What documents make up my policy?

Your **policy** consists of the following documents:

- this PDS and any Supplementary Product Disclosure Statement (SPDS) we may subsequently provide to you
- your **Policy Schedule**, and
- any endorsements or other notices we may give to you in writing.

Features

Is cover immediate?

Cover is immediate if you meet the age and residency requirements and we accept the application.

Who is eligible for cover?

To be eligible to apply for cover, you must be:

- aged between 50 and 70
- an Australian or New Zealand citizen or a holder of an Australian Permanent Residency Visa, and
- currently residing in Australia.

You must receive this PDS in Australia.

How much cover can I apply for?

When you apply, you will be asked to choose a Life Benefit amount of up to a maximum of \$15,000.

The minimum Life Benefit you can apply for is determined by the minimum premium amount payable, your age at application and whether you decide to pay your premiums annually, monthly or fortnightly.

The minimum premium amount payable is \$240 per annum, \$20 per month or \$9.20 per fortnight. The Premium Tables will demonstrate the minimum Life Benefit applicable to you.

The Accidental Death Benefit is the same amount payable as your Life Benefit.

We may limit the total cover amount we pay under the policies as described in the 'Benefit limitations' section of this PDS.

Is my policy guaranteed renewable?

Your **policy** is guaranteed renewable regardless of changes to your health and circumstances, provided you pay the premiums when due.

Area of cover

Cover applies 24 hours a day, 365 days a year, anywhere in the world.

What are the benefits and when can they be paid?

There are two benefits payable under this **policy**:

- 1) Life Benefit, and
- 2) Accidental Death Benefit.

The Life Benefit and Accidental Death Benefit will not be reduced by any financial entitlements you may receive under any Commonwealth, State or Territory legislation, or from any other organisation or source.

Life Benefit

The Life Benefit pays a lump sum for a valid claim in the event of your death.

The Life Benefit is not payable for death occurring within the first 12 months of cover.

If within the first 12 months of cover:

- you die, and
- your death is not as a result of an **accident**,

100% of the premiums you have paid since the **policy acceptance date** will be refunded to your estate.

Accidental Death Benefit

The Accidental Death Benefit is the same amount payable as your Life Benefit.

The Accidental Death Benefit pays a lump sum for a valid claim where you die as a result of an **accident**.

The Accidental Death Benefit is payable from the **policy acceptance date**.

The Accidental Death Benefit is paid in addition to the Life Benefit if death is caused by an **accident** after 12 months from the **policy acceptance date**.

The following table summarises when the Life Benefit and Accidental Death Benefit can be paid:

	Life Benefit	Accidental Death Benefit	Premium refund
Within the first 12 months from the policy acceptance date	No	Yes	Yes, if death is not as a result of an accident.
After 12 months from the policy acceptance date	Yes	Yes	No

The Life Benefit and Accidental Death Benefit are generally paid within 2 business days of us receiving all completed claim requirements.

The Life Benefit and Accidental Death Benefit are not payable if you die as a result of anything excluded under this **policy**, as outlined in the 'What are the exclusions?' section of this PDS.

General information

About the premium

To find out the premiums applicable to you, please refer to the Premium Tables on pages 16 to 21.

The premium is calculated based on your age at **policy acceptance date**, the level of Life Benefit you choose and the premium payment option you select. Your premium is fixed at the **policy acceptance date** until the **premium payment expiry date** and is guaranteed not to increase.

After the **premium payment expiry date**, no further premiums are payable for the remainder of the life of the **policy** and your cover will continue until your death. The premium payable for your **policy** and the **premium payment expiry date** will be shown on your **Policy Schedule**.

You will receive the full Life Benefit and Accidental Death Benefit payable as outlined in the PDS section 'What are the benefits and when can they be paid?' section of this PDS, regardless of whether you die before or after the **premium payment expiry date**.

You need to pay the premiums when due to keep the **policy** in force. If you do not pay the premiums when required, we may cancel the **policy** in accordance with our legal rights.

Premiums can be paid fortnightly, monthly or annually by direct debit from a credit card or bank account.

The premiums for this **policy** are paid into OnePath Life No. 1 Statutory Fund. This **policy** does not have a savings, investment, cash or surrender value and does not participate in the profits or share in any surplus of OnePath Life.

You may be entitled to earn Qantas Frequent Flyer points on the premiums you pay for this **policy**. For details, please visit our website at onepath.com.au/qff-terms-conditions

What are the premium payment options?

You can choose one of two premium payment options which will determine when you cease paying premiums.

The following table illustrates the premium payment options available to you.

