

UPDATING

YOUR ANZ CARD DETAILS WITH SERVICE PROVIDERS

When you apply for a new ANZ credit card, transfer cards, or are issued a new card, you will need to update your credit card details with your existing service providers. Some service providers will allow you to update your payment details through an online portal on their website, while others will require you to download a form or make a call.

To help get you started, we've put together a list of some of the most commonly used service providers for ANZ credit card customers.
