OUR OBLIGATIONS BEFORE PROVIDING CREDIT TO YOU.

We are prohibited by law from providing credit that is unsuitable for you.

This means before we provide you credit, we must make an assessment that:

- you can meet your financial obligations under the credit contract without substantial hardship; and
- the credit meets your requirements and objectives.

To help us to make this assessment we will:

- make reasonable inquiries about your financial situation and requirements and objectives that we believe are relevant to the credit you are applying for; and
- take reasonable steps to verify your financial information – for instance by asking for evidence of your income; and
- use this information to determine whether the credit is unsuitable for you.

You can ask for a written copy of our final assessment, which will include a summary of the inquiries we made and the factual information we relied on.

You can ask for this assessment either before you decide to accept our offer of credit or up to 7 years after you enter into the credit contract (or accept a credit limit increase). However, we're not required to provide you an assessment when your application is declined or if you decide to not increase your credit limit.

We will provide the assessment within 7 business days if you accepted the credit less than 2 years from your request. Otherwise, we will provide the assessment within 21 business days.
