Standard Risk Measure

The Standard Risk Measure (SRM) is based on industry guidance to allow investors to compare funds that are expected to deliver a similar number of negative annual returns over any 20 year period. The SRM for this fund is shown below:

*ANZ Smart Choice Pension investment options are only offered through ANZ Smart Choice Super and Pension. Investment Earnings tax does not apply to Pension investment options and returns will differ from the equivalent Super investment options.

Please note that this percentage will vary over time as the investment option becomes more conservative.

^ Listed Real Assets will include allocations to global listed property and listed infrastructure securities.
