Such settlement may be deferred for up to 2 Business Days. Immediately prior to the end of any deferred period, ANZ will review the relevant circumstance set out in (a) to (d) above, to determine whether deferred settlements should continue and what period that deferral should be.  - (d) in ANZ's reasonable opinion, the Merchant is involved in an unacceptably high number of chargebacks, Refund requests or retrieval requests, without justification acceptable to ANZ;
 - (e) it becomes illegal or impossible in practice for ANZ to continue to provide the Merchant Facilities to the Merchant (including because the provision of the Merchant Facilities would breach a material requirement of a Nominated Card Scheme);

- (f) the Agreement becomes in whole or a material part void, voidable or unenforceable or a claim is made to that effect, in each case because of a change in the Law or a change in the circumstances of the Merchant;
 - (g) the Merchant processes a Transaction that the Merchant knew, or ought to have known, was fraudulent or illegal;
 - (h) ANZ reasonably determines that the continued provision of the Merchant Facilities to the Merchant may damage the reputation of ANZ or otherwise reasonably considers that ANZ or the Merchant may suffer loss if it continues to provide the Merchant Facilities to the Merchant;
 - (i) any of the information provided by the Merchant in the Application or otherwise to ANZ is or becomes incorrect, or false or misleading in a material respect;
 - (j) the Merchant's details and other information disclosed in the Application materially changes, including, but not limited to, a change to the nature and type of business conducted by the Merchant; or
 - (k) the Cardholder has not received the goods or services as required by the terms of the Transaction (and, in the case where the Merchant is not the provider of the goods or services and acts as agent for the provider of the goods or services, the goods or services have not been provided by the principal) and the Merchant has failed to provide ANZ with proof of receipt of, and satisfaction with, the goods or services by the Cardholder within 5 Business Days of ANZ's request to do so.
- (iii) Termination of the Agreement or any part of it does not affect any rights or obligations of the Merchant or ANZ that arose prior to termination. In particular, any obligation the Merchant has under the Agreement to indemnify ANZ or to pay ANZ any amounts (including costs), is a continuing and independent obligation and survives even if the Agreement is terminated. All Transactions made prior to termination are subject to the terms of the Agreement.

- (iv) The Merchant Facilities will be closed by ANZ within 30 days of the date on which the Merchant Agreement was terminated.
- (vi) On giving or receiving a notice to terminate the Agreement, the Merchant must immediately arrange with ANZ for the recovery of all stationery (excluding stationery paid for by the Merchant), promotional material, or equipment (including Electronic Terminals) supplied in connection with the Agreement.
- (vii) If the Agreement is terminated for any reason, ANZ reserves the right to charge the Merchant a closure administration charge, in accordance with the Letter of Offer or other agreement, as the case may be.
- (viii) The Merchant authorises ANZ to:
 - (a) disclose to any person the fact that all or part of the Agreement has been terminated;
 - (b) disclose information concerning the termination and reasons for termination of all or part of the Agreement to any credit provider or Nominated Card Scheme; and
 - (c) give a banker's opinion to other financial institutions with whom the Merchant may make application for other merchant facilities. The Merchant acknowledges that the disclosure of this information may affect the Merchant's ability to successfully apply for merchant facilities in the future.
- (ix) The obligations contained in Conditions 12, 13, 14, 16, 16.1, 17, 18, 22, 23, 28, 29, 30 and 44 survive termination of the Agreement.

30. SET OFF

- (i) ANZ may upon notice to the Merchant set off any Liability owed by ANZ to the Merchant on any account against any Liability owed by the Merchant to ANZ under or in connection with this agreement, and including without limitation, ANZ may:
 - (a) combine or consolidate the Retention Account (where such account is opened in the name of the Merchant) with any other account in the name of the Merchant at any branch or office of ANZ (in Australia or elsewhere); or

- (b) appropriate and apply amounts standing to the credit of the Retention Account in or towards the payment or discharge of any Liability owed by the Merchant to ANZ.

For the purposes of this Condition, "Liability" means any debt or monetary liability or any other claim which is capable of being reduced to or expressed as a monetary liability. Liability includes future or contingent liability (in addition to present and actual liability) where ANZ has reasonable grounds to believe the liability will arise in the future and that if the relevant amounts are not set off, they may not be possible to recover in the future.

