^The MultiSeries investment options replicate the investment strategy of the IOOF MultiSeries Trusts (to the extent possible). For reasons of investment efficiency, the fund may gain its exposure to each sector by holding units in other Insignia Financial Group unit trusts and/or through direct investment holdings. Therefore the performance returns differ from the underlying IOOF MultiSeries funds which they replicate.

The information in this publication is current as at September 2026, but may be subject to change. Updated information will avail-able free of charge by contacting Customer Services (for an investor) or Adviser Services (for a financial adviser).

The information provided is of a general nature and does not take into account an investor's personal needs, financial circumstances or objectives. Before acting on this information, an investor should consider the appropriateness of the information, having regard to their needs, financial circumstance and objectives.

Past performance is not indicative of future performance. The future value of investments may rise and fall with changes in the market.

Returns quoted use the unit price which is calculated using the asset values for the relevant month end. The prices shown may differ from the actual unit price if an investor is applying for or redeeming an investment. Actual unit prices will be confirmed following any transaction on an investor's investment. Please note that all returns are after the deduction of management fees and expenses, and assume all distributions are re-invested. Where applicable, management fees have been deducted at the highest Entry Fee option rate. No allowance has been made for entry or exit fees. The returns for the select funds include the current select fee rebate.

An investor should read the relevant PDS and consider whether a particular product is right for them before making a decision to acquire or continue to hold that product.

While every care has been taken in the preparation of the information in this publication, no warranty is given as to the correctness of the information contained in the investment returns table and no liability is accepted by the relevant issuer or its related group companies for any error or omission.
