bonds for all purposes other than with respect to the payment of principal and interest on such principal amount of such Covered Bonds, the right to which shall be vested, as against the Issuer and the Covered Bond Guarantor, solely in the bearer of this Permanent Bearer Global Covered Bond in accordance with and subject to the terms of this Permanent Bearer Global Covered Bond and the Bond Trust Deed. Each Accountholder must look solely to Euroclear or Clearstream, as the case may be, for its share of each payment or delivery made to the bearer of this Permanent Bearer Global Covered Bond.

This Permanent Bearer Global Covered Bond and any non-contractual obligations arising out of or in connection with it shall be governed by, and shall be construed in accordance with, English law.

A person who is not a party to this Permanent Bearer Global Covered Bond has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Permanent Bearer Global Covered Bond, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

This Permanent Bearer Global Covered Bond shall not be valid unless authenticated by Deutsche Bank AG, Hong Kong Branch as Principal Paying Agent and, if the applicable Final Terms indicates that this Permanent Bearer Global Covered Bond is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

IN WITNESS whereof the Issuer has caused this Permanent Bearer Global Covered Bond to be signed manually or in facsimile by a person duly authorised on its behalf.

(the "**Covered Bond Guarantor**")

This Covered Bond is a "**Registered Global Covered Bond**" in respect of a duly authorised issue of Covered Bonds of the Issuer (the "**Covered Bonds**") of the Principal Amount Outstanding, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms or Pricing Supplement applicable to the Covered Bonds (the "**Final Terms**"), a copy of which is annexed hereto. References in this Registered Global Covered Bond to the Final Terms shall mean the Final Terms or (if the Covered Bonds are Exempt Covered Bonds) the Pricing Supplement attached hereto. References herein to the Conditions shall be to the Conditions of the Covered Bonds as set out in Schedule 1 (Terms and Conditions of the Covered Bonds) to the Bond Trust Deed (as defined below) as supplemented, replaced and modified by the Final Terms but, in the event of any conflict between the provisions of the said Conditions and the information in the Final Terms, the Final Terms will prevail.

Words and expressions defined in the Conditions shall bear the same meanings when used in this Registered Global Covered Bond.

This Registered Global Covered Bond is issued subject to, and with the benefit of, the Conditions and a bond trust deed (as modified and/or supplemented and/or restated from time to time, the "**Bond Trust Deed**") dated 14 November 2011 and made between the Issuer, the Covered Bond Guarantor and DB Trustees (Hong Kong) Limited (the "**Bond Trustee**").

The Issuer, subject to and in accordance with the Conditions, the Final Terms and the Bond Trust Deed, agrees to pay to such registered holder on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Registered Global Covered Bond may become due and repayable in accordance with the Conditions, the Final Terms and the Bond Trust Deed, the amount payable under the Conditions and the Final Terms in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Registered Global Covered Bond calculated and payable as provided in the Conditions and the Bond Trust Deed together with any other sums payable under the Conditions, the Final Terms and the Bond Trust Deed, upon presentation and, at maturity, surrender of this Registered Global Covered Bond at the specified office of the Registrar at [•] or such other specified office as may be specified in the Final Terms. On any redemption in whole or in part or payment of interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Registered Global Covered Bond details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption or purchase and cancellation the Principal Amount Outstanding of this Registered Global Covered Bond and the Covered Bonds held by the registered holder hereof shall be reduced by the Principal Amount Outstanding of such Covered Bonds so redeemed or purchased and cancelled. The Principal Amount Outstanding of this Registered Global Covered Bond and of the Covered Bonds held by the registered holder hereof following any such redemption or purchase and cancellation as aforesaid or any transfer or exchange as referred to

below shall be the Principal Amount Outstanding most recently entered in the relevant column in Part II or III of Schedule One hereto or in Schedule Two hereto.

