

ANZ VISA PAYCARD OVERLIMIT OPT OUT FORM

This form is not for use for ANZ credit cards or ANZ Everyday Visa Debit.

By choosing to opt out, I understand that ANZ will endeavour to prevent my ANZ Visa PAYCARD account from exceeding the emergency credit limit by declining electronically authorised purchases and cash advances at the point of sale if there is insufficient emergency credit available for the transaction. I acknowledge that my account may still go over limit due to:

- > a merchant's system not checking for available funds
- > transactions under a regular payment arrangement such as insurance premiums
- > interest, fees and charges
- > banking systems being unavailable.

I understand that I will still be required to continue to monitor my account balance to ensure I have sufficient available emergency credit for transactions. **Please note: This function will not be available until after your next ANZ Visa PAYCARD statement issues.**
