

# WE'RE HERE FOR YOU.

**ANZ MyMeeting** provides a secure video conferencing platform for customers to connect with ANZ bankers. Join anywhere, anytime from any device.

## BEFORE YOU BEGIN

Locate the **Conference ID** and **Guest PIN** in the meeting invitation or email you received from ANZ.

## DESKTOP / TABLETS - VIA BROWSER

For the best experience, we recommend using Google Chrome and a headset with a microphone to access the MyMeeting web portal.

1. Go to <https://mymeeting.anz.com>, enter the **Conference ID**, your **name**, select one of the **connection options** (Video and Audio, Audio Only and Conference Control) and click **Connect**.

2. Select your **Microphone**, **Camera** and **Audio Output** using the dropdown boxes, and select **Start** to continue.
3. Enter the **Guest PIN** and click **Connect** to join the conference.

## PHONE (AUDIO ONLY)

1. Dial the phone number for your location (see directory on the next page). Please note call charges may apply.
2. Enter the **Conference ID** followed by **#**.
3. Enter the **Guest PIN** to join the conference.

## MOBILE / TABLETS - PEXIP APP

For a better experience, we recommend you use the **Pexip Infinity Connect** app rather than your web browser on your mobile device. Ideally, we also recommend using a headset with a microphone.

1. Download the **Pexip Infinity Connect** app from the Apple App Store or the Google Play Store. *Make sure you select the app with the correct name and logo, as there are multiple Pexip applications!*

2. Allow the application to access **Audio**, **Video** and **Calendar** by clicking **OK/Allow**.
3. Enter your name into the welcome window and then select **OK**.
4. Select either **Video** or **Voice** call.
5. Enter the host's **Conference ID** (Sarah.Banker@mymeeting.anz.com or 12345@mymeeting.anz.com) in the search bar. *You must enter the address in full.*
6. Enter the **Guest PIN** and select **Join**.
7. **Disable/Enable Video, Mute, Disconnect and Add Presentation** by **tapping on the display screen**.

**Tip** Access the Settings menu by selecting the symbol on the right-hand side of the home screen with the three dots.

If you need further help or support with the Pexip app, you can visit the [Pexip Help Centre](#).