An "**Exchange Event**" means:

- (a) if Austraclear is closed for business for a continuous period of 14 days (other than by reason of holidays (statutory or otherwise)) or announces an intention permanently to cease business or in fact does so (other than in the case of a merger, disposal or consolidation not interrupting or degrading the services provided to its customers);
- (b) in the case of Covered Bonds registered in the name of the Depository Trust Company at its office at 55 Water Street, New York, NY 10041, United States of America ("**DTC**") or its nominee, either DTC has notified the Issuer that it is unwilling or unable to continue to act as depository for the Covered Bonds and no alternative clearing system is available or DTC has ceased to constitute a clearing agency registered under the Exchange Act; or

- (ii) Euroclear and/or Clearstream and/or DTC and/or Austraclear (acting on the instructions of any holder of an interest in this Registered Global Covered Bond) or the Bond Trustee may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (c) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than 10 days after the date of receipt of the first relevant notice by the Registrar.

6. If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any such meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall if convened upon the requisition of Covered Bondholders be dissolved. In any other case it shall stand adjourned to the same day in the next week (or if such day is a public holiday the next succeeding business day) at the same time and place (except in the case of a meeting at which an Extraordinary Resolution is to be proposed in which case it shall stand adjourned for such period, being not less than 13 clear days nor more than 42 clear days, and to such place as may be appointed by the Chairman either at or subsequent to such meeting and approved by the Bond Trustee). 7. Notice of any adjourned meeting at which an Extraordinary Resolution is to be submitted shall be given in the same manner as notice of an original meeting but as if 10 were substituted for 21 in paragraph 3 above and such notice shall state the relevant quorum. Subject as aforesaid it shall not be necessary to give any notice of an adjourned meeting.

10. Subject to paragraph 12 below, if at any such meeting a poll is so demanded it shall be taken in such manner and subject as hereinafter provided either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.
11. The Chairman may with the consent of (and shall if directed by) any such meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.
12. Any poll demanded at any such meeting on the election of a Chairman or on any question of adjournment shall be taken at the meeting without adjournment.

13. The Bond Trustee and its lawyers and any director, officer or employee of a corporation being a bond trustee of the Trust Presents and any director or officer of the Issuer or, as the case may be, the Covered Bond Guarantor and its or their lawyers and any other person authorised so to do by the Bond Trustee may attend and speak at any meeting. Save as aforesaid, but without prejudice to the proviso to the definition of outstanding in the Definitions Schedule, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting of Covered Bondholders or join with others in requesting the convening of such a meeting or to exercise the rights conferred on Covered Bondholders by Condition 9 of the Programme Conditions unless he either produces the Bearer Definitive Covered Bond or Bearer Definitive Covered Bonds of which he is the holder or a voting certificate or is a proxy or a representative or is the holder of a Registered Definitive Covered Bond or Registered Definitive Covered Bonds. No person shall be entitled to vote at any meeting in respect of Covered Bonds held by, for the benefit of, or on behalf of, the Issuer or the Covered Bond Guarantor, any Subsidiary of the Issuer or the Covered Bond Guarantor, any holding company of the Issuer or the Covered Bond Guarantor or any other Subsidiary of any such holding company. Nothing herein shall prevent any of the proxies named in any block voting instruction or form of proxy or any representative from being a director, officer or representative of or otherwise connected with the Issuer or the Covered Bond Guarantor.

14. Subject as provided in paragraph 13 hereof at any meeting:

(a) on a show of hands every person who is present in person and produces a Bearer Definitive Covered Bond or voting certificate or is a holder of a Registered Definitive Covered Bond or is a proxy or representative shall have one vote; and

Without prejudice to the obligations of the proxies named in any block voting instruction or form of proxy any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

15. The proxies named in any block voting instruction or form of proxy and representatives need not be Covered Bondholders.

16. Each block voting instruction together (if so requested by the Bond Trustee) with proof satisfactory to the Bond Trustee of its due execution on behalf of the relevant Paying Agent and each form of proxy shall be deposited by the relevant Paying Agent or (as the case may be) by the Registrar or the Transfer Agent at such place as the Bond Trustee shall approve not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the proxies named in the block voting instruction or form of proxy propose to vote and in default the block voting instruction or form of proxy shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting or adjourned meeting proceeds to business. A copy of each block voting instruction and form of proxy shall (if the Bond Trustee so requires) be deposited with the Bond Trustee before the commencement of the meeting or adjourned meeting but the Bond Trustee shall not thereby be obliged to investigate or be concerned with the validity of or the authority of the proxies named in any such block voting instruction or form of proxy.

17. Any vote given in accordance with the terms of a block voting instruction or form of proxy shall be valid notwithstanding the previous revocation or amendment of the block voting

instruction or form of proxy or of any of the relevant Covered Bondholders' instructions pursuant to which it was executed provided that no intimation in writing of such revocation or amendment shall have been received from the relevant Paying Agent or in the case of a Registered Covered Bond from the holder thereof by the Issuer at its registered office (or such other place as may have been required or approved by the Bond Trustee for the purpose) by the time being 24 hours and 48 hours respectively before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction or form of proxy is to be used.

18. A meeting of the Covered Bondholders shall in addition to the powers hereinbefore given have the following powers exercisable only by Extraordinary Resolution (subject to the provisions relating to quorum contained in paragraphs 5 and 6 above) namely:

- (k) Power to approve the substitution or replacement of any entity for the Issuer or the Covered Bond Guarantor (or any previous substitute or replacement) as principal debtor or guarantor under this Bond Trust Deed.

Any resolution (i) passed at a meeting of the Covered Bondholders duly convened and held in accordance with the Trust Presents, (ii) passed as a resolution in writing in accordance with the Trust Presents or (iii) passed by way of Electronic Consents given by holders in accordance with the Trust Presents shall be binding upon all the Covered Bondholders whether present or not present at any meeting and whether or not voting on the resolution and upon all Receipholders and Couponholders and each of them shall be bound to give effect thereto accordingly and the passing of any such resolution shall be conclusive evidence that the circumstances justify the passing thereof. Notice of the result of the voting on any resolution duly considered by the Covered Bondholders shall be published in accordance with Condition 14 (Notices) by the Issuer within 14 days of such result being known PROVIDED THAT in each case, the non-publication of such notice shall not invalidate such result.
20. The expression "**Extraordinary Resolution**" when used in the Trust Presents means: (a) a resolution passed at a meeting of the Covered Bondholders duly convened and held in accordance with the Trust Presents by a majority consisting of not less than seventy five per cent of the persons voting thereat upon a show of hands or if a poll is duly demanded by a majority consisting of not less than three-fourths of the votes cast on such poll; or (b) a resolution in writing signed by or on behalf of Covered Bondholders holding not less than seventy five per cent in Principal Amount Outstanding of the Covered Bonds then outstanding, which resolution in writing may be contained in one document or in several documents in like form each signed by or on behalf of one or more of the Covered Bondholders or (c) passed by way of Electronic Consents given by holders in accordance with the Trust Presents.
21. Minutes of all resolutions and proceedings at every meeting of the Covered Bondholders shall be made and entered in books to be from time to time provided for that purpose by the Issuer and any such minutes as aforesaid if purporting to be signed by the Chairman of the meeting at which such resolutions were passed or proceedings transacted shall be conclusive evidence of the matters therein contained and until the contrary is proved every such meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings transacted thereat to have been duly passed or transacted.
22. For so long as the Covered Bonds are in the form of a Global Covered Bond held on behalf of one or more of Clearstream, Euroclear, DTC or any other relevant clearing system (the "**relevant clearing system**"), then, in respect of any resolution proposed by the Issuer or the Bond Trustee:
- (a) Where the terms of the resolution proposed by the Issuer or the Bond Trustee (as the case may be) have been notified to the Covered Bondholders through the relevant clearing system(s) as provided in sub-paragraphs (a) and/or (b) below, each of the Issuer and the Bond Trustee shall be entitled to rely upon approval of such resolution given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) to the Bond Trustee in accordance with their operating rules and procedures by or on behalf of not less than three fourths in Principal Amount Outstanding for the time being outstanding all Covered Bondholders who for the time being are entitled to receive notice of such resolution in accordance with the provisions of this Schedule (the "**Required Proportion**") ("**Electronic Consent**") by close of business on the date of the

Any resolution passed in such manner shall be binding on all Covered Bondholders, even if the relevant consent or instruction proves to be defective. The notice shall specify, in sufficient detail to enable Covered Bondholders to give their consents in relation to the proposed resolution, the method by which their consents may be given (including, where applicable, the Consent Date by which they must be received in order for such consents to be validly given, in each case subject to and in accordance with the operating rules and procedures of the relevant clearing system(s).
- (ii) If, on the Consent Date on which the consents in respect of an Electronic Consent are first counted, such consents do not represent the Required Proportion, the resolution shall, if the party proposing such resolution (the "**Proposer**") so determines, be deemed to be defeated. Such determination shall be notified in writing to the other parties to this Agreement. Alternatively, the Proposer may give a further notice to Covered Bondholders that the resolution will be proposed again on such date and for such period as shall be agreed with the Bond Trustee (unless the Bond Trustee is the Proposer). Such notice must inform Covered Bondholders that insufficient consents were received in relation to the original resolution and the information specified in sub-paragraph (a) above. For the purpose of such further notice, references to "Consent Date" shall be construed accordingly.

For the avoidance of doubt, an Electronic Consent may only be used in relation to a resolution proposed by the Issuer or the Bond Trustee which is not then the subject of a meeting that has been validly convened in accordance with this schedule above.

6. If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any such meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall if convened upon the requisition of Covered Bondholders be dissolved. 9. At any meeting unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman, the Issuer the Covered Bond Guarantor, the Bond Trustee or any person present holding a Definitive Covered Bond or a voting certificate or being a proxy or representative (whatever the Principal Amount Outstanding of the Covered Bonds so held or represented by him) a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
10. Subject to paragraph 12 below, if at any such meeting a poll is so demanded it shall be taken in such manner and subject as hereinafter provided either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.
11. The Chairman may with the consent of (and shall if directed by) any such meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.
12. Any poll demanded at any such meeting on the election of a Chairman or on any question of adjournment shall be taken at the meeting without adjournment.

No person shall be entitled to vote at any meeting in respect of Covered Bonds held by, for the benefit of, or on behalf of, the Issuer or the Covered Bond Guarantor, any Subsidiary of the Issuer or the Covered Bond Guarantor, any holding company of the Issuer or the Covered Bond Guarantor or any other Subsidiary of any such holding company. Nothing herein shall prevent any of the proxies named in any block voting instruction or form of proxy or any representative from being a director, officer or representative of or otherwise connected with the Issuer or the Covered Bond Guarantor.

14. Subject as provided in paragraph 13 hereof at any meeting:

(a) on a show of hands every person who is present in person and produces a Bearer Definitive Covered Bond or voting certificate or is a holder of a Registered Definitive Covered Bond or is a proxy or representative shall have one vote; and

(b) on a poll every person who is so present shall have one vote in respect of each A\$1 or such other amount as the Bond Trustee may in its absolute discretion stipulate (or, in the case of meetings of holders of Covered Bonds denominated in another currency, such amount in such other currency as the Bond Trustee in its absolute discretion may stipulate) in the Principal Amount Outstanding of the Bearer Definitive Covered Bonds so produced or represented by the voting certificate so produced or in respect of which he is a proxy or representative or in respect of which (being a Registered Definitive Covered Bond) he is the registered holder.

Without prejudice to the obligations of the proxies named in any block voting instruction or form of proxy any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

15. The proxies named in any block voting instruction or form of proxy and representatives need not be Covered Bondholders.

A copy of each block voting instruction and form of proxy shall (if the Bond Trustee so requires) be deposited with the Bond Trustee before the commencement of the meeting or adjourned meeting but the Bond Trustee shall not thereby be obliged to investigate or be concerned with the validity of or the authority of the proxies named in any such block voting instruction or form of proxy.

17. Any vote given in accordance with the terms of a block voting instruction or form of proxy shall be valid notwithstanding the previous revocation or amendment of the block voting

instruction or form of proxy or of any of the relevant Covered Bondholders' instructions pursuant to which it was executed provided that no intimation in writing of such revocation or amendment shall have been received from the relevant Paying Agent or in the case of a Registered Covered Bond from the holder thereof by the Issuer at its registered office (or such other place as may have been required or approved by the Bond Trustee for the purpose) by the time being 24 hours and 48 hours respectively before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction or form of proxy is to be used.

18. A meeting of the Covered Bondholders shall in addition to the powers hereinbefore given have the following powers exercisable only by Extraordinary Resolution (subject to the provisions relating to quorum contained in paragraphs 5 and 6 above) namely:

Notice of the result of the voting on any resolution duly considered by the Covered Bondholders shall be published in accordance with Condition 14 (Notices) by the Issuer within 14 days of such result being known PROVIDED THAT in each case, the non-publication of such notice shall not invalidate such result.
20.
