

# UNCLAIMED MONIES

AS AT 30 SEPTEMBER 2022

Pursuant to Section 67 of the Banking Act 1995, Australia and New Zealand Banking Group Limited publishes names of its customers of which during a period of 10 years, or more as the case may be, no transactions have taken place and no statement of account has been requested or acknowledged by the account holder. In terms of Sub Section 2 of Section 67, the individuals to whom the accounts are payable or their legal personal representatives are required to submit a claim to the Branch of the ANZ within three months of the date of this publication. Should a legitimate claim not be received by this given time, accounts will be closed and funds will be remitted to the Reserve Bank of Fiji.

## REFUND OF UNCLAIMED MONIES

Without this information ANZ may not be able to consider or approve a Claimant(s) application. If the unclaimed money is held by a government body, ANZ will disclose the collected information to the government body to process the claim. ANZ may disclose information to Claimant(s) located offshore.

---

### Verifying Identity of Claimant(s)

To claim funds or reactivate an account, Claimant(s) will need to comply with ANZ's requirements prior to releasing funds or reactivating a Claimant(s) account.