- (ii) If ANZ exercises its right of set off, combination or appropriation under Condition 30(i) in respect of any Liability that is contingent, unascertained or unliquidated, ANZ may estimate the amount of that Liability in good faith and exercise its right of set off, combination or appropriation in respect of that estimate. If the actual liability proves to be less than the amount set off, combined or appropriated, ANZ must pay the Merchant the amount of the difference. If the actual liability proves to be more than the amount set off, combined or appropriated, the Merchant must pay to ANZ the amount of the difference. To give effect to this condition, ANZ may at any time convert any amount (for example, amounts standing to the credit of the Retention Account, or any Liability) in one currency into another currency as it thinks appropriate, at a prevailing market rate of exchange that ANZ chooses in accordance with its usual practice at that time.
- (iii) Where the Merchant is a partnership, unincorporated joint venture or sole trader and the Merchant Account is in the name of one or more, but not all partners or joint venturers, or is a joint account in the names of the sole trader and one or more other persons, the Merchant must procure that an "Irrevocable Authority to Debit" in a form approved by ANZ is completed and signed.

31. VARIATION

- (i) ANZ may vary a term of the Agreement at any time by giving the Merchant notice in writing no later than the day on which the variation takes effect for the following types of changes:

- changes required by a change to the Law, applicable industry codes (such as the Banking Code of Practice) or the rules of any Nominated Card Scheme;
 - the introduction of, changes to, or the removal of, any Nominated card; and
 - any changes which, in ANZ's reasonable opinion, are required to protect the Merchant; Cardholders and/or ANZ from the risk of fraudulent or illegal activity.
- (ii) ANZ may introduce a new fee or charge under this Agreement, or increase an existing fee or charge, at any time by giving the Merchant 30 days' notice in writing of the new or increased fee or charge, unless otherwise agreed with the Merchant.
- (iii) ANZ may vary any other term of the Agreement at any time by giving the Merchant reasonable notice of the change, which may include notice on the day the variation takes effect, if we reasonably consider:
- the change has a neutral effect on your obligations;
 - the change reduces your obligations; or
 - providing a shorter notice period is necessary for us to:
 - avoid or reduce a material increase in our credit risk or loss; or
 - comply with legal or regulatory requirements or the rules of any Nominated Card Scheme.

Despite this clause, ANZ will always give you notice in accordance with any applicable laws or industry codes (such as the Banking Code of Practice) which require any minimum notice periods or specific methods of notification.

- (iv) The Merchant acknowledges that where ANZ agrees to an increase in the Merchant's Refund limit, Authorised Floor Limit or tipping limit in respect of the Merchant Facilities, additional or increased incidence of liabilities or losses may arise as a result, including from erroneous or fraudulent Transactions.

32. NOTICE

- (i) The Merchant acknowledges that ANZ may deliver notices to it in any of the ways listed in Condition 32(ii) and consents to notices being delivered in any of these ways. A notice sent to the Merchant's Representative or any other person nominated by the Merchant will be deemed to be a notice sent to the Merchant.
- (ii) A notice must be in writing and is taken to be received:
 - (a) if delivered personally, at the time of delivery;
 - (b) if sent by pre-paid post, on the third day after the posting;
 - (c) if sent by facsimile transmission, on the date the transmitting machine records transmission of the complete document;
 - (d) when the party sending the notice is ANZ, if sent by email, at the time when the email enters the Merchant's information system; or
 - (e) when the party sending the notice is ANZ, if delivered via www.anz.com under the 'Small Business' tab and listed in a prominent position in the 'Merchant Services' section of that website, on the third day after the posting of the notice to that website.
- (iii) The address, facsimile number or email address to be used for notices is the last address, facsimile number or email address advised by a party. The Merchant must inform ANZ immediately of any change of the Merchant's address, facsimile number or email address.

33. RELATIONSHIP OF THE PARTIES

Nothing in the Agreement creates a relationship of joint venture, partnership or principal and agent between ANZ and the Merchant. The Merchant must not act as if, or represent or attempt to represent to any person that, any such relationship exists.

34. ASSIGNMENT

This Agreement is binding on the parties, their executors, administrators, successors and permitted assigns. The Merchant must not transfer any of the Merchant's rights or obligations under the Agreement unless ANZ consents in writing. ANZ may transfer any of its rights or obligations under the Agreement on giving 14 days prior notice to the Merchant. To remove any doubt ANZ may at any time arrange with a third party to provide any of the services ANZ is obliged to provide to the Merchant under the Agreement.