Premium payment options	What is it?	Examples
1) Standard: Premiums are fixed to age 90	<p>Pay the premium until the policy anniversary date after you turn age 90.</p> <p>Cover continues until death.</p>	<p>Bill is 55 years of age and he chooses to insure himself for a Life Benefit of \$10,000. Bill would like to pay his premiums fortnightly.</p> <p>As shown on the Standard - Fortnightly Premium Table, Bill's fortnightly premium is \$19.87 per fortnight.</p> <p>Bill's premium payment expiry date will be the policy anniversary date after he turns age 90.*</p>
2) Capped: Premiums are fixed – never pay more than the chosen Life Benefit	<p>Pay the premium until the total premium paid by you equals the chosen Life Benefit.</p> <p>Cover continues until death.</p>	<p>Bill is 55 years of age and he chooses to insure himself for a Life Benefit of \$10,000. Bill would like to pay his premiums fortnightly.</p> <p>As shown on the Capped - Fortnightly Premium Table, Bill's fortnightly premium is \$25.55.</p> <p>Bill's premium payment expiry date will be the date when the total amount of premium paid by him equals \$10,000.*</p> <p>As shown on the Capped - Fortnightly Premium Table, Bill will be 70 years of age when he reaches the premium payment expiry date.#</p>

* The above illustrations show in dollar terms how the benefits and premium payment options of 50+ Life Cover work. Any worked dollar examples are for illustrative purposes only. They are not intended to explain all possible benefits and features or cover all possible situations. The examples should be read in conjunction with the information that describes the benefits and features of 50+ Life Cover in more detail. Claims are assessed based on the full terms and conditions of the **policy** and any benefits payable will depend on all the circumstances of each individual claim.

The projection of Bill's age at **premium payment expiry date** is an estimate only and is based on the full payment of premiums when due.

What is the minimum premium amount payable?

The minimum premium amount payable is the minimum premium amount you can pay for cover – the minimum will vary according to your age at application and whether you decide to pay your premiums annually, monthly or fortnightly.

You cannot apply for cover if the premium amount payable is below \$240 annually, \$20 per month or \$9.20 per fortnight.

Premium Waiver

If you experience a period of **financial hardship** after 12 months from the **policy acceptance date**, you may apply to waive your premium for up to a maximum of 3 months over the life of the policy.

The Premium Waiver applies to both the Standard and Capped premium payment options.

Full cover will continue to be provided while the Premium Waiver is in force.

If you would like to apply for Premium Waiver, you must request and complete an application by calling us on 13 16 14.

Increasing or decreasing the level of cover

The Life Benefit and Accidental Death Benefit are guaranteed never to increase or decrease. You cannot vary the Life Benefit and Accidental Death Benefit after the **policy acceptance date**.

Can I nominate a beneficiary?

You can nominate one **beneficiary** to receive all benefits payable in the event of your death. The nomination will apply to both the Life Benefit and Accidental Death Benefit payable.

You may change your **beneficiary** at any time. If you wish to obtain a Nomination of Beneficiary Form, please contact Customer Services on 13 16 14.

In the event that the **beneficiary** dies before you or the nomination is otherwise invalid, all benefits will be paid to your estate.

If you do not nominate a **beneficiary**, your Life Benefit and Accidental Death Benefit will be paid to your estate.

Cooling-off period

You may cancel your **policy** at any time.

If you cancel your **policy** within 21 days of receiving the **Policy Schedule** and no claims have been made under the **policy**, we will refund any premiums paid.

After the cooling-off period, we will not refund any monthly or fortnightly premiums if the **policy** is cancelled. We will pay a pro rata refund where premiums are paid annually and you cancel the **policy** before the next annual payment is due.

You can cancel the **policy** within 21 days of receiving the **Policy Schedule** by contacting us on 13 16 14.

When does the policy start and end?

Cover under the **policy** begins on the **policy acceptance date**.

The **policy** will end when the earliest of the following events occur:

- upon your death
- cancellation of the **policy** by you
- the date we cancel the **policy**, in accordance with our legal and contractual rights, including in circumstances where we do not receive the premium when due.

What are the risks?

There are a number of insurance risks you should be aware of including:

- the insurance cover you select may not provide the appropriate cover for your needs
- the maximum amount of insurance cover you select may not be sufficient
- if we do not receive the premiums when due, we may cancel the **policy** in accordance with our legal rights in writing and may not assess any claim that arises from an event which occurs after the cancellation date.

What are the exclusions?

We will not pay the Life Benefit within the first 12 months from the **policy acceptance date**.

We will not pay any claim arising directly or indirectly from suicide within the first 12 months from the **policy acceptance date** or reinstatement of the **policy**.

Misstatements

If your application includes any misstatements, we may vary or avoid the **policy** or claim, or decline to pay a claim as allowed by law.

Benefit limitations

If you have more than one 50+ Life Cover **policy**, we may limit the total of all cover amounts payable to the maximum benefit amount of \$15,000 for non **accidental** death or \$30,000 for **accidental** death. If we limit cover in accordance with this section, we will refund premiums in respect of the reduced portion of cover on a pro-rata basis.

Claims

Where a claim needs to be made, your **beneficiary** or estate will need to call the Customer Services team on 13 16 14. The Customer Services team will advise them on the necessary requirements and send the appropriate forms.

The cover under the **policy** will be as specified on your **Policy Schedule** which was current at the time of the event of your death. All amounts payable will be paid to your **beneficiary** or your estate in Australian currency.

If we are required to pay any tax, duty or government charge or levy relating to any amount payable under this **policy**, we may reduce the amount we pay by the amount of that tax, duty or government charge or levy.
