ANZ Everyday Visa Debit Overdraw Opt Out Form

This form is not for use for ANZ Visa PAYCARD or ANZ credit cards.

ACCOUNT DETAILS

Account Name (please print)

.....

Account Number (please print)

By choosing to opt out, I understand that ANZ will endeavour to prevent my ANZ Everyday Visa Debit account from becoming overdrawn by declining electronically authorised purchases and cash withdrawals at the point of sale if there are insufficient funds available for the transaction. I acknowledge that my account may still overdraw due to:

> a merchant's system not checking for available funds

> recurring transactions and direct debits such as insurance premiums

> banking systems being unavailable.

I understand that if for the above reasons my account becomes overdrawn by more than $50, I may still be charged Overdrawn Fees for each ANZ business day that the overdrawn balance is more than $50 (up to a total of ten ANZ business days and a maximum amount of $60 per statement month).

I understand that I will still be required to continue to monitor my account balance to ensure I have sufficient available funds for transactions.

Please note: This function will not be available until after your next ANZ Everyday Visa Debit statement issues.
