NOTICE OF CHANGES TO ANZ MERCHANT OPERATING GUIDES

We have made changes to certain ANZ Merchant Operating Guides. These changes are outlined below.

DOCUMENTS COVERED BY THIS NOTICE

- [ANZ POS Mobile 2 Operation Guide](#)

The new version of these documents are available at:
https://www.anz.com.au/business/help-support/merchant/eftpos

WHAT ARE THE CHANGES?

These changes include the following:

1. **Communication Mode** – (Section 9.7 in the ANZ POS Mobile 2 Operation Guide)

   This section has been amended to clarify on which version of this product WIFI is available, specifically that:

   "WIFI is only available on the IWL25C version of this product (identified by the number on the back of the terminal). This model also supports IP via Ethernet cable, Dial-Up & 3G."

These changes outlined above, are incorporated into and form part of this notice. These changes are effective from **13/05/2021**. By continuing to use your product after this date, you are confirming that you agree with changes incorporated into this notice.