35. SEVERABILITY

If in any jurisdiction, a provision of the Agreement is illegal or unenforceable, the Agreement is to be interpreted for the purposes of that jurisdiction only, as if it had never included the provision so far as the provision is illegal or unenforceable.

36. WAIVER

The rights ANZ has under the Agreement cannot be waived except by ANZ giving the Merchant written notice waiving the particular rights. In particular, ANZ does not waive any right that ANZ has in connection with the Agreement merely because ANZ does not exercise it or does not exercise it as soon as ANZ can.

37. MERCHANT'S CONTINUOUS OBLIGATIONS

- (i) The Merchant must immediately notify ANZ Merchant Services in writing:
 - (a) if circumstances arise which may have a material adverse effect on the Merchant's business, assets or financial condition or the Merchant's ability to perform the Merchant's obligations under the Agreement. It is advisable that the Merchant informs ANZ promptly when it is in financial difficulty; or
 - (b) if the Merchant sells, leases or transfers its business or any of the Premises; or

- (c) if a Merchant changes the address where it carries on business or otherwise changes its contact details (eg, telephone number, facsimile number or email address) or starts carrying on business at any other place; or
 - (d) if the Merchant changes the nature, scope or type of its business.
- (ii) The Merchant must provide copies of its latest financial statements and any other financial information (including bank statements) reasonably requested by ANZ within 30 days of a request by ANZ.
- (iii) When requested by ANZ, the Merchant must promptly complete and submit all forms and documents supplied or requested by ANZ within 30 days of a request by ANZ.

38. SECURITY

- (i) At any time, ANZ may request that the Merchant provide ANZ with Security of a type, and to secure an amount, specified by ANZ and the Merchant must provide such Security. In specifying the type of Security and amount secured under this clause, ANZ will act in accordance with what is reasonably necessary to protect its legitimate commercial interests.
- (ii) If ANZ specifies a time by which the Security must be provided, the Merchant must provide the Security to ANZ by that time.
- (iii) Without limiting Conditions 13 (Merchant Accounts), 30 (Set Off) or 38(i) above, if ANZ believes there is a likelihood of any of the events in Condition 29(ii) occurring, or such events do occur, ANZ may by notice in writing to the Merchant, in its absolute discretion, retain portions of the Merchant's settlement proceeds in a separate suspense account. Such suspense accounts can be either a Retention Account designated under Condition 13.2 (Retention Account) or a separate suspense account. ANZ may retain the Security until ANZ is satisfied that:
 - (a) the risk of any of the events in Condition 29(ii) occurring, or ceasing to occur, no longer exists; and/or
 - (b) no Transactions will be charged back by Cardholders.

39. GOVERNING LAW

This Agreement is governed by the Law in force in the State or Territory where ANZ's office shown in the Letter of Offer is located. ANZ and the Merchant agree to submit to the non exclusive jurisdiction of the courts having jurisdiction under that Law in relation to any proceedings about or in connection with the Agreement.

40. APPLICATION OF THE BANKING CODE OF PRACTICE

If the Merchant is an individual or small business (as defined in the Banking Code of Practice) ANZ is bound by the Banking Code of Practice when it provides its products and services to you.

The Banking Code of Practice means the relevant version of the industry code published from time to time by the Australian Banking Association and adopted by ANZ.

41. DISPUTE RESOLUTION PROCEDURES

- (i) Where the Merchant has a complaint in relation to the provision of the Merchant Facilities, it should speak with the ANZ Merchant Services in the first instance. If the complaint cannot be resolved promptly, a supervisor within ANZ Merchant Services will take responsibility for resolution of the complaint. ANZ's aim is to resolve any complaint within ten Business Days. If this is not possible, ANZ will keep the Merchant informed on the progress of the matter and how long ANZ expects it will take to resolve the complaint.
- (ii) If the Merchant is an individual or a Small Business and is not satisfied with the steps taken by ANZ to resolve the complaint, or with the result of ANZ's investigation, the Merchant may wish to contact an alternative dispute resolution scheme, such as:

These procedures must include procedures designed to ensure that

the Merchant or its Guarantor takes all steps under the PPSA to continuously perfect any such Security Interest including all steps necessary:
