ANZ Vietnam Opens Can Tho Representative Office

ANZ Vietnam today announced it opened its Representative Office in Can Tho to better serve its customers in the Cuu Long Delta region and further expand in Vietnam.

ANZ Vietnam CEO Tareq Muhmood said: "Vietnam is an important market for ANZ's super regional strategy. The new representative office demonstrates our commitment to invest in the country, specifically in the Cuu Long Delta region where one of our goals is to further support exporting businesses and be closer to our customers.

"With the representative office aligned to our local bank entity, ANZ Vietnam will be able to conduct local market research and offer more products and services suitable to our clients in that region," Mr Muhmood said.

ANZ Bank (Vietnam) Limited was established in 2009, an upgrade from its Foreign Bank Branch licence obtained in 1993. The new Can Tho Representative Office opening follows the State Bank of Vietnam's official permission granted to ANZ Bank (Vietnam) Limited on 28 June 2012.

ANZ was among the first international banks to operate in Vietnam, establishing its first office in 1993. ANZ has 10 branches and transaction points in Vietnam offering a full range of services including Retail Banking, Commercial Banking for small, medium and emerging businesses, as well as Institutional Banking.
